1. Chair's Report

During the year it was my pleasure to chair Pride of the Park Flute Band.

We obtained funding from Causeway Coast and Glens Council. We also worked with North Antrim Community Network and achieved funding from them for equipment.

We ran our annual festival which was back to normal and returned fully to band practice and tuition.

Thanks are due to everyone who has supported our organisation during the year, having attended, volunteered, contributed to any of the organisations activities as we aim to ensure that we bring a public benefit from our organisations existence.

2. Music Tuition

One of our main public benefits of our group is to provide musical tuition for anyone who is interested in learning a traditional Ulster-Scots instruments regardless of age or ability in either the flute or drum. All our tutors are chosen based on their expertise and their track record of educating people in their specialist field.

a) Flute Tuition

Weekly tuition took place every Monday, in the Orange Hall and currently there are 6 students who undertake this activity on a weekly basis.

b) Drum Tuition

Weekly tuition takes place every Monday, in the Orange hall and currently there are around 7 students who undertake this activity on a weekly basis. The students have gained a great depth of knowledge during this programme.

3. Summer Festival

The festival was moved back to the start of July and we had a very successful summer event, with increased numbers enjoying the activities and fireworks.

Overall, the festival returned to pre-pandemic levels in relation to numbers attending.

4. Management and Community Training
