CLUB UNITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2019

The Trustees present their report and financial statements for the year ended 31 August 2019.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The principal objective of the club is the provision of childcare facilities, after school clubs and summer schemes.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Public Benefit

The objectives of the Trust are as listed. The Trust has considered the UK Charity Commission's guidance on public benefit and plans to ensure that it provides public benefit and achieves its objectives as set out in the Trust's Memorandum and Articles of Association.

The trustees give careful consideration to accessibility for all without discrimination on grounds of politics, religion, race, social or economic background.

Achievements and performance

During the year Club United has provided appropriate childcare facilities on a daily basis for children aged between 4 and 12 years old. The care is provided for all children regardless of religion, culture race or means. The club operated on a charitable non-trading basis. We have worked alongside parents and carers to ensure they were involved in the planning of activities to ensure the best interests of the children were catered for as well as offering numerous play opportunities for them. We planned and organised activities, trips and workshops in relation to different cultures and beliefs to ensure that each child was catered for. We provided a summer scheme over the months of July and August where children got the opportunity to take part in the fun and stimulating activities planned. This project included workshops and outings for the children to attend which gave opportunity for them to explore and learn from different cultures and beliefs.

The objective of the project was to educate and inform children of the benefits of cultural diversity. It also provided opportunity for children to play together in a neutral environment and build lasting friendships with peers from different religious and cultural backgrounds whilst having fun.

Club United studied the needs of children within the setting and with the experience and knowledge of our qualified staff we recognised the needs of children and families within our local communities. We have provided a safe, caring and stimulating environment for the children to attend whilst giving parents and carers the opportunity to return to work or training by providing these services at an affordable cost.

Financial review

The results for the year are set out on page 7.

Total incoming resources for the year were £76,657 of which 29% was generated from grants.

Total resources expended were £83,487 of which 90% was expended on direct activities.

CLUB UNITED

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2019

Reserves Policy

The Trust aims to continue to increase reserves to ensure the stability of programmes, employment and everyday operations of the organisation.

The Trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Going Concern

Having reviewed the Trust's forecasts, the trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. The principal factors underlying this judgement include:

- Current levels of financial performance by comparison with budgeted expectations;
- Continuing support from the funders

Accordingly, the Trust continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Structure, governance and management

Governing Document

Club United is governed by its Memorandum and Articles of Association dated 8th February 2002.

The Trust is a charitable company limited by guarantee and accepted as a charity by HM Revenue and Customs under reference XR60594.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

CLUB UNITED

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2019

Risk Management

The charity has developed a Risk Management Policy in relation to welfare and protection of the children who are members of the club. A Corporate Financial Risk Register is being drawn up to prioritise the risks requiring action. Risk Registers will be reviewed and updated on a regular basis or as soon as a potential risk is identified. Analysis for each risk will be detailed in the Risk Register together with the controls currently in place to mitigate the risk and the further actions required to minimise the risk.

Organisation

The Board of Trustees which administers the Trust meets on a monthly basis.

Trustee Induction

All new trustees are given an induction and provided with relevant documentation.

Statement of Trustees' responsibilities

The Trustees, who are also the directors of Club United for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' report was approved by the Board of Trustees.

CLUB UNITED

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CLUB UNITED

I report to the Trustees on my examination of the financial statements of Club United (the charity) for the year ended 31 August 2019.

Responsibilities and basis of report

As the Trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

Charity information

Club United is a private company limited by guarantee incorporated in Northern Ireland. The registered office is, Club United - Unit 1, Glendermott Valley Business Park, Church Brae, Londonderry, BT47 3QR.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Designated funds are unrestricted funds set aside at the discretion of the trustees for specific purposes. The designated funds for fixed assets is that part of unrestricted funds that represents fixed assets held.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

Expenditure on charitable activities includes the costs of services undertaken to further the purposes of the charity and their associated support costs.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% straight line
Fixtures and fittings	10% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

CLUB UNITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 AUGUST 2018

The Trustees present their report and financial statements for the year ended 31 August 2018.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The principal objective of the club is the provision of childcare facilities, after school clubs and summer schemes.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Public Benefit

The objectives of the Trust are as listed. The Trust has considered the UK Charity Commission's guidance on public benefit and plans to ensure that it provides public benefit and achieves its objectives as set out in the Trust's Memorandum and Articles of Association.

The trustees give careful consideration to accessibility for all without discrimination on grounds of politics, religion, race, social or economic background.

Achievements and performance

During the year Club United has provided appropriate childcare facilities on a daily basis for children aged between 4 and 12 years old. The care is provided for all children regardless of religion, culture race or means. The club operated on a charitable non-trading basis. We have worked alongside parents and carers to ensure they were involved in the planning of activities to ensure the best interests of the children were catered for as well as offering numerous play opportunities for them. We planned and organised activities, trips and workshops in relation to different cultures and beliefs to ensure that each child was catered for. We provided a summer scheme over the months of July and August where children got the opportunity to take part in the fun and stimulating activities planned. This project included workshops and outings for the children to attend which gave opportunity for them to explore and learn from different cultures and beliefs.

