Public benefits

The benefits flowing from the purposes of Tobertinys Community Playgroup are that parents of pre-school children from Tobermore and surrounding areas have an opportunity to be looked after in a safe and stimulating environment under the care of suitably qualified play leaders. Their children benefit from being able to attend such a facility close to their own homes where there is no regular public transport. They benefit from the fact that they have access to both education and recreation in safe and secure facilities in an organisation managed by their own parents and local people. The community benefits by securing this facility for local children and therefore being able to offer the service at reasonable prices affordable to local parents. There is no private benefit flowing from these purposes except for the salaries of the personnel employed by the project which is necessary for the running of the project. These benefits are measured by the numbers of children coming to the facility each year. They are also measured by consultations with the children themselves who regularly evaluate their own activities. Feedback is also obtained by parents at least twice a year but most parents get a daily report on the progress of their child and so the benefits are often measured by the one to one interview with parents which incur on a regular basis. There is no harm flowing from these purposes.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Trustees' Report

During this term we have been thankful to be working towards some inhouse improvements to the area of which the children play. Structure of the floor / painting and new furniture all has been done and with a vision of replacement of old radiators which have been in place for 20+years.

These developments go ahead towards brightening and creating that safe, happy and engaging area for children to learn and grow. With the wonderful team within Tober Tinys they continue to raise the standard and ensure that initiatives are taken forward with the help of the some of the financial supporting grants that are on offer.

The team structurally has not changed, and it has strengthened with the support of all working and collaborating and supporting Chloe in her new full-time role. At midway point the team have met the milestones that we usually set, and children have all settled in well and parents providing great feedback. Congratulations to the team and especially Clare, for continuing to lead the team which such focus, determination and kindness and I am confident that the best is always achieved because of the excellent teamwork and leadership that exists.

Thankful for Pathway funding again which aids the running of Tober Tinys financially and allows our team to provide the best educational tools and safe environment for our children. This has just been recently confirmed, and money will be reaching our account soon.

We have our 25 Anniversary coming up now in April so there are lots of fun things happening for the children and families of playgroup, but also in the community for past and present children / families and local businesses and residents. The team have all been working hard to achieve a fantastic celebration.

Financial review

All the funds administered in grants by the charity are governed by procedures and policies laid down and agreed in advance between the charity and those partners funding the grant schemes.

All financial procedures for the group are reviewed annually to ensure that all policies and procedures are updated to conform to any new financial legislation that has been introduced.

Statement of trustees' responsibilities

The Constitution requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of Tober Tinys Community Playgroup and of the surplus or deficit for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that Tober Tinys Community Playgroup will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of Tober Tinys Community Playgroup and to enable the trustees to ensure that the financial statements comply with the Constitution. The trustees are also responsible for safeguarding the assets of Tober Tinys Community Playgroup and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accountancy policy note(s). The financial statements are prepared on a going concern basis.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Fund accounting

Unrestricted funds are available for use at the discretion of the committee in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the provider of the funds.

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Investment income is included when receivable.

Any income received by the charity in advance of the due date upon which it becomes receivable is deferred until that due date.

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

1.4 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.5 Equity instruments

Equity instruments issued by the charity are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the charity.

1.6 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.7 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.8 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the balance sheet as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to profit or loss so as to produce a constant periodic rate of interest on the remaining balance of the liability.

2 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Trustees' Report

Now as I complete my 3rd term as Chairperson of Tober Tiny's I continue to be fulfilled and excited for what our community based Tober Tinys Playgroup offers and how they support, listen and engage with the ever growing demand. For the second year running we have been over subscribed and had a full competency starting in September again. This year came with a few changes, as Muriel McCarroll left to take up a new post, with Alex Smyth, at the time Playgroup Assistant took position of Deputy Leader. Playgroup Assistant role remained with Jacqui Mullholland and a newly appointed Playgroup Assistant came onboard, Erin Moore. Our leader Clare Montgomery, continued to lead this team through these changes and at a time also which was personally challenging with the sad loss of her father and uncle. The strength of the team has been exemplarily over this past year. Further changes occurred with Playgroup Assistant Erin leaving due to ill health and Trainee Chloe Patterson after finishing her exams was now qualified to be appointed as Playgroup Assistant.

