Achievements and performance

During the year the charity has delivered courses, presented classes and run fellowships to teach people how to understand and apply the Bible.

Financial review

During the year donations of £27,898 were received. Total costs for the year were £29,598. This left a cash deficit for the year of £1,700 which was funded from opening reserves. At the year end the Charity had reserves of £5,116.

The Trustees were pleased with the results for the year. All the reserves at the year end were all unrestricted.

Reserves policy and going concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency costs. Due to the nature of Charity the Trustees consider that it is not necessary to have any reserves as the charitable activities can be continued without any income.

The Trustees have reviewed the circumstances of the Charity and consider that there are adequate funds for the foreseeable future. The directors are of the view that the Charity is a going concern.

Volunteers

The Charity is very involved in the community and we rely on voluntary help. We are assisted by volunteers who help organise classes and fellowships.

Achievements and performance

During the year the charity has delivered courses, presented classes and run fellowships to teach people how to understand and apply the Bible.

Financial review

During the year donations of £28,312 were received. Total costs for the year were £24,913. This left a cash surplus for the year of £3,399. At the year end the Charity had reserves of £6,816.

Reserves policy and going concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency costs. Due to the nature of Charity the Trustees consider that it is not necessary to have any reserves as the charitable activities can be continued without any income.

The Trustees have reviewed the circumstances of the Charity and consider that there are adequate funds for the foreseeable future. The directors are of the view that the Charity is a going concern.

Volunteers

The Charity is very involved in the community and we rely on voluntary help. We are assisted by volunteers who help organise classes and fellowships.

Achievements and performance

During the year the charity has delivered courses, presented classes and run fellowships to teach people how to understand and apply the Bible.

Financial review

During the year donations of £21,976 were received. Total costs for the year were £20,526. This left a cash surplus for the year of £1,450. At the year end the Charity had reserves of £3,417.

The Trustees were pleased with the results for the year. All the reserves at the year end were all unrestricted.

Reserves policy and going concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency costs. Due to the nature of Charity the Trustees consider that it is not necessary to have any reserves as the charitable activities can be continued without any income.

The Trustees have reviewed the circumstances of the Charity and consider that there are adequate funds for the foreseeable future. The directors are of the view that the Charity is a going concern.

Plans for future periods

We plan to continue to offer classes to advance and promote the worship of God.
