This realised a further £2,354 for the period 1st October 2013 to 5th April 2017.

In keeping with the purposes of the Trust, bursaries of £250 each were awarded during the year.

Academic Bursary

Awarded to a student, who was accepted as an undergraduate, onto a B.Sc. Hons., course in Engineering Science

Vocational Bursary

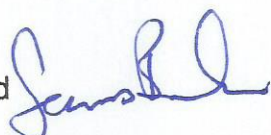

Awarded to a student who is pursuing a course at the NWRC in Motor Mechanics.

Past Pupil

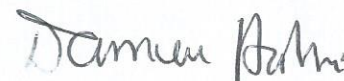

A student wished to take a one year break from studying and obtain practical experience in a work environment.

After the year, the pupil will be attending a third level education establishment, in order to pursue a course in Sports Science.

This concludes the Trustees Report.
