AOB

- Work of PTA needs to be more visible. It was suggested that the school Facebook page would be useful place for this information to go.
- Due to Covid, the necessary work on the playground has had to be delayed. School needs to have 3 quotes in order for progress to be made. Simon to contact potential suppliers. PTA would still like to approach local businesses to help finance this as it will cost a significant amount of money.

Next meeting – 19th January 2022.