I would like to congratulate the team for all they have achieved in the 2023/2024 year and the collective effort from all the staff, embracing the challenges and working hard to ensure standards were maintained to the high level that exist. Thank you also to Jenna Pickering who joined the team as a funded place from the EA for a statement child. Each staff member brings their own special trait that makes Tober Tinys the welcoming, exciting and happy place of learning for each child and promotes confidence to the parents. To Clare, I congratulate you for continuing to lead the team which such focus, determination and kindness and I am confident that the best is always achieved because of the excellent teamwork and leadership that exists.

This year has seen us stabilise for the first time since the pandemic and whilst its been slightly harder to manage that we don't overspend, this year was about ensuring that we now have enough to put into the reserves pot, should the worst case scenario ever arise, and this is a positive step in the right direction. I say this with the backup of some great funding opportunities that we have been successful in and namely the Pathway Fund, which without we simply would not be able to function like we have. The Staff Team and committee continue to fundraise which has helped to modernise Tober Tinys in updating the tables and chairs for the children, the outside play area has had a clean up and general maintenance. I would like to again thank TBD for their donation this year again to Tober Tiny's and donations from family of playgroup users for any fundraising opportunities and the subscriptions / voluntary subscriptions being paid by pre-pre and nursery sessions, all assisted in making the efficient running less of a burden.

I would like to take this opportunity to thank everyone in the management committee for their support this year and their wise council when required, attending meetings and helping with supporting the team. For those that I know are not rejoining, I thank you for giving up your time to play a part in the Tober Tinys Successes over the year or longer.

In terms of successes we have had, thankfully, a content year with the following positives to take forward and acknowledge:

Thankful for Pathway funding again which aids the running of Tober Tinys financially and allows our team to provide the best educational tools and safe environment for our children.

Funding success for an Interactive Screen for the use of more modern learning tools for the children and for activity based learning

Upgrade of the furniture and key important areas for the children to ensure safety is upheld.

Continued supporting team efforts and appreciation for all the work that goes into the Committee Fundraising - coffee morning, quiz sheets, bus runs.

Experience gained and confidence secured in supporting some children with additional or complex needs.

This year comes as our 25 year anniversary and therefore some nice plans will be focused in and around April 2025.

Continue to build the already strong foundations of a good team, build in any new members of the committee / management positions (once the reelection has taken place)

Continuing strong links with the community - easter bonnet walks, Christmas coffee morning, savings club.

Hoping to secure Pathway Fund for another year

Tober Tinys Community Playgroup meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accountancy policy note(s). The financial statements are prepared on a going concern basis.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Turnover

Unrestricted funds are available for use at the discretion of the committee in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the provider of the funds.

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Investment income is included when receivable.

Any income received by the charity in advance of the due date upon which it becomes receivable is deferred until that due date.

1.4 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.5 Equity instruments

Equity instruments issued by the charity are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the charity.

1.6 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

Secretary	Jenna Pickering
Chairperson	Paula Monahan
Trustee	Paula Glendinning
Trustee	Rachele Glendinning
Trustee	Nicola Higgins
Trustee	Amy Patterson
Trustee	Michelle Shiels
Trustee	Gemma Thompson

Public benefits

The benefits flowing from the purposes of Tobertinys Community Playgroup are that parents of pre-school children from Tobermore and surrounding areas have an opportunity to be looked after in a safe and stimulating environment under the care of suitably qualified play leaders. Their children benefit from being able to attend such a facility close to their own homes where there is no regular public transport. They benefit from the fact that they have access to both education and recreation in safe and secure facilities in an organisation managed by their own parents and local people. The community benefits by securing this facility for local children and therefore being able to offer the service at reasonable prices affordable to local parents. There is no private benefit flowing from these purposes except for the salaries of the personnel employed by the project which is necessary for the running of the project. These benefits are measured by the numbers of children coming to the facility each year. They are also measured by consultations with the children themselves who regularly evaluate their own activities. Feedback is also obtained by parents at least twice a year but most parents get a daily report on the progress of their child and so the benefits are often measured by the one to one interview with parents which incur on a regular basis. There is no harm flowing from these purposes.

