Trustees' Annual Report for the year ended 31 December 2022

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Columba's Parish Church, Derryvolgie for the year ended 31 December 2022.

Objectives and Activities

The charitable purpose of Derryvolgie Parish is to support the advancement of the Christian religion by promoting, through the work of St Columba's Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Derryvolgie Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Columba's Church.

Achievements, Performance & Public Benefit

The overarching aim of the parish is to know Christ better and make him better known.

The efforts made to continue its activity during the pandemic has allowed the parish not just to survive but to emerge in a stronger position. While there has been a return to physical activity, we retained our innovative and creative methods of communication including our on-line presence. This allows us to promote the whole mission of the Church, pastoral, evangelistic, social and ecumenical in whichever way works best for the wide demographic we serve.

We continued to provide a community forum for our parishioners and for others in the locality who wished to experience what we provide. We managed to maintain our outreach work, both locally and internationally. We offered financial support for missionary work by Intercontinental Church Missionary Society worldwide, South American Missionary Society (SAMS) in Chile and directly in Nakuru Kenya.

Our outreach activities are valued by the local community. They include DVK (kids) and DVY (youth) which attracts children from a large part of North Lisburn to club activities. We have started Open Door, a weekly drop-in centre. The third-party use of our premises included a singing group, Happy Tots pre-school, Pilates, dance fitness and Irish Dancing. Our premises are made available to any third party which offers a public good which does not conflict with our charitable purpose.

We supported other charities including Christians Against Poverty (Lisburn), Emerge, Harmony Hill Primary School, Lisburn Food Bank, New Wine Ireland, Sands NI and the Bishops' Appeal for Ukraine.

The parish has enjoyed a year-on-year increase in participation in events.

Looking ahead consideration will be given to addition to the church complex to create additional flexible space for the increasing use of our premises by the local community. We propose to broaden our work with SAMS by funding the maintenance of a Chilean student at the Belfast Bible College.

The Parish is conscious of its responsibilities under Safeguarding Trust. Everyone involved in our activities is AccessNI checked.

We maintain an up-to-date web page and are very active on Facebook, Instagram, Twitter and WhatsApp. Our social media attracts a lot of interest from those who are not yet parishioners or perhaps not yet church goers.

Financial Review

In the period 1 January to 31 December 2022 our income was £105,416 against an expenditure of £88,325 resulting in an excess of income over expenditure of £17,091. This was a very satisfactory outturn and includes a recovery of the extraordinary expenditure incurred during the Covid-19 pandemic.

Having provided for all accruals and setting aside a balance of £3,647 in the ministry fund, the unrestricted net worth of the parish is £49,706. In addition, there are reserves with a book value of £8,764. This includes an RCB unit trust with a book value of £7,866 and a realisable value of £18,403. The select vestry considers that reserves equivalent to three-month expenditure (excluding extraordinary expenditure) is appropriate.

Going Concern

The trustees have reviewed the prospects for the year ahead, particularly the ongoing post Covid recovery, and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and that the financial statements for the year ended 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The select vestry members are the charity trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The select vestry is elected as part of this general vestry meeting. The select vestry will hold their positions for a period of one year. Select vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent receives a stipend in accordance with figures approved by the General Synod of the Church of Ireland, a locumotory allowance and a pension contribution. The incumbent is provided with a rectory on which the rates are paid but not the running costs thereof.

Organisational Structure

The select vestry is responsible for the day-to-day management of the parish. The select vestry consists of the member of the clergy serving in the parish, the church wardens, the glebe wardens and up to twelve other members of the general vestry elected at the annual meeting of the general vestry.

