#### **OBJECTIVES AND ACTIVITIES**

##### **Public benefit**

The purpose of Belfast Film Festival Ltd is to present, promote, organise, provide, manage and produce such specialized (cultural, lesser seen, archive) film screenings and events, community based film activities, film related outreach work in marginalized communities, broadcasts, concerts, musical pieces, entertainment and exhibitions, whether on any premises of the Company or elsewhere, as are conducive to the promotion, maintenance, improvement and advancement of education or to the encouragement of the art of film, or the arts.

The direct benefits flowing from this purpose include;  
the promotion and enjoyment, better understanding and general advancement of the arts and film, for the benefit of the general public in Northern Ireland through exposure to, as an audience member or participant through outreach work in marginalized communities and schools, the arts and film.

These benefits can be demonstrated by regular internal and external qualitative assessment; audiences and participation; photo and video documentation; regular reporting of charitable activities and financial performance in annual reports, audited annual accounts, and reports to grant funders.

The purposes of our charity will not lead to any harm, although there are policies and procedures in place to address certain risks, for example

- safeguarding and child protection policies
- health and safety policy
- code of conduct for staff and volunteers
- equal opportunities policy
- disability policy and safeguarding policy.

The charity's beneficiaries are the general public in Northern Ireland. Specific projects may address the needs of specific sections of society (e.g. access to film and the arts project targeting social needs in particular electoral wards).

The only private benefit flowing from the purpose is artists and filmmakers benefit from exposure to a wider audience, which may result in their gaining a higher profile. This is incidental to the achievement of the purpose and, while a private benefit, is necessary to help the charity achieve our charitable purpose.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **DOCS IRELAND 4**

The international documentary festival ran for 5 days 29 June to 3 July, and offered 58 screenings and special events in 12 venues across the city, where public audiences and industry professionals encountered both rising stars and documentary filmmaking legends.

Music and culture were two key themes of this year's festival which opened with a now highly lauded documentary based on the life and career of Irish singer Sinéad O'Connor. Directed by Belfast-born filmmaker Kathryn Ferguson, Nothing Compares has gone on to great critical acclaim, sell-out audiences and numerous awards.

The festival continues to give emerging filmmakers the opportunity to meet and learn from seasoned industry experts through a series of masterclasses, workshops, panel discussions and 'in-conversation' sessions. This industry side of the festival is gaining traction both in terms of projects and calibre of participant. This year, the Marketplace, where filmmakers can meet one-to-one with leading international documentary industry decision makers, including international funders, broadcasters, distributors and exhibitors, welcomed 33 decision-makers from Ireland, UK, Germany, Austria, USA, Portugal, Israel, Poland, Finland, The Netherlands. It is the only marketplace dedicated to documentary on the island of Ireland and is acknowledged as an incubator for nurturing both domestic and international talent.

The Northern Ireland Screen Documentary development pitch returned for the third year and presented six feature documentary project pitches from filmmakers across Ireland, in a competition to receive an award of up to £7,500 towards a pilot for their documentary feature.

The industry programme offered a series of informative events including Fair Use for Documentary Film Archive; an examination of the mental health crisis in the film industry in our Whole Picture presentation; a focus on the European industry with a view to strengthening those filmic partnerships; a case study of TV series Once Upon a Time in Belfast (w/t) - currently in production in Northern Ireland and a case study of award-winning Young Plato.

Awards were given to:

- o Short Irish documentary 2 x winners: Director Sheena Walsh 'Mam's Old Chair' and Director Sam Howard 'Ireland's Last Matchmaker'
- o NI Screen Pitch winner was 'They Say It Is Love' by Director: Roisin Agnew
- o Pull Focus Best Irish Film winner: An Buachaill Geal Gáireach / The Laughing Boy, Director Alan Gilsenan

The IGNITE Talent Development Programme, which seeks to foster a new generation of Irish documentary filmmakers from the north and south of Ireland, is a joint initiative of Cork International Film Festival & Docs Ireland. 6 documentary teams participated in the bilingual programme, directed at emerging Irish documentary filmmakers embarking on their first or second non-fiction feature film. This unique training programme continues to grow in stature and popularity.