Aim of the organisation

Tobertinys runs a pre-school facility in the village of Tobermore which is attended by children from Tobermore and surrounding districts. Children are provided with education and recreation facilities and practical assistance for the children where necessary. The Group provides and maintains suitable equipment and facilities for the education and recreation of the children subject to the specifications of social services and DEL. The committee of volunteers manage the team of workers recruit and select them and manage all human resource requirements. They also manage the building ensuring that adequate insurance, properly trained volunteers, parents or guardians of the children all have an input into the appropriate activities of the childcare group. The committee also carries out a range of fund raising activities, ensures the financial well-being and management of the organisation. They also ensure a co-ordinated integrated and holistic approach to young children's learners

Charitable purposes

The Group was established to promote play based learning environments for all children under statutory school age, (hereinafter referred to as the beneficiaries) of the Magherafelt area and its surrounding environs in Co Londonderry (hereinafter called the area of benefit) without distinction of age, gender, marital status, disability, sexual orientation, nationality, ethnic identity, political or religious opinion by associating the statutory authorities, community and voluntary organisations and the inhabitants in a common effort to advance education and in particular to advance the education of the beneficiaries by the provision of safe and satisfying group play with the right of parent/carers to take responsibility for and to become involved in the activities of the group and to promote the preservation of health of the beneficiaries and support the values and principles of early years.

TOBER TINYS COMMUNITY PLAYGROUP

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Trustees' Report

Now as I complete my 3rd term as Chairperson of Tober Tiny's I continue to be fulfilled and excited for what our community based Tober Tinys Playgroup offers and how they support, listen and engage with the ever growing demand. For the second year running we have been over subscribed and had a full competency starting in September again. This year came with a few changes, as Muriel McCarroll left to take up a new post, with Alex Smyth, at the time Playgroup Assistant took position of Deputy Leader. Playgroup Assistant role remained with Jacqui Mullholland and a newly appointed Playgroup Assistant came onboard, Erin Moore. Our leader Clare Montgomery, continued to lead this team through these changes and at a time also which was personally challenging with the sad loss of her father and uncle. The strength of the team has been exemplarily over this past year. Further changes occurred with Playgroup Assistant Erin leaving due to ill health and Trainee Chloe Patterson after finishing her exams was now qualified to be appointed as Playgroup Assistant.

I would like to congratulate the team for all they have achieved in the 2023/2024 year and the collective effort from all the staff, embracing the challenges and working hard to ensure standards were maintained to the high level that exist. Thank you also to Jenna Pickering who joined the team as a funded place from the EA for a statement child. Each staff member brings their own special trait that makes Tober Tinys the welcoming, exciting and happy place of learning for each child and promotes confidence to the parents. To Clare, I congratulate you for continuing to lead the team which such focus, determination and kindness and I am confident that the best is always achieved because of the excellent teamwork and leadership that exists.

This year has seen us stabilise for the first time since the pandemic and whilst its been slightly harder to manage that we don't overspend, this year was about ensuring that we now have enough to put into the reserves pot, should the worst case scenario ever arise, and this is a positive step in the right direction. I say this with the backup of some great funding opportunities that we have been successful in and namely the Pathway Fund, which without we simply would not be able to function like we have. The Staff Team and committee continue to fundraise which has helped to modernise Tober Tinys in updating the tables and chairs for the children, the outside play area has had a clean up and general maintenance. I would like to again thank TBD for their donation this year again to Tober Tiny's and donations from family of playgroup users for any fundraising opportunities and the subscriptions / voluntary subscriptions being paid by pre-pre and nursery sessions, all assisted in making the efficient running less of a burden.

I would like to take this opportunity to thank everyone in the management committee for their support this year and their wise council when required, attending meetings and helping with supporting the team. For those that I know are not rejoining, I thank you for giving up your time to play a part in the Tober Tinys Successes over the year or longer.

In terms of successes we have had, thankfully, a content year with the following positives to take forward and acknowledge:

Thankful for Pathway funding again which aids the running of Tober Tinys financially and allows our team to provide the best educational tools and safe environment for our children.

Funding success for an Interactive Screen for the use of more modern learning tools for the children and for activity based learning

Upgrade of the furniture and key important areas for the children to ensure safety is upheld.

Continued supporting team efforts and appreciation for all the work that goes into the Committee Fundraising - coffee morning, quiz sheets, bus runs.

Experience gained and confidence secured in supporting some children with additional or complex needs.

This year comes as our 25 year anniversary and therefore some nice plans will be focused in and around April 2025.

