## **Mission, Objectives and Strategy**

### **Objectives**

The Saturday Club, formed in 2002, provides social and leisure opportunities for children and young people with a learning disability, and their siblings.

The club enhances the life skills in the children through a range of educational and creative activities, and environmental and sports activities. The aim of the Club is to provide leisure and social opportunities and to encourage the personal and social development of Club members through this range of activities.

Through the clubs activities, the children and young people who attend learn new skills and develop their social skills and interests. Very importantly attendance at the Club provides respite for parents and carers. The voluntary management of the Club and its voluntary leadership and supervision during the Club sessions assists in drawing upon and developing the talents and skills that each volunteer brings to the Club.

### **Public benefits:**

The public benefit of The Saturday Club is: the development of children and young people with a learning disability by the provision of help and support for them through an extensive programme of social and leisure activities that contribute to their personal and social development.

Whilst doing so, support and respite is provided for their parents and carers, and for the public and wider population, knowledge of learning disability is also provided. These benefits are demonstrated through the increased Club membership and with referrals from social services. The feedback from parents/carers, siblings and the children themselves is what guides us in our work and we make certain that the Club is benefiting its members through ensuring they influence the activities the Club takes part in.

Parents are also heavily involved in the committee to guarantee they are well informed of what is happening. Of the private benefits flowing from the volunteering, one is that volunteers and trustees are getting excellent experience through their various roles, this in turn maybe benefitting them in their future or prospective careers.

Through the clubs activities and volunteer support and development, the club raises awareness of learning disability in the local area.

#### **Statement of compliance**

The financial statements of the company for the financial year ended 31 December 2017 have been prepared on the going concern basis and in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

#### **Incoming Resources**

Voluntary income or capital is included in the Statement of Financial Activities when the company is legally entitled to it, its financial value can be quantified with reasonable certainty and there is reasonable certainty of its ultimate receipt. ### **Mission, Objectives and Strategy**

#### **Objectives**

The Saturday Club, formed in 2002, provides social and leisure opportunities for children and young people with a learning disability, and their siblings.

The club enhances the life skills in the children through a range of educational and creative activities, and environmental and sports activities. The aim of the Club is to provide leisure and social opportunities and to encourage the personal and social development of Club members through this range of activities.

Through the clubs activities, the children and young people who attend learn new skills and develop their social skills and interests. Very importantly attendance at the Club provides respite for parents and carers. The voluntary management of the Club and its voluntary leadership and supervision during the Club sessions assists in drawing upon and developing the talents and skills that each volunteer brings to the Club.

#### **Public benefits:**

The public benefit of The Saturday Club is: the development of children and young people with a learning disability by the provision of help and support for them through an extensive programme of social and leisure activities that contribute to their personal and social development.

Whilst doing so, support and respite is provided for their parents and carers, and for the public and wider population, knowledge of learning disability is also provided. These benefits are demonstrated through the increased Club membership and with referrals from social services. The feedback from parents/carers, siblings and the children themselves is what guides us in our work and we make certain that the Club is benefiting its members through ensuring they influence the activities the Club takes part in.

Parents are also heavily involved in the committee to guarantee they are well informed of what is happening. Of the private benefits flowing from the volunteering, one is that volunteers and trustees are getting excellent experience through their various roles, this in turn may be benefitting them in their future or prospective careers.

Through the clubs activities and volunteer support and development, the club raises awareness of learning disability in the local area.

### **Structure, Governance and Management**

### **Mission, Objectives and Strategy**

#### **Objectives**

The Saturday Club, formed in 2002, provides social and leisure opportunities for children and young people with a learning disability, and their siblings.

The club enhances the life skills in the children through a range of educational and creative activities, and environmental and sports activities. The aim of the Club is to provide leisure and social opportunities and to encourage the personal and social development of Club members through this range of activities.

Through the clubs activities, the children and young people who attend learn new skills and develop their social skills and interests. Very importantly attendance at the Club provides respite for parents and carers. The voluntary management of the Club and its voluntary leadership and supervision during the Club sessions assists in drawing upon and developing the talents and skills that each volunteer brings to the Club.

Public benefits:

The public benefit of The Saturday Club is: the development of children and young people with a learning disability by the provision of help and support for them through an extensive programme of social and leisure activities that contribute to their personal and social development.

Whilst doing so, support and respite is provided for their parents and carers, and for the public and wider population, knowledge of learning disability is also provided. These benefits are demonstrated through the increased Club membership and with referrals from social services. The feedback from parents/carers, siblings and the children themselves is what guides us in our work and we make certain that the Club is benefiting its members through ensuring they influence the activities the Club takes part in.

Parents are also heavily involved in the committee to guarantee they are well informed of what is happening. Of the private benefits flowing from the volunteering, one is that volunteers and trustees are getting excellent experience through their various roles, this in turn may be benefitting them in their future or prospective careers.

Through the clubs activities and volunteer support and development, the club raises awareness of learning disability in the local area.

### Respective responsibilities of trustees and examiner

The company's trustees are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008. The company's trustees consider that an audit is not required for this financial year under the Charities Act (Northern Ireland) 2008 and that an independent examination is required.

It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with our examination, no matter has come to our attention which gives us cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 63 of the Charities Act
- the financial statements do not accord with those accounting records