The select vestry is chaired by the incumbent. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairman or the church wardens. In 2022 the select vestry met 10 times during the year and the average attendance was 86.2%.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

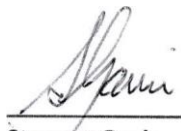

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than €250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements for the year ended 31 December 2022

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:

- Church Building
- Church Hall
- Rectory
- Fixtures and fittings

The Church Building and Church Hall are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The church hall is physically attached to the church as such is not separable as an individual asset. As such it is deemed to be a heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The rectory is recognised at cost / deemed cost, being the estimated fair value of the property at 31 December 2017 increased by the cost of the capital improvement works carried out during 2018. The property will be revalued for accounting purposes in 2023. No depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The select vestry has set a minimum threshold of £1,000 for an item of Fixtures and Fittings to be considered to be capitalised as a fixed asset. No item of Fixtures and Fittings has a value above this threshold.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

Trustees' Annual Report for the year ended 31 December 2023

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Columba's Parish Church, Derryvolgie for the year ended 31 December 2023.

Objectives and Activities

The charitable purpose of Derryvolgie Parish is to support the advancement of the Christian religion by promoting, through the work of St Columba's Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Derryvolgie Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Columba's Church.

Achievements, Performance & Public Benefit

The ending of the last vestiges of pandemic restrictions saw the return to all normal parish activity. The virtual innovations needed during lock down have evolved to become a convenient method for the less able, those who live further away and those whose lifestyle it suits, to engage with parish events. This allows us to promote the whole mission of the Church, pastoral, evangelistic, social and ecumenical in whichever way works best for the wide demographic we serve.

Our local outreach included DVK (kids) and DVY (youth) clubs which attract children from a large part of North Lisburn. During the year we invested in camping equipment and subsidised fees to allow young people from DVY to attend Summer Madness at nominal cost.

We offered financial support for missionary work directly in Nakuru, Kenya and through the Intercontinental Church Missionary Society to the church worldwide. We entered into a partnership with the South American Missionary Society (SAMS) to deliver an internship to a Chilean student.

Our weekly drop-in centre, Open Door, offers everyone in the community a chance to call in for companionship over coffee, savouries and cakes at no cost to themselves. We are part of the Harmony Hill community group. We have introduced an Adopt-a-Street prayer project. We organise litter picks in our area. With the support of Lisburn and Castlereagh City Council, we ran several events linked to the Coronation celebrations. We funded and maintain three defibrillators in our area. They were called upon on four occasions but thankfully were not needed at the incidents.

The third-party use of our premises included a singing group, Happy Tots pre-school, short mat bowling, Pilates, dance fitness, Irish Dancing and Irish language classes. Our premises are made available to any third party which offers a public good which does not conflict with our charitable purpose.

We supported other charities including Barnabas Aid, Bishops' Appeal, Christians Against Poverty (Lisburn), Emerge, Harmony Hill Primary School, Lisburn Food Bank, New Wine Ireland, Sands NI and the Royal British Legion.

Looking ahead we are investigating innovative and affordable ways of creating additional flexible space to facilitate an increase in the use of our premises by the local community. We propose to broaden our work with SAMS by taking a second intern. A new scheme called Global Made Local will lead to synergies with other projects in our area. We can deliver so much more public benefit by working together.

The Parish is conscious of its responsibilities under Safeguarding Trust. Everyone involved in our activities is AccessNI checked.

We maintain an up-to-date web page and are very active on Facebook, Instagram, Twitter and WhatsApp. Our social media attracts interest from those who are not yet church goers.

Financial Review

In the period 1 January to 31 December 2023 our income was £115,450 against an expenditure of £112,021 resulting in an excess of income over expenditure of £3,429. This was a very satisfactory outturn with an overall increase in giving funding an increase in activity related expenditure.

Having provided for all accruals and setting aside a balance of £3,647 in the ministry fund, the unrestricted net worth of the parish is £53,134. In addition, there are reserves with a book value of £8,841. This includes an RCB unit trust with a book value of £7,866 and a realisable value of £18,955. The select vestry considers that reserves equivalent to three-month expenditure (excluding extraordinary expenditure) is appropriate.

Going Concern

The trustees have reviewed the prospects for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and that the financial statements for the year ended 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The select vestry members are the charity trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry.

