

Parents and Friends of Sandelford School

Annual Report 2023-24

Good evening, everyone and welcome to our Annual General Meeting. This year has as usual been a busy one for the PFA and I would like to begin by thanking everyone for their efforts and volunteering for the various activities we have organised. We are most grateful to the support of the Principal and school staff.

We were delighted to learn that the school minibus is now a reality and much of our fundraising will go towards this and any further costs in terms of upkeep, training etc. We wish the school all the best with it and hope it is a great asset.

As usual we provided funding for the leavers' hoodies, Christmas and Easter treats and the Christmas card costs. We also contributed towards school funds and purchased the lovely new communication boards now on display.

The annual Christmas fair was another successful evening with many people attending and enjoying the atmosphere. This may however be something we need to look at in the future. The Danceathon was thoroughly enjoyed by the pupils, and we are thankful to the Rotary Club for their support. The two supermarket 'bucket' collections were a new venture and I thank those who volunteered their time for assisting.

I thank all current members for their support and assistance during the year.

We look forward to another year of supporting the great work of the school and as always are very keen for new members with new ideas and new ways of providing the best we can.