Continue to build the already strong foundations of a good team, build in any new members of the committee / management positions (once the reelection has taken place)

Continuing strong links with the community - easter bonnet walks, Christmas coffee morning, savings club.

Hoping to secure Pathway Fund for another year

TOBER TINYS COMMUNITY PLAYGROUP

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Continue to put the team and children at the heart of the community based Playgroup and provide assistance were required and the links with neighbouring schools

To promote that we should Smile, Have Fun, Be kind, and talk to one another, to ensure good mental health for all. Finishing lastly with the erection of a New Tober Tinys Community Playgroup Sign which will be purchased from the funds raised at a recent Summer Charity Ball hosted by myself, Chairperson. Funds of £1000 was raised for Tober Tiny's and this new sign will help mark the 25 years with a new fresh look for Tobers

In closing, I would like to encourage you all to become part of the management committee. New faces will bring new skills, experience and ideas all of which are very welcome. Finally I hope that the staff and management committee have a positive start to the year and that this year is a successful one for Tober Tinys Community playgroup.

Public benefits

The benefits flowing from the purposes of Tobertinys Community Playgroup are that parents of pre-school children from Tobermore and surrounding areas have an opportunity to be looked after in a safe and stimulating environment under the care of suitably qualified play leaders. Their children benefit from being able to attend such a facility close to their own homes where there is no regular public transport. They benefit from the fact that they have access to both education and recreation in safe and secure facilities in an organisation managed by their own parents and local people. The community benefits by securing this facility for local children and therefore being able to offer the service at reasonable prices affordable to local parents. There is no private benefit flowing from these purposes except for the salaries of the personnel employed by the project which is necessary for the running of the project. These benefits are measured by the numbers of children coming to the facility each year. They are also measured by consultations with the children themselves who regularly evaluate their own activities. Feedback is also obtained by parents at least twice a year but most parents get a daily report on the progress of their child and so the benefits are often measured by the one to one interview with parents which incur on a regular basis. There is no harm flowing from these purposes.

Aim of the organisation

Tobertinys runs a pre-school facility in the village of Tobermore which is attended by children from Tobermore and surrounding districts. Children are provided with education and recreation facilities and practical assistance for the children where necessary. The Group provides and maintains suitable equipment and facilities for the education and recreation of the children subject to the specifications of social services and DEL. The committee of volunteers manage the team of workers recruit and select them and manage all human resource requirements. They also manage the building ensuring that adequate insurance, properly trained volunteers, parents or guardians of the children all have an input into the appropriate activities of the childcare group. The committee also carries out a range of fund raising activities, ensures the financial well-being and management of the organisation. They also ensure a co-ordinated integrated and holistic approach to young children's learners

Charitable purposes

The Group was established to promote play based learning environments for all children under statutory school age, (hereinafter referred to as the beneficiaries) of the Magherafelt area and its surrounding environs in Co Londonderry (hereinafter called the area of benefit) without distinction of age, gender, marital status, disability, sexual orientation, nationality, ethnic identity, political or religious opinion by associating the statutory authorities, community and voluntary organisations and the inhabitants in a common effort to advance education and in particular to advance the education of the beneficiaries by the provision of safe and satisfying group play with the right of parent/carers to take responsibility for and to become involved in the activities of the group and to promote the preservation of health of the beneficiaries and support the values and principles of early years.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Trustees' Report

I open this report on reflection when I became Chairperson last year. The insight I have gained into the Tober Tinys Community based Playgroup this year has been both fulfilling and rewarding. To listen and engage with the new Leader Clare, new Deputy Muriel and Playgroups Assistants Jacqui and Alex has given me great knowledge on the functions of playgroup and how they utilise their time, resources and become a stronger and stronger team with the children at their focus and heart of it all. Clare you have shown great leadership in your first year as Leader and instantly formed a team that felt supported and valued. Well done for all you have done and achieved this year. Muriel congratulations on your first year as Deputy, your support to all and willingness to help shines through. The collective effort from all the staff, embracing the change and working to new methods that has made this a successful year. Thank you to all the staff, but a particular special thanks to Jacqui and Alex for their continued commitment and dedication to Playgroup, for all the little extras and your experience you bring to the table it is very much appreciated. I am sure you would all like to share your congratulations to the fantastic four.

