

## **Carniny Primary School PTA Chairpersons report 2024**

I would like to thank everyone for their support and hard work which has resulted in a fantastic year of fundraising for our school benefitting all our pupils. This was made possible by a great team of committee members, parent helpers, school staff, parents and our wonderful Carniny pupils.

Thank you to Mrs Wylie and the staff for all their help and support and for working with us to deliver memorable fundraisers nothing was too much and there was always a 'can do' attitude. A big thanks to Mr Fisher for keeping us right and making sure none of our ideas became too unmanageable and reigning us in when they did, for writing and managing all the notes and making sure the kettle was always boiled.

The committee have been superb and it's so wonderful to have such a willing and gifted group to pull together so many events with ease and enthusiasm. Caroline, Hollie and Melanie have been outstanding and without these girls on board we wouldn't have achieved all that we have.

The PTA have facilitated various Fundraising activities this year 23/24 and we want to thank you for your continued support and generosity.