Meetings of the general vestry are held at least once a year. The select vestry is elected as part of this general vestry meeting. The select vestry will hold their positions for a period of one year. Select vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent receives a stipend in accordance with figures approved by the General Synod of the Church of Ireland, a locomotory allowance and a pension contribution. The incumbent is provided with a rectory on which the rates are paid but not the running costs thereof.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

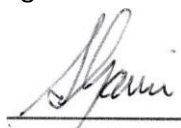

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements for the year ended 31 December 2023

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:

- Church Building
- Church Hall
- Rectory
- Fixtures and fittings

The Church Building and Church Hall are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The church hall is physically attached to the church as such is not separable as an individual asset. As such it is deemed to be a heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The rectory is recognised at cost / deemed cost, being the estimated fair value of the property at 31 December 2017 increased by the cost of the capital improvement works carried out during 2018. The property will be revalued for accounting purposes in 2024. No depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The select vestry has set a minimum threshold of £1,000 for an item of Fixtures and Fittings to be considered to be capitalised as a fixed asset. No item of Fixtures and Fittings has a value above this threshold.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

Trustees' Annual Report for the year ended 31 December 2023

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Columba's Parish Church, Derryvolgie for the year ended 31 December 2023.

Objectives and Activities

The charitable purpose of Derryvolgie Parish is to support the advancement of the Christian religion by promoting, through the work of St Columba's Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Derryvolgie Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Columba's Church.

Achievements, Performance & Public Benefit

The ending of the last vestiges of pandemic restrictions saw the return to all normal parish activity. The virtual innovations needed during lock down have evolved to become a convenient method for the less able, those who live further away and those whose lifestyle it suits, to engage with parish events. This allows us to promote the whole mission of the Church, pastoral, evangelistic, social and ecumenical in whichever way works best for the wide demographic we serve.

Our local outreach included DVK (kids) and DVY (youth) clubs which attract children from a large part of North Lisburn. During the year we invested in camping equipment and subsidised fees to allow young people from DVY to attend Summer Madness at nominal cost.

We offered financial support for missionary work directly in Nakuru, Kenya and through the Intercontinental Church Missionary Society to the church worldwide. We entered into a partnership with the South American Missionary Society (SAMS) to deliver an internship to a Chilean student.

Our weekly drop-in centre, Open Door, offers everyone in the community a chance to call in for companionship over coffee, savouries and cakes at no cost to themselves. We are part of the Harmony Hill community group. We have introduced an Adopt-a-Street prayer project. We organise litter picks in our area. With the support of Lisburn and Castlereagh City Council, we ran several events linked to the Coronation celebrations. We funded and maintain three defibrillators in our area. They were called upon on four occasions but thankfully were not needed at the incidents.

The third-party use of our premises included a singing group, Happy Tots pre-school, short mat bowling, Pilates, dance fitness, Irish Dancing and Irish language classes. Our premises are made available to any third party which offers a public good which does not conflict with our charitable purpose.

We supported other charities including Barnabas Aid, Bishops' Appeal, Christians Against Poverty (Lisburn), Emerge, Harmony Hill Primary School, Lisburn Food Bank, New Wine Ireland, Sands NI and the Royal British Legion.

Looking ahead we are investigating innovative and affordable ways of creating additional flexible space to facilitate an increase in the use of our premises by the local community. We propose to broaden our work with SAMS by taking a second intern. A new scheme called Global Made Local will lead to synergies with other projects in our area. We can deliver so much more public benefit by working together.

The Parish is conscious of its responsibilities under Safeguarding Trust. Everyone involved in our activities is AccessNI checked.

We maintain an up-to-date web page and are very active on Facebook, Instagram, Twitter and WhatsApp. Our social media attracts interest from those who are not yet church goers.

Financial Review

In the period 1 January to 31 December 2023 our income was £115,450 against an expenditure of £112,021 resulting in an excess of income over expenditure of £3,429. This was a very satisfactory outturn with an overall increase in giving funding an increase in activity related expenditure.

