### Public Benefit Statement

a.Reduced stress and anxiety, increased confidence in coping with typical problems, raising expectations and therefore helping persons with Downs Syndrome reach their full potential, relieving suffering from medical problems by sharing information. Evidence: Minutes of monthly meetings which record experiences of carers , how they value the support from other members and also how they ( the carers) have acted on the advice from other carers with positive outcomes. Harm: The possible harm is that a negative attitude can be fostered which can influence a carers expectations and reduce use of a service. This is countered by way of consciously encouraging a problem solving approach. Beneficiaries: persons with Downs Syndrome , their families and carers in the Omagh District Council area. Private benefit: The committee is comprised of parents and carers of persons with Downs Syndrome and therefore committee members benefit from outings and functions organised by the group as entire families are invited to attend. This is an incidental unavoidable benefit as all persons with Downs syndrome must be supervised by a carer on outings.

b.Direct benefit: Improved acceptance of persons with Downs Syndrome in places of work and recreation, reducing discrimination and improving employability and access to services such as schools , clubs etc. Evidence: Anecdotal evidence from carers and employers inform us how newspaper articles provoke positive comments from members of the public. More of our members are attending main stream school than in the past. Harm: By increasing knowledge about learning and physical disabilities that are associated with Downs Syndrome this may be interpreted in a negative way but the aim is to emphasise the positive aspects. Beneficiaries: Persons with Downs Syndrome, members of the public who may come into contact with persons with Downs syndrome in place of work , in the playpark , at school etc. Private benefit: none.

c. Direct benefit: relief of suffering , maximising each individuals potential to live an independent life, improved health outcomes Evidence: Minutes of monthly meetings record carer reports of improved communication, increased physical awareness and activity. Scholarly articles from medical journals support the use of interventions such as aids to improve communication. Harm: There is the potential for harm by injury when increasing physical exercise but the benefits outweigh the risks, there is also the potential to increase stammering when there is increased focus on speech development but the benefits outweigh the risks Beneficiaries:Members with Downs Syndrome Private benefit: As committee members are all carers / parents they and / or their families may incidentally benefit from services provided for the person with Downs Syndrome e.g. ipad apps and games to aid communication. This is incidental and necessary.

d.Direct benefit: An organisation or group whose aims are concordant with Omagh area Downs Syndrome support group may be able to further these aims as a result of financial and moral support from our group e.g. the production of a musical involving persons with a learning disability including Downs Syndrome will improve the social skills of the participants , improve confidence and help to develop communication skills Evidence: Direct involvement of our members and or carers mean that first hand accounts are available to the group of the success or otherwise of the sponsored activity. Also the group requests a report (written or verbal) to qualify how its contribution has been used. Harm:Potential for harm arising from this purpose is that direct control of monies is surrendered and money could be misspent , however by asking for reports and attending the activities , this potential is reduced. Private benefit: The group has not knowingly sponsored any activity for private benefit and is satisfied that any monies donated have been spent in accordance with it.

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

for the financial year ended 31 March 2025

The trustees are responsible for preparing the financial statements in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the assets, liabilities and financial position of the charity as at the financial year end date and of the surplus or deficit of the charity and otherwise comply with the Charities Act (Northern Ireland) 2008.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and

The trustees confirm that they have complied with the above requirements in preparing the financial statements.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008. ## **INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES OF OMAGH AREA DOWNS SYNDROME SUPPORT GROUP**

I have examined the financial statements of the charity for the financial year ended 31 March 2025, which comprise the Financial Statements, the Accounting Policies and the related notes.

This report is made solely to the charity's members, as a body, in accordance with the Charities Act (Northern Ireland) 2008. My work has been undertaken so that I might compile the financial statements that I have been engaged to compile, report to the Board of Trustees that I have done so, and state those matters that I have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's members, as a body, for my work, or for this report.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008. The charity's trustees consider that an audit is not required for this financial year under the Charities Act (Northern Ireland) 2008 and that an independent examination is required.

It is my responsibility to:

- examine the financial statements under section 65 of the Charities Act;
- follow the procedures laid down by the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

I have examined your charity financial statements as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 63 of the Charities Act
- the financial statements do not accord with those accounting records
- there is further information needed for a proper understanding of the accounts to be reached.

