PTA annual report 2021-2022

The PTA had another successful year even in the shadow of covid. We knew that funding opportunities would be fewer this year but we still managed to raise over £4500.

Events of last year included pyjama party, Christmas raffle, pizza kits, breakfast with Santa, name the bear, guess the sweets, Christmas class parties, Mothers Day shop, Valentines class disco, Easter themed walking Wednesday, chocolate tombola, summer fair, tuck-shop, jubilee party and Dragons den.

All in all, it's been a good year and I would like to thank each and everyone of you for the support you have given both the PTA on the school over the past year. Please know that you are very much appreciated. Without you there would be no PTA I look forward to the year ahead with you all thank you.