Having provided for all accruals and setting aside a balance of £3,647 in the ministry fund, the unrestricted net worth of the parish is £53,134. In addition, there are reserves with a book value of £8,841. This includes an RCB unit trust with a book value of £7,866 and a realisable value of £18,955. The select vestry considers that reserves equivalent to three-month expenditure (excluding extraordinary expenditure) is appropriate.

Going Concern

The trustees have reviewed the prospects for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and that the financial statements for the year ended 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The select vestry members are the charity trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry.

Meetings of the general vestry are held at least once a year. The select vestry is elected as part of this general vestry meeting. The select vestry will hold their positions for a period of one year. Select vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent receives a stipend in accordance with figures approved by the General Synod of the Church of Ireland, a locomotory allowance and a pension contribution. The incumbent is provided with a rectory on which the rates are paid but not the running costs thereof.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

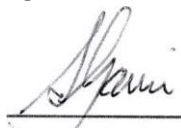

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Columba's Parish Church, Derryvolgie for the year ended 31 December 2023.

Objectives and Activities

The charitable purpose of Derryvolgie Parish is to support the advancement of the Christian religion by promoting, through the work of St Columba's Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. We maintain an up-to-date web page and are very active on Facebook, Instagram, Twitter and WhatsApp. Our social media attracts interest from those who are not yet church goers.

Financial Review

In the period 1 January to 31 December 2023 our income was £115,450 against an expenditure of £112,021 resulting in an excess of income over expenditure of £3,429. This was a very satisfactory outturn with an overall increase in giving funding an increase in activity related expenditure.

Having provided for all accruals and setting aside a balance of £3,647 in the ministry fund, the unrestricted net worth of the parish is £53,134. In addition, there are reserves with a book value of £8,841. This includes an RCB unit trust with a book value of £7,866 and a realisable value of £18,955. The select vestry considers that reserves equivalent to three-month expenditure (excluding extraordinary expenditure) is appropriate.

Going Concern

The trustees have reviewed the prospects for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and that the financial statements for the year ended 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The select vestry members are the charity trustees.

Pay and remuneration

The incumbent receives a stipend in accordance with figures approved by the General Synod of the Church of Ireland, a locomotory allowance and a pension contribution. The incumbent is provided with a rectory on which the rates are paid but not the running costs thereof.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

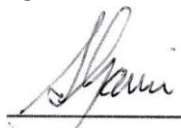

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements for the year ended 31 December 2023

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:

- Church Building
- Church Hall
- Rectory
- Fixtures and fittings

The Church Building and Church Hall are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The church hall is physically attached to the church as such is not separable as an individual asset. As such it is deemed to be a heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The rectory is recognised at cost / deemed cost, being the estimated fair value of the property at 31 December 2017 increased by the cost of the capital improvement works carried out during 2018. The property will be revalued for accounting purposes in 2024. No depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The select vestry has set a minimum threshold of £1,000 for an item of Fixtures and Fittings to be considered to be capitalised as a fixed asset. No item of Fixtures and Fittings has a value above this threshold.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

Trustees' Annual Report for the year ended 31 December 2022

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Columba's Parish Church, Derryvolgie for the year ended 31 December 2022.

Objectives and Activities

The charitable purpose of Derryvolgie Parish is to support the advancement of the Christian religion by promoting, through the work of St Columba's Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Derryvolgie Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Columba's Church.

Achievements, Performance & Public Benefit

The overarching aim of the parish is to know Christ better and make him better known.

The efforts made to continue its activity during the pandemic has allowed the parish not just to survive but to emerge in a stronger position. While there has been a return to physical activity, we retained our innovative and creative methods of communication including our on-line presence. This allows us to promote the whole mission of the Church, pastoral, evangelistic, social and ecumenical in whichever way works best for the wide demographic we serve.

We continued to provide a community forum for our parishioners and for others in the locality who wished to experience what we provide. We managed to maintain our outreach work, both locally and internationally. We offered financial support for missionary work by Intercontinental Church Missionary Society worldwide, South American Missionary Society (SAMS) in Chile and directly in Nakuru Kenya.