### **Independent examiner's statement**

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## Reference and Administrative details

We have an elected chairperson, secretary & treasurer with designated roles within the group. We also have a total of seven Trustees of which all assist in the efficient running of the organisation.

## Public Benefit Statement

a.Reduced stress and anxiety, increased confidence in coping with typical problems, raising expectations and therefore helping persons with Downs Syndrome reach their full potential, relieving suffering from medical problems by sharing information. Evidence: Minutes of monthly meetings which record experiences of carers , how they value the support from other members and also how they ( the carers) have acted on the advice from other carers with positive outcomes. Harm: The possible harm is that a negative attitude can be fostered which can influence a carers expectations and reduce use of a service. This is countered by way of consciously encouraging a problem solving approach. Beneficiaries: persons with Downs Syndrome , their families and carers in the Omagh District Council area. Private benefit: The committee is comprised of parents and carers of persons with Downs Syndrome and therefore committee members benefit from outings and functions organised by the group as entire families are invited to attend. This is an incidental unavoidable benefit as all persons with Downs syndrome must be supervised by a carer on outings.

b.Direct benefit: Improved acceptance of persons with Downs Syndrome in places of work and recreation, reducing discrimination and improving employability and access to services such as schools , clubs etc. Evidence: Anecdotal evidence from carers and employers inform us how newspaper articles provoke positive comments from members of the public. More of our members are attending main stream school than in the past. Harm: By increasing knowledge about learning and physical disabilities that are associated with Downs Syndrome this may be interpreted in a negative way but the aim is to emphasise the positive aspects. Beneficiaries: Persons with Downs Syndrome, members of the public who may come into contact with persons with Downs syndrome in place of work , in the playpark , at school etc. Private benefit: none.

c. Direct benefit: relief of suffering , maximising each individuals potential to live an independent life, improved health outcomes Evidence: Minutes of monthly meetings record carer reports of improved communication, increased physical awareness and activity. Scholarly articles from medical journals support the use of interventions such as aids to improve communication. Harm: There is the potential for harm by injury when increasing physical exercise but the benefits outweigh the risks, there is also the potential to increase stammering when there is increased focus on speech development but the benefits outweigh the risks Beneficiaries:Members with Downs Syndrome Private benefit: As committee members are all carers / parents they and / or their families may incidentally benefit from services provided for the person with Downs Syndrome e.g. ipad apps and games to aid communication. This is incidental and necessary.

d.Direct benefit: An organisation or group whose aims are concordant with Omagh area Downs Syndrome support group may be able to further these aims as a result of financial and moral support from our group e.g. the production of a musical involving persons with a learning disability including Downs Syndrome will improve the social skills of the participants , improve confidence and help to develop communication skills Evidence: Direct involvement of our members and or carers mean that first hand accounts are available to the group of the success or otherwise of the sponsored activity. Also the group requests a report (written or verbal) to qualify how its contribution has been used. Harm:Potential for harm arising from this purpose is that direct control of monies is surrendered and money could be misspent , however by asking for reports and attending the activities , this potential is reduced. Private benefit: The group has not knowingly sponsored any activity for private benefit and is satisfied that any monies donated have been spent in accordance with it.

# **Omagh Area Downs Syndrome Support Group INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES OF OMAGH AREA DOWNS SYNDROME SUPPORT GROUP**

I have examined the financial statements of the charity for the financial year ended 31 March 2024, which comprise the Financial Statements, the Accounting Policies and the related notes.

This report is made solely to the charity's members, as a body, in accordance with the Charities Act (Northern Ireland) 2008. My work has been undertaken so that I might compile the financial statements that I have been engaged to compile, report to the Board of Trustees that I have done so, and state those matters that I have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's members, as a body, for my work, or for this report.

## **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008. The charity's trustees consider that an audit is not required for this financial year under the Charities Act (Northern Ireland) 2008 and that an independent examination is required.

It is my responsibility to:

- examine the financial statements under section 65 of the Charities Act;
- follow the procedures laid down by the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- state whether particular matters have come to my attention.

## **Basis of independent examiner's report**

I have examined your charity financial statements as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 63 of the Charities Act
- the financial statements do not accord with those accounting records
- there is further information needed for a proper understanding of the accounts to be reached.

