

GRACE Ministries - NIC 102873
Trustees Report
Year Ended 31 March 2023

The trustee's present their report and financial information for the year ended 31 March 2023.

The trustee's are satisfied that the charity met its objectives for the year in question and look forward to the coming year to meet the challenges and opportunities that will arise. Donations were generous and appreciated.

The charity advances the Christian faith to all people with no geographical limit and aims to relieve poverty, sickness and advance education. The organisation does missionary work in the Philippines. The direct benefits which flow from the purposes above include increase the health and well being of the public. As a result of the charities work the public has benefited in the prevention and relief of poverty, have learned and benefited from education and religion. The public has benefited from a health point and view which has saved lives. The charity has encouraged a sense of community spirit. The purposes of our charity may lead to no harm. The charity's beneficiaries are, children, adults, male and female, both sides of community. The only private benefit flowing from the proposes are the experience the trustees receive from training on governance, exposure to accounts and finance and management. These are incidental and necessary for all charities and so must be untaken with the view for public benefit not private.

The Trustees have had regard to the Commission's Public Benefit requirement.