Our outreach activities are valued by the local community. They include DVK (kids) and DVY (youth) which attracts children from a large part of North Lisburn to club activities. We have started Open Door, a weekly drop-in centre. The third-party use of our premises included a singing group, Happy Tots pre-school, Pilates, dance fitness and Irish Dancing. Our premises are made available to any third party which offers a public good which does not conflict with our charitable purpose.

We supported other charities including Christians Against Poverty (Lisburn), Emerge, Harmony Hill Primary School, Lisburn Food Bank, New Wine Ireland, Sands NI and the Bishops' Appeal for Ukraine.

The parish has enjoyed a year-on-year increase in participation in events.

Looking ahead consideration will be given to addition to the church complex to create additional flexible space for the increasing use of our premises by the local community. We propose to broaden our work with SAMS by funding the maintenance of a Chilean student at the Belfast Bible College.

The Parish is conscious of its responsibilities under Safeguarding Trust. Everyone involved in our activities is AccessNI checked.

We maintain an up-to-date web page and are very active on Facebook, Instagram, Twitter and WhatsApp. Our social media attracts a lot of interest from those who are not yet parishioners or perhaps not yet church goers.

Financial Review

In the period 1 January to 31 December 2022 our income was £105,416 against an expenditure of £88,325 resulting in an excess of income over expenditure of £17,091. This was a very satisfactory outturn and includes a recovery of the extraordinary expenditure incurred during the Covid-19 pandemic.

Having provided for all accruals and setting aside a balance of £3,647 in the ministry fund, the unrestricted net worth of the parish is £49,706. In addition, there are reserves with a book value of £8,764. This includes an RCB unit trust with a book value of £7,866 and a realisable value of £18,403. The select vestry considers that reserves equivalent to three-month expenditure (excluding extraordinary expenditure) is appropriate.

Going Concern

The trustees have reviewed the prospects for the year ahead, particularly the ongoing post Covid recovery, and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and that the financial statements for the year ended 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The select vestry members are the charity trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The select vestry is elected as part of this general vestry meeting. The select vestry will hold their positions for a period of one year. Select vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent receives a stipend in accordance with figures approved by the General Synod of the Church of Ireland, a locomotory allowance and a pension contribution. The incumbent is provided with a rectory on which the rates are paid but not the running costs thereof.

Organisational Structure

The select vestry is responsible for the day-to-day management of the parish. The select vestry consists of the member of the clergy serving in the parish, the church wardens, the glebe wardens and up to twelve other members of the general vestry elected at the annual meeting of the general vestry.

The select vestry is chaired by the incumbent. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairman or the church wardens. In 2022 the select vestry met 10 times during the year and the average attendance was 86.2%.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

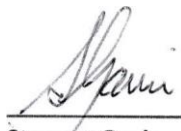

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than €250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on Behalf of the Trustees

Trustees' Annual Report for the year ended 31 December 2022

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Columba's Parish Church, Derryvolgie for the year ended 31 December 2022.

Objectives and Activities

The charitable purpose of Derryvolgie Parish is to support the advancement of the Christian religion by promoting, through the work of St Columba's Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Derryvolgie Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Columba's Church.

Achievements, Performance & Public Benefit

The overarching aim of the parish is to know Christ better and make him better known.

The efforts made to continue its activity during the pandemic has allowed the parish not just to survive but to emerge in a stronger position. While there has been a return to physical activity, we retained our innovative and creative methods of communication including our on-line presence. This allows us to promote the whole mission of the Church, pastoral, evangelistic, social and ecumenical in whichever way works best for the wide demographic we serve.

We continued to provide a community forum for our parishioners and for others in the locality who wished to experience what we provide. We managed to maintain our outreach work, both locally and internationally. We offered financial support for missionary work by Intercontinental Church Missionary Society worldwide, South American Missionary Society (SAMS) in Chile and directly in Nakuru Kenya.