The objective of the project was to educate and inform children of the benefits of cultural diversity. It also provided opportunity for children to play together in a neutral environment and build lasting friendships with peers from different religious and cultural backgrounds whilst having fun.

Club United studied the needs of children within the setting and with the experience and knowledge of our qualified staff we recognised the needs of children and families within our local communities. We have provided a safe, caring and stimulating environment for the children to attend whilst giving parents and carers the opportunity to return to work or training by providing these services at an affordable cost.

Financial review

The results for the year are set out on page 7.

Total incoming resources for the year were £86,816 of which 21% was generated from grants.

Total resources expended were £93,257 of which 81% was expended on direct activities.

CLUB UNITED

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2018

Reserves Policy

The Trust aims to continue to increase reserves to ensure the stability of programmes, employment and everyday operations of the organisation.

The Trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Going Concern

Having reviewed the Trust's forecasts, the trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. The principal factors underlying this judgement include:

- Current levels of financial performance by comparison with budgeted expectations;
- Continuing support from the funders

Accordingly, the Trust continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Structure, governance and management

Governing Document

Club United is governed by its Memorandum and Articles of Association dated 8th February 2002.

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 AUGUST 2018

Appointment of Trustees

The Charity Trustees are also Directors of the company. A Trustee is initially elected by the Board in accordance with the Memorandum and Articles of Association.

Risk Management

The charity has developed a Risk Management Policy in relation to welfare and protection of the children who are members of the club. A Corporate Financial Risk Register is being drawn up to prioritise the risks requiring action. Risk Registers will be reviewed and updated on a regular basis or as soon as a potential risk is identified. Analysis for each risk will be detailed in the Risk Register together with the controls currently in place to mitigate the risk and the further actions required to minimise the risk.

Organisation

The Board of Trustees which administers the Trust meets on a monthly basis.

Trustee Induction

All new trustees are given an induction and provided with relevant documentation.

Statement of Trustees' responsibilities

The Trustees, who are also the directors of Club United for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CLUB UNITED

I report to the Trustees on my examination of the financial statements of Club United (the charity) for the year ended 31 August 2018.

Responsibilities and basis of report

As the Trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

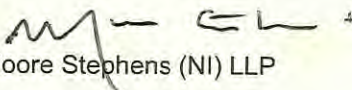

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2018

1 Accounting policies

Charity information

Club United is a private company limited by guarantee incorporated in Northern Ireland. The registered office is , Club United - Unit 1, Glendermott Valley Business Park, Church Brae, Londonderry, BT47 3QR.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Designated funds are unrestricted funds set aside at the discretion of the trustees for specific purposes. The designated funds for fixed assets is that part of unrestricted funds that represents fixed assets held.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2018

1 Accounting policies

(Continued)

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Expenditure on charitable activities includes the costs of services undertaken to further the purposes of the charity and their associated support costs.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% straight line
Fixtures and fittings	10% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2018

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Objectives and activities

The principal objective of the club is the provision of childcare facilities, after school clubs and summer schemes.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Public Benefit

The objectives of the Trust are as listed. The Trust has considered the UK Charity Commission's guidance on public benefit and plans to ensure that it provides public benefit and achieves its objectives as set out in the Trust's Memorandum and Articles of Association.

The trustees give careful consideration to accessibility for all without discrimination on grounds of politics, religion, race, social or economic background.

Achievements and performance

During the year Club United has provided appropriate childcare facilities on a daily basis for children aged between 4 and 12 years old. The care is provided for all children regardless of religion, culture race or means. The club operated on a charitable non-trading basis. We have worked alongside parents and carers to ensure they were involved in the planning of activities to ensure the best interests of the children were catered for as well as offering numerous play opportunities for them. We planned and organised activities, trips and workshops in relation to different cultures and beliefs to ensure that each child was catered for. We provided a summer scheme over the months of July and August where children got the opportunity to take part in the fun and stimulating activities planned. This project included workshops and outings for the children to attend which gave opportunity for them to explore and learn from different cultures and beliefs.

The objective of the project was to educate and inform children of the benefits of cultural diversity. It also provided opportunity for children to play together in a neutral environment and build lasting friendships with peers from different religious and cultural backgrounds whilst having fun.

Club United studied the needs of children within the setting and with the experience and knowledge of our qualified staff we recognised the needs of children and families within our local communities. We have provided a safe, caring and stimulating environment for the children to attend whilst giving parents and carers the opportunity to return to work or training by providing these services at an affordable cost.

Financial review

The results for the year are set out on page 7.

Total incoming resources for the year were £86,816 of which 21% was generated from grants.

Total resources expended were £93,257 of which 81% was expended on direct activities.

Reserves Policy

The Trust aims to continue to increase reserves to ensure the stability of programmes, employment and everyday operations of the organisation.

The Trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Going Concern

Having reviewed the Trust's forecasts, the trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. The principal factors underlying this judgement include:

- Current levels of financial performance by comparison with budgeted expectations;
- Continuing support from the funders

Accordingly, the Trust continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Appointment of Trustees

The Charity Trustees are also Directors of the company. A Trustee is initially elected by the Board in accordance with the Memorandum and Articles of Association.

