Lise introduced and welcomed a new volunteer.

**Reports**

There had been several trips out for meals earlier in the year that the club had thoroughly enjoyed.

Numbers of the groups have fallen this year; there was much discussion over what to do next. There had been an Open afternoon organised by CDRCN in Harrys Place in May and only one new member in attendance at this.

**Treasurers Report**

Due to ill health Francis can no longer manage the finances for the group. He would like someone to take this over. The current bank balance on 31<sup>st</sup> July stands at £1,515.18. Lise to take books and bank statements and draw up accounts and verify these.

**Election of Committee**

This did not take place as there were only 6 members present, and the group needs better numbers to keep going.

It was agreed that Lise would organise 4 weeks of crafts in Ballynahinch Community Centre. The new meeting room is available for £9 per hour. CDRCN will pay for the rent and provide and pay the artist. After this to see what numbers are like and go from there.

**AGM finished at 2.45pm.**