Our outreach activities are valued by the local community. They include DVK (kids) and DVY (youth) which attracts children from a large part of North Lisburn to club activities. We have started Open Door, a weekly drop-in centre. The third-party use of our premises included a singing group, Happy Tots pre-school, Pilates, dance fitness and Irish Dancing. Our premises are made available to any third party which offers a public good which does not conflict with our charitable purpose.

We supported other charities including Christians Against Poverty (Lisburn), Emerge, Harmony Hill Primary School, Lisburn Food Bank, New Wine Ireland, Sands NI and the Bishops' Appeal for Ukraine.

The parish has enjoyed a year-on-year increase in participation in events.

Looking ahead consideration will be given to addition to the church complex to create additional flexible space for the increasing use of our premises by the local community. We propose to broaden our work with SAMS by funding the maintenance of a Chilean student at the Belfast Bible College.

The Parish is conscious of its responsibilities under Safeguarding Trust. Everyone involved in our activities is AccessNI checked.

We maintain an up-to-date web page and are very active on Facebook, Instagram, Twitter and WhatsApp. Our social media attracts a lot of interest from those who are not yet parishioners or perhaps not yet church goers.

Financial Review

In the period 1 January to 31 December 2022 our income was £105,416 against an expenditure of £88,325 resulting in an excess of income over expenditure of £17,091. This was a very satisfactory outturn and includes a recovery of the extraordinary expenditure incurred during the Covid-19 pandemic.

Having provided for all accruals and setting aside a balance of £3,647 in the ministry fund, the unrestricted net worth of the parish is £49,706. In addition, there are reserves with a book value of £8,764. This includes an RCB unit trust with a book value of £7,866 and a realisable value of £18,403. The select vestry considers that reserves equivalent to three-month expenditure (excluding extraordinary expenditure) is appropriate.

Going Concern

The trustees have reviewed the prospects for the year ahead, particularly the ongoing post Covid recovery, and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and that the financial statements for the year ended 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The select vestry members are the charity trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The select vestry is elected as part of this general vestry meeting. The select vestry will hold their positions for a period of one year. Select vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent receives a stipend in accordance with figures approved by the General Synod of the Church of Ireland, a locomotory allowance and a pension contribution. The incumbent is provided with a rectory on which the rates are paid but not the running costs thereof.

Organisational Structure

The select vestry is responsible for the day-to-day management of the parish. The select vestry consists of the member of the clergy serving in the parish, the church wardens, the glebe wardens and up to twelve other members of the general vestry elected at the annual meeting of the general vestry.

The select vestry is chaired by the incumbent. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairman or the church wardens. In 2022 the select vestry met 10 times during the year and the average attendance was 86.2%.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

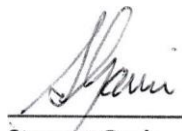

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than €250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on Behalf of the Trustees

Notes to the financial statements for the year ended 31 December 2022

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:

- Church Building
- Church Hall
- Rectory
- Fixtures and fittings

The Church Building and Church Hall are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The church hall is physically attached to the church as such is not separable as an individual asset. As such it is deemed to be a heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The rectory is recognised at cost / deemed cost, being the estimated fair value of the property at 31 December 2017 increased by the cost of the capital improvement works carried out during 2018. The property will be revalued for accounting purposes in 2023. No depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The select vestry has set a minimum threshold of £1,000 for an item of Fixtures and Fittings to be considered to be capitalised as a fixed asset. No item of Fixtures and Fittings has a value above this threshold.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

Trustees' Annual Report for the year ended 31 December 2022

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St Columba's Parish Church, Derryvolgie for the year ended 31 December 2022.

Objectives and Activities

The charitable purpose of Derryvolgie Parish is to support the advancement of the Christian religion by promoting, through the work of St Columba's Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Derryvolgie Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Columba's Church.

Achievements, Performance & Public Benefit

The overarching aim of the parish is to know Christ better and make him better known.