Risk Management

The charity has developed a Risk Management Policy in relation to welfare and protection of the children who are members of the club. A Corporate Financial Risk Register is being drawn up to prioritise the risks requiring action. Risk Registers will be reviewed and updated on a regular basis or as soon as a potential risk is identified. Analysis for each risk will be detailed in the Risk Register together with the controls currently in place to mitigate the risk and the further actions required to minimise the risk.

Organisation

The Board of Trustees which administers the Trust meets on a monthly basis.

Trustee Induction

All new trustees are given an induction and provided with relevant documentation.

Statement of Trustees' responsibilities

The Trustees, who are also the directors of Club United for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

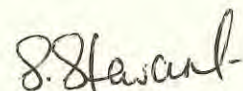

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CLUB UNITED

I report to the Trustees on my examination of the financial statements of Club United (the charity) for the year ended 31 August 2018.

Responsibilities and basis of report

As the Trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

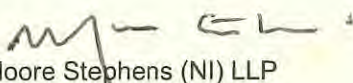

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

CLUB UNITED

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CLUB UNITED

We report on the accounts of the charity for the year ended 31 August 2017, which are set out on pages 7 to 16.

Respective responsibilities of Trustees and examiner

The trustees, who are also the directors of Club United for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006.

Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to:

- (i) examine the accounts under section 65 of the Charities Act
- (ii) follow the procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act
- (iii) state whether particular matters have come to our attention.

Basis of independent examiner's report

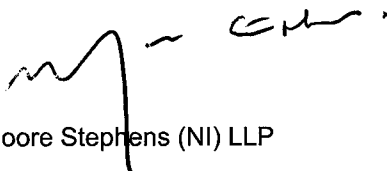

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 386 of the Companies Act 2006
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

Charity information

Club United is a private company limited by guarantee incorporated in Northern Ireland. The registered office is , Club United - Unit 1, Glendermott Valley Business Park, Church Brae, Londonderry, BT47 3QR.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Designated funds are unrestricted funds set aside at the discretion of the trustees for specific purposes. The designated funds for fixed assets is that part of unrestricted funds that represents fixed assets held.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1.5 Resources expended

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

(Continued)

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Expenditure on charitable activities includes the costs of services undertaken to further the purposes of the charity and their associated support costs.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% straight line
Fixtures and fittings	10% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

CLUB UNITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Annual report

AGM – STAFF REPORT – Tuesday 18 April 2017

The past year has been a success for the club.

Financially, we have built up a good reserve which would allow the club to continue for 3 months if funding were to suddenly cease. We have secured grant monies from various sources to cover salaries, training, workshops and rent.

Fees are being paid on time or in advance. The fees policy in place is being followed which ensures large debts are unable to be build up. All essential financial records are being kept monthly i.e. income & expenditure records and bank reconciliations. This ensures openness and transparency as well as control on finances. All payments are authorised and approved by two signatories for our account.

We received the following grant monies:

Derry City Council:	£3988.52 (Towards Summer Scheme)
Bright Start (Playboard)	£12,637.50 (Towards salaries)
Halifax Foundation	£3500 (Towards the cost of rent)
Community Foundation	£1465.45 (Towards new resources)
Caw/Nelson Drive Action Group	£750.00 (Towards Summer Scheme)
Accounting NI	£1050 (Towards Level 5 Qualification)
HSCB	£510.98 (New Laptop and Phones)
Braidwater	£500 (Towards Refurbishment)

The club needs the committee to take on board their responsibilities if we are to survive. Funding will not always be available. Funding from Playboard has been secured for one more year. The club needs to work actively towards sustainability. I feel that each committee meeting needs to address this in the future. Each member needs to contribute positively and work together towards ensuring the club remains successful in years to come.

The staff team has changed; Charlene Metcalfe has been covering Leanne Mc Gahan's maternity post. Charlene has done a great job keeping all records up to date and applying for funding where possible. Leanne is due to start back again next month. The team have pulled together as always over the past year in order to keep the club running efficiently. They have developed their skills and knowledge through valuable training opportunities such as Paediatric first aid, behaviour management, fire safety, child protection and financial workshops. The staff team have worked tirelessly to ensure a safe, warm and stimulating environment for the children attending. The children themselves have expressed happiness and contentment during their time with us. Programme plans have

ensured the developmental and play needs of the children are met. I'd like to thank the staff for their continuing hard work and commitment to the club.

I'd also like to thank those committee members who made an effort last year and helped to make the club a success. Any support is always much appreciated.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CLUB UNITED

We report on the accounts of the charity for the year ended 31 August 2017, which are set out on pages 7 to 16.

Respective responsibilities of Trustees and examiner

The trustees, who are also the directors of Club United for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006.

Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to:

- (i) examine the accounts under section 65 of the Charities Act
- (ii) follow the procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act
- (iii) state whether particular matters have come to our attention.

Basis of independent examiner's report

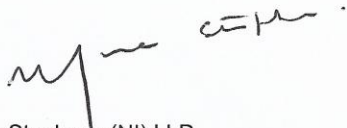

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 386 of the Companies Act 2006
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.
