Annual report

Dunfield Residents and Friends Conservation Association – 102321

Annual report 2018

The Association continues to liaise with residents, maintaining a close watch on development activity and communicating information to and from the Council, Planning Dept, Building Control, the Roads Service and Community Places. A facebook page is maintained for this purpose and all records are kept and available.

No financial activity other than maintaining the bank account, has occurred in this period.

Annual report

DRFCA annual report 2017-18

Throughout these twelve months, members of Dunfield Residents' and Friends' Conservation Association have monitored developments on the Old Quarry site. We have kept both the local community and the wider area up to date with what's happening. Our FB page is updated regularly and we have been interviewed by local media to heighten awareness of our aims and work.

Officers have maintained contact with voluntary and statutory bodies involved with the overall development of the area, to share our views and ethos. The response has been largely supportive and we remain indebted to Community Planning NI for their continuing advice and guidance.

The second print run of our Dunfield local history booklet has all but sold out. The associated display was on show in Hillcrest Community Centre for a month and attracted widespread interest.