The efforts made to continue its activity during the pandemic has allowed the parish not just to survive but to emerge in a stronger position. While there has been a return to physical activity, we retained our innovative and creative methods of communication including our on-line presence. This allows us to promote the whole mission of the Church, pastoral, evangelistic, social and ecumenical in whichever way works best for the wide demographic we serve.

We continued to provide a community forum for our parishioners and for others in the locality who wished to experience what we provide. We managed to maintain our outreach work, both locally and internationally. We offered financial support for missionary work by Intercontinental Church Missionary Society worldwide, South American Missionary Society (SAMS) in Chile and directly in Nakuru Kenya.

Our outreach activities are valued by the local community. They include DVK (kids) and DVY (youth) which attracts children from a large part of North Lisburn to club activities. We have started Open Door, a weekly drop-in centre. The third-party use of our premises included a singing group, Happy Tots pre-school, Pilates, dance fitness and Irish Dancing. Our premises are made available to any third party which offers a public good which does not conflict with our charitable purpose.

We supported other charities including Christians Against Poverty (Lisburn), Emerge, Harmony Hill Primary School, Lisburn Food Bank, New Wine Ireland, Sands NI and the Bishops' Appeal for Ukraine.

The parish has enjoyed a year-on-year increase in participation in events.

Looking ahead consideration will be given to addition to the church complex to create additional flexible space for the increasing use of our premises by the local community. We propose to broaden our work with SAMS by funding the maintenance of a Chilean student at the Belfast Bible College.

The Parish is conscious of its responsibilities under Safeguarding Trust. Everyone involved in our activities is AccessNI checked.

We maintain an up-to-date web page and are very active on Facebook, Instagram, Twitter and WhatsApp. Our social media attracts a lot of interest from those who are not yet parishioners or perhaps not yet church goers.

Financial Review

In the period 1 January to 31 December 2022 our income was £105,416 against an expenditure of £88,325 resulting in an excess of income over expenditure of £17,091. This was a very satisfactory outturn and includes a recovery of the extraordinary expenditure incurred during the Covid-19 pandemic.

Having provided for all accruals and setting aside a balance of £3,647 in the ministry fund, the unrestricted net worth of the parish is £49,706. In addition, there are reserves with a book value of £8,764. This includes an RCB unit trust with a book value of £7,866 and a realisable value of £18,403. The select vestry considers that reserves equivalent to three-month expenditure (excluding extraordinary expenditure) is appropriate.

Going Concern

The trustees have reviewed the prospects for the year ahead, particularly the ongoing post Covid recovery, and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and that the financial statements for the year ended 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The select vestry members are the charity trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The select vestry is elected as part of this general vestry meeting. The select vestry will hold their positions for a period of one year. Select vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent receives a stipend in accordance with figures approved by the General Synod of the Church of Ireland, a locomotory allowance and a pension contribution. The incumbent is provided with a rectory on which the rates are paid but not the running costs thereof.

Organisational Structure

The select vestry is responsible for the day-to-day management of the parish. The select vestry consists of the member of the clergy serving in the parish, the church wardens, the glebe wardens and up to twelve other members of the general vestry elected at the annual meeting of the general vestry.

The select vestry is chaired by the incumbent. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairman or the church wardens. In 2022 the select vestry met 10 times during the year and the average attendance was 86.2%.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

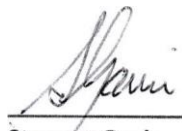

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than €250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements for the year ended 31 December 2022

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:

- Church Building
- Church Hall
- Rectory
- Fixtures and fittings

The Church Building and Church Hall are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The church hall is physically attached to the church as such is not separable as an individual asset. As such it is deemed to be a heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The rectory is recognised at cost / deemed cost, being the estimated fair value of the property at 31 December 2017 increased by the cost of the capital improvement works carried out during 2018. The property will be revalued for accounting purposes in 2023. No depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The select vestry has set a minimum threshold of £1,000 for an item of Fixtures and Fittings to be considered to be capitalised as a fixed asset. No item of Fixtures and Fittings has a value above this threshold.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.
