

## Trustees Annual Report for 2022

Omagh Evangelical Presbyterian Church exists to proclaim and advance the Christian Faith, in accordance with our Subordinate Standards: the Westminster Confession of Faith, and the Shorter and Larger Catechisms, and all this to the benefit of people, both young and old, in Omagh and the wider world.

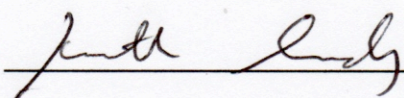

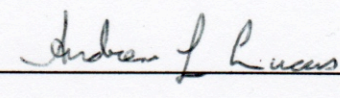

During 2022, with all government Coronavirus restrictions now lifted, we returned almost completely to our regular programme of church services and other activities. These included our weekly worship services, our Sunday School and Bibles Classes, our midweek Bible Study and Prayer meeting, our monthly youth rally, and our monthly Ladies Bible Study. During the year we also enjoyed visits from various Missionary Organisations. We were able to have a Christmas dinner for members and friends of the congregation, and we had our Carol service, which was well attended by people from the wider community. We have continued to live-stream our Sunday services for the benefit of those who not able to attend the meetings.

In addition to the above, we also hosted two specials meetings for ladies, one of which dealt with the issue of depression. Both meetings were well attended by ladies from the wider community. We also established a men's fellowship, which meets on a monthly basis for Bible study and mutual encouragement.

The Omagh congregation has been able to provide £35,000 to the central fund of the Evangelical Presbyterian Church for the support of its Ministers. We have also been able to give over £2,500 to various Christian Missionary organisations.

The work and witness of Omagh Evangelical Presbyterian Church is founded on the authority of the Holy Scriptures that reveal God's love for mankind in the person and work of the Lord Jesus Christ, the only Saviour of sinners, and this we believe to have been the case during 2022 despite the extraordinary difficulties faced during the year.
