1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard)

Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

Intangible fixed assets

Intangible fixed assets are measured at cost less accumulative amortisation and any accumulative impairment losses.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Freehold buildings	over 50 years
Leasehold land and buildings	over the lease term
Plant and machinery	over 5 years
Fixtures, fittings, tools and equipment	over 5 years

Investments

Investments in subsidiaries, associates and joint ventures are measured at cost less any accumulated impairment losses. Listed investments are measured at fair value. Unlisted investments are measured at fair value unless the value cannot be measured reliably, in which case they are measured at cost less any accumulated impairment losses. Changes in fair value are included in the profit and loss account.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first in first out method. The carrying amount of stock sold is recognised as an expense in the period in which the related revenue is recognised.

Debtors

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

Creditors

Redeemed Christian Church of God Place of Victory For All Nations, Belfast
Notes to the Accounts
for the year ended 31 March 2025

Short term creditors are measured at transaction price (which is usually the invoice price) Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method

Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods A current tax asset is recognised in respect of a tax loss that can be carried back to recover tax paid in a previous period Deferred tax is recognised in respect of all timing differences between the recognition of income and expenses in the financial statements and their inclusion in tax assessments Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference, except for revalued land and investment property where the tax rate that applies to the sale of the asset is used Current and deferred tax assets and liabilities are not discounted

Provisions

Provisions (ie liabilities of uncertain timing or amount) are recognised when there is an obligation at the reporting date as a result of a past event, it is probable that economic benefit will be transferred to settle the obligation and the amount of the obligation can be estimated reliably

Foreign currency translation

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction All differences are charged to profit or loss

Leased assets

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership All other leases are classified as operating leases The rights of use and obligations under finance leases are initially recognised as assets and liabilities at amounts equal to the fair value of the leased assets or, if lower, the present value of the minimum lease payments Minimum lease payments are apportioned between the finance charge and the reduction in the outstanding liability using the effective interest rate method The finance charge is allocated to each period during the lease so as to produce a constant periodic rate of interest on the remaining balance of the liability Leased assets are depreciated in accordance with the company's policy for tangible fixed assets If there is no reasonable certainty that ownership will be obtained at the end of the lease term, the asset is depreciated over the lower of the lease term and its useful life Operating lease payments are recognised as an expense on a straight line basis over the lease term

Pensions

Contributions to defined contribution plans are expensed in the period to which they relate

Financial Review

Review of the charity's financial position at the end of the period	<p>The income for this period was £269,924, a 13% increase from the previous year. The previous year had seen a greater increase due to donations to the building fund and receipt of major grant funding for our community projects. The expenditure was £190,272, a 53% increase from the previous year. This was as a result of increased overhead costs such as rent and utilities, increased need for welfare support to relieve hardship for individuals and families, and the increased costs of running our community services.</p>
Statement explaining the policy for holding reserves stating why they are held	<p>Since the charity relies largely on its members' donations, reserves are held to ensure the charity has sufficient funds to meet its obligations and provide services to the public. The amount held as reserves therefore is intended to cover the charity's major outgoings for a 3-month period, namely:</p> <ul style="list-style-type: none"> ● Rent 7 Utilities ● Salaries ● Insurances <p>The charity is also raising funds towards acquiring a building that will serve as its permanent base. Independent examiner's report to the charity trustees of RCCG Place of Victory for All Nations, Belfast Charitable Company

I report on the accounts of the charity for the year ended 31 March 2024, which are set out on page 3.

Respective responsibilities of charity trustees and examiner

As the charity trustees (and also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied myself that the charity is not subject to audit under company law, and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 65 of the Charities Act
- follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act
- state whether particular matters have come to my attention.

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

My examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of the Charities Act
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.