Outreach and Inclusion activity for Docs Ireland included the allocation of between 20 - 30 complimentary and discounted tickets for 14 screenings and events. Groups targeted comprised Irish Language groups (for e.g. The Laughing Boy), Amnesty NI, students, young people and groups supporting those in hard to reach and from areas of deprivation, including Belfast Friendship Club and ACSONI etc.

A Talent Development programme for young & new to the sector was run by the 3 festivals interns who curated a programme of films for Docs Ireland Fringe - "Treasures of the Archive" - they screened 5 films over a weekend and all films included a post-film discussion with each curator.

### **Report of the Trustees** **for the Year Ended 31 March 2023**

The 22nd Belfast Film Festival returned in all its physical, in-person, post-pandemic glory this year, complete with a new programming team, an international competitive element and award-winning jury, as well as a home-grown premiere as the opening night film.

The new programming team of Jessica Kiang and Rose Baker brought unbridled energy, passion and ambition to this year's festival and curated a full and exciting programme of premieres and gala screenings, panel talks, and special events which showcased the wealth of local talent and shone a spotlight on the best up-and-coming international talent.

Opening the festival was the world premiere of Ballywalter, starring comedian Patrick Kielty in his acting debut. Directed by Prasanna Puwanarajah and written by Belfast's own Stacey Gregg (Here Before), the film follows Eileen (Seána Kerslake), a caustic, unrepentant University drop-out whose dreams of a successful life in London have fallen by the wayside.

In the spirit of cross-border collaboration, the festival closed with a joint Irish Premiere with the Cork Film Festival of the highly anticipated Aftersun starring Paul Mescal, which had been generating significant buzz since its world première at the Cannes Film Festival in May.

This year's festival saw the launch of new awards, presented by a jury of international filmmakers and industry professionals, including BAFTA and Academy-Award-winning auteur Andrea Arnold. The International Feature Competition offered a total prize fund of £10,000; the Director of a first or second feature competed to win £7,000 for Best Film Director, while Jury Prizes of £1,500 each were awarded for Outstanding Craft Contribution and Breakout Performance.

A vibrant New Cinema selection was packed with premieres, including Venice 2022 winner All the Beauty and the Bloodshed. We shone a solidarity spotlight on Ukrainian cinema and screened imprisoned Iranian filmmaker Jafar Panahi's No Bears. The new Blurred Lines strand offered hybrid docs, including the genius of Charlie Shackleton with As Mine Exactly. Actor/directors Prasanna Puwanarajah (Ballywalter) and Tony Devlin (The Quarry) both presented feature debuts. The UK/Ireland premiere of Mark Cousins' The March on Rome was a timely contribution, exploring the ascent of Italian fascism.

Further highlights included a Scary Women horror strand, an XR Festival in collaboration with Deepa Mann-Kler, and a rare opportunity to see Douglas Sirk masterpieces on the big screen. Using the built heritage venue of the old Bank of Ireland, the Vox Populi event was a cinematic tour offering a selected archive of short 'vox pop' interviews from the people of Northern Ireland.

There are two major factors which have influenced the state of the company - the Covid pandemic and the cost of living crisis. Bearing in mind that the planning for our festivals was completed before both these happened, these mitigating factors have had serious detrimental effects on various aspects of our company. It has been much more difficult to secure volunteers this past year; audience numbers are taking a long time to come back to anywhere near pre-pandemic levels - some people still do not wish to come out and sit in crowded spaces. The cost of living has an impact - cinema is not seen as an essential purchase. Box office income was less than projected. And of course, as everyone knows, costs continue to rise. Guest travel was much higher than projected - particularly flights, even with the "budget" airlines. We lost two sources of income - we were unsuccessful in our bid this year to Tourism NI and the BFI reduced our funding (by £8K) through Film Hub NI.

We have had major staff changes. Our programmer moved to a new role in a new organisation (CQAF) and with the changes in the delivery of our festivals' content, we have ramped up our profile and employed 2 new programmers - one responsible for international films and another responsible for UK/Ireland.