## **Independent examiner's statement**

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## Public Benefit Statement

a.Reduced stress and anxiety, increased confidence in coping with typical problems, raising expectations and therefore helping persons with Downs Syndrome reach their full potential, relieving suffering from medical problems by sharing information. Evidence: Minutes of monthly meetings which record experiences of carers , how they value the support from other members and also how they ( the carers) have acted on the advice from other carers with positive outcomes. Harm: The possible harm is that a negative attitude can be fostered which can influence a carers expectations and reduce use of a service. This is countered by way of consciously encouraging a problem solving approach. Beneficiaries: persons with Downs Syndrome , their families and carers in the Omagh District Council area. Private benefit: The committee is comprised of parents and carers of persons with Downs Syndrome and therefore committee members benefit from outings and functions organised by the group as entire families are invited to attend. This is an incidental unavoidable benefit as all persons with Downs syndrome must be supervised by a carer on outings.

b.Direct benefit: Improved acceptance of persons with Downs Syndrome in places of work and recreation, reducing discrimination and improving employability and access to services such as schools , clubs etc. Evidence: Anecdotal evidence from carers and employers inform us how newspaper articles provoke positive comments from members of the public. More of our members are attending main stream school than in the past. Harm: By increasing knowledge about learning and physical disabilities that are associated with Downs Syndrome this may be interpreted in a negative way but the aim is to emphasise the positive aspects. Beneficiaries: Persons with Downs Syndrome, members of the public who may come into contact with persons with Downs syndrome in place of work , in the playpark , at school etc. Private benefit: none.

c. Direct benefit: relief of suffering , maximising each individuals potential to live an independent life, improved health outcomes Evidence: Minutes of monthly meetings record carer reports of improved communication, increased physical awareness and activity. Scholarly articles from medical journals support the use of interventions such as aids to improve communication. Harm: There is the potential for harm by injury when increasing physical exercise but the benefits outweigh the risks, there is also the potential to increase stammering when there is increased focus on speech development but the benefits outweigh the risks Beneficiaries:Members with Downs Syndrome Private benefit: As committee members are all carers / parents they and / or their families may incidentally benefit from services provided for the person with Downs Syndrome e.g. ipad apps and games to aid communication. This is incidental and necessary.

d.Direct benefit: An organisation or group whose aims are concordant with Omagh area Downs Syndrome support group may be able to further these aims as a result of financial and moral support from our group e.g. the production of a musical involving persons with a learning disability including Downs Syndrome will improve the social skills of the participants , improve confidence and help to develop communication skills Evidence: Direct involvement of our members and or carers mean that first hand accounts are available to the group of the success or otherwise of the sponsored activity. Also the group requests a report (written or verbal) to qualify how its contribution has been used. Harm:Potential for harm arising from this purpose is that direct control of monies is surrendered and money could be misspent , however by asking for reports and attending the activities , this potential is reduced. Private benefit: The group has not knowingly sponsored any activity for private benefit and is satisfied that any monies donated have been spent in accordance with it.

## **INDEPENDENT EXAMINER'S REPORT TO THE BOARD OF TRUSTEES OF OMAGH AREA DOWNS SYNDROME SUPPORT GROUP**

I have examined the financial statements of the charity for the financial year ended 31 March 2023, which comprise the Financial Statements, the Accounting Policies and the related notes.

This report is made solely to the charity's members, as a body, in accordance with the Charities Act (Northern Ireland) 2008. My work has been undertaken so that I might compile the financial statements that I have been engaged to compile, report to the Board of Trustees that I have done so, and state those matters that I have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's members, as a body, for my work, or for this report.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008. The charity's trustees consider that an audit is not required for this financial year under the Charities Act (Northern Ireland) 2008 and that an independent examination is required.

It is my responsibility to:

- examine the financial statements under section 65 of the Charities Act;
- follow the procedures laid down by the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

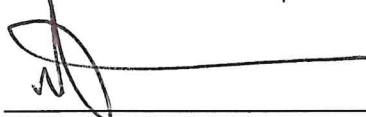

I have examined your charity financial statements as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 63 of the Charities Act
- the financial statements do not accord with those accounting records
- there is further information needed for a proper understanding of the accounts to be reached.

### **Independent examiner's statement**

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.
