Achievements and Performance

Following a very successful fundraising year in 2022/23 the organisation kicked off the year by funding the purchase and installation of 8 interactive whiteboards to the school in September 2024. This was a significant expense, however we are delighted to have been able to provide this support to the school, with the aim of ensuring that every classroom has access to such a valuable teaching resource.

Throughout the year the PTA also funded the purchase of reading books and sports equipment. It is a joy to see some of those glo new books

Very successful year in light challenges re planning and limitations. Uncertainties remain going forward but prospect of return to more normal programme of events.

Thank you to pupils, staff and families – without whom.....