### **Report of the Trustees** **for the Year Ended 31 March 2023**

#### **FINANCIAL REVIEW**

##### **Financial position**

The company had net outgoing resources for the year of £32,066 (2022: net incoming resources of £57,244), which reflected the completion of a number of projects during the year. At 31 March 2023 Unrestricted funds increased by £63,076, while restricted funds decreased by £95,142.

##### **Reserves policy**

The charity's policy is to retain a level of free reserves, which matches the needs of the organisation both at the current time and in the foreseeable future. The reserves required should be sufficient to meet committed grant expenditure and the running costs for a period equivalent to six months annual expenditure. The charity has developed a plan to establish and maintain this agreed level of free reserves. The charity will continue to monitor compliance with this policy on a regular basis and the Committee will review the appropriateness of the policy annually.

#### **FUTURE PLANS**

We have an aim to double our audience figures annually over the next 5 years. Future planning is hampered by the fact that the organisation works on an annual funding basis, it would benefit greatly from a longer-term funding agreement from core funders.

With the recruitment of a new, dynamic team it is intended to raise the festival to a whole new level, with innovative and exciting initiatives including an international competition.

Over the coming 4 years we plan to continue to build audiences for all our activity, in particular we will focus on audience building for the new Belfast Stories site.

We continue to seek and apply for new funding revenues.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

**(a) General information and basis of preparation**

Belfast Film Festival is constituted as a company limited by guarantee incorporated in Northern Ireland (NI032251). In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act (Northern Ireland) 2013, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

**(b) Funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**(c) Income recognition**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

**Notes to the Financial Statements - continued**  
**for the Year Ended 31 March 2023**

**1. ACCOUNTING POLICIES - continued**

**Basis of preparing the financial statements**

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled. Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities (SoFA) when receivable. Income received from collections is recognised when received.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustees' Annual Report.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

The charity receives government grants which are detailed within the notes to these financial statements. Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

**(D) Expenditure recognition**

All expenditure is accounted for on an accruals basis, inclusive of VAT which cannot be recovered and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Costs of raising funds includes the costs associated with attracting voluntary incomes;  
Expenditure on charitable activities includes those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them; and  
Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

**Notes to the Financial Statements - continued**  
**for the Year Ended 31 March 2023**

**1. ACCOUNTING POLICIES - continued**

**Basis of preparing the financial statements**

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

**(e) Support costs allocation**

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises overheads have been allocated on an insert detail basis and other overheads have been allocated on a basis consistent with the use of resources.

Fund-raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

**(f) Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Improvement to Property	- 25% Straight Line
Fixtures & Fittings	- 25% Straight Line

**(g) Financial Instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provision of the instrument.

Basic financial instruments are initially recognised at the amounts receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or relived and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

**Notes to the Financial Statements - continued**  
**for the Year Ended 31 March 2023**

**1. ACCOUNTING POLICIES - continued**

**Basis of preparing the financial statements**

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designed hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain is recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

**(h) Impairment**

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

**(i) Provisions**

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

**(j) Leases**

Assets acquired under finance leases are capitalised and depreciated over the shorter of the lease term and the expected useful life of the asset. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding lease liability using the effective interest method. The related obligations, net of future finance charges, are included in creditors.

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

**(k) Tax**

**Notes to the Financial Statements - continued**  
**for the Year Ended 31 March 2023**

**1. ACCOUNTING POLICIES - continued**

**Basis of preparing the financial statements**

No provision is required for taxation as the company is defined as a charity for taxation purposes. The charity is a registered charity and so such is entitled to certain tax exemptions on income and profits from investments and surpluses on any trading activities carried on in furtherance of the charity's primary objectives, if these profits and surpluses are applied solely for charitable purposes.

**(l) Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**(m) Judgements estimates**

The following judgements including those involving estimates that have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

**(i) depreciation method and asset useful lives**

The estimates and assumptions are reviewed on an ongoing basis considering the current and future market conditions.

**Taxation**

The company is a registered charity and so such is entitled to certain tax exemptions on income and profits from investments and surpluses on any trading activities carried on in furtherance of the charity's primary objectives, if these profits and surpluses are applied solely for charitable purposes.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate .
