Independent Examiner's Report to the Directors of THE A & D TRUST LIMITED

Year ended 31 May 2017

I report on the financial statements for the year ended 31 May 2017, which comprise the statement of financial activities (including income and expenditure account), statement of financial position and the related notes.

Respective responsibilities of directors and examiner

The charity's directors (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied myself that the charity is not subject to audit under company law, and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 65 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from the directors concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 386 of the Companies Act 2006
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.
4. That there is further information needed for a proper understanding of the accounts to be reached.

Notes to the Financial Statements
Year ended 31 May 2017

1. General information

The charity is a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is 41 CULCAVY ROAD, HILLSBOROUGH, CO DOWN, BT26 6JD.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Transition to FRS 102

The entity transitioned from previous UK GAAP to FRS 102 as at 6 May 15. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 16.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the directors for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

THE A & D TRUST LIMITED

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 May 2017

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

NOTES TO THE FINANCIAL STATEMENTS

PERIOD FROM 6TH MAY 2015 TO 31ST MAY 2016

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and investments measured at market value. The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015), and the requirements of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) (SORP 2015).

Fixed assets

All fixed assets are initially recorded at cost.

Change in accounting policy

From the 6 May 2015 the company became registered as a charity, though the purpose of the Company did not change. As a result of registering as a charity the Company now has to prepare accounts that comply with the Charities SORP 2015. This resulted in change in the accounting policies of the Company. The above had no impact on the results of the Company in both 2015 and 2016. It did however result in a change in the format and layout of the accounts.

2. DONATIONS AND LEGACIES
