Background

The Conway Street Community Enterprise Project Ltd. was formally registered as a not-for-profit organisation, limited by guarantee in 1985. The founding members' main objectives were the promotion, support and facilitation of small indigenous economic enterprises, and the development of adult education facilities.

The Mill became an 'incubator' for a whole range of new and innovative enterprises and projects. It provided the space, time and support for economic, cultural and community initiatives to be thought through and established.

In 1999 the CSCEP oversaw the establishment of Conway Mill Preservation Trust Ltd. Tasked with the preservation, protection and restoration of Conway Mill for the benefit of the inhabitants of Belfast and of West Belfast in particular.