This year has seen some challenges in that we had a complete new management committee, with a new Chairperson, Secretary and Treasurer and as noted above with a new Leader and Deputy. The initial process of that change over and handover of information and formal changes with the banks were concluded the team worked well together alongside the committee, to help support Clare, Muriel, Jacqui and Alex. Most of us learning on the job, however this made it fun, encouraging and a good working relationship has been formed. I would like to take this opportunity to thank everyone in the management committee for their support this year and their wise council when required, attending meetings and helping with supporting the team. For those that I know are not rejoining, I thank you for giving up your time to play a part in the Tober Tinys Successes over the year or longer.

In terms of successes we have had, thankfully, a content year with the following positives to take forward and acknowledge:

Thankful for Pathway funding again which aids the running of Tober Tinys financially and allows our team to provide the best educational tools and safe environment for our children.

Tober Tinys was able to get a freshen up with paint, new resources were bought and initiative used to maximise space for fun and bright learning for the children. This included ensuring all safety elements were given extra focus and more space was fulfilled especially in reading corner. The outside space looks incredible and special thanks goes to the work outside of hours, additional hours and just generally doing what needs done, over and above their job description.

Appreciated the additional funds that were generated, through TBD donation, Team / Committee Fundraising - coffee morning, quiz sheets, Gala Ball.

In order to give back and promote good Mental Health / Be kind Moto the committee gifted our team with a wellbeing day. This was a way of highlighting the need to look after ourselves whilst we do an important role in work, and at the heart of children, is a team that I wish to continue to support.

Welcoming children from all walks of life, and with additional or complex needs means that training has been increased for certain areas, 2 SEN posts have been advertised with 1 post being filled with our newest member of the team Erin.

Focuses for coming year

Continue to build the already strong foundations of a good team, build in any new members of the committee / management positions (once the reelection has taken place)

Work closely to finalise the Charity Commission replies so that we can remain up to date with their requests.

Continue to put the team and children at the heart of the community based Playgroup and provide assistance were required

Fundraising - what can we do next?

Re-apply for Pathway and any government / council initiatives that we can avail of, considering the economic position we are in with raising cost of living to ensure the survival of our current working methods.

To promote that we should Smile, Have Fun, Be kind, and talk to one another.

TOBER TINYS COMMUNITY PLAYGROUP

1 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

(Continued)

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

2.3 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Most of us learning on the job, however this made it fun, encouraging and a good working relationship has been formed. I would like to take this opportunity to thank everyone in the management committee for their support this year and their wise council when required, attending meetings and helping with supporting the team. For those that I know are not rejoining, I thank you for giving up your time to play a part in the Tober Tinys Successes over the year or longer.

In terms of successes we have had, thankfully, a content year with the following positives to take forward and acknowledge:

Thankful for Pathway funding again which aids the running of Tober Tinys financially and allows our team to provide the best educational tools and safe environment for our children.

Tober Tinys was able to get a freshen up with paint, new resources were bought and initiative used to maximise space for fun and bright learning for the children. This included ensuring all safety elements were given extra focus and more space was fulfilled especially in reading corner. The outside space looks incredible and special thanks goes to the work outside of hours, additional hours and just generally doing what needs done, over and above their job description.

Appreciated the additional funds that were generated, through TBD donation, Team / Committee Fundraising - coffee morning, quiz sheets, Gala Ball.

In order to give back and promote good Mental Health / Be kind Moto the committee gifted our team with a wellbeing day. This was a way of highlighting the need to look after ourselves whilst we do an important role in work, and at the heart of children, is a team that I wish to continue to support.

Welcoming children from all walks of life, and with additional or complex needs means that training has been increased for certain areas, 2 SEN posts have been advertised with 1 post being filled with our newest member of the team Erin.

Focuses for coming year

Continue to build the already strong foundations of a good team, build in any new members of the committee / management positions (once the reelection has taken place)

Work closely to finalise the Charity Commission replies so that we can remain up to date with their requests.

Continue to put the team and children at the heart of the community based Playgroup and provide assistance were required

Fundraising - what can we do next?

Re-apply for Pathway and any government / council initiatives that we can avail of, considering the economic position we are in with raising cost of living to ensure the survival of our current working methods.

To promote that we should Smile, Have Fun, Be kind, and talk to one another.
