Hello everyone

Thank you for attending our 9th AGM.

We have been very busy as usual, working, scheduling and organizing the shop plus the weekly schedules of volunteers.

As usual we are always organizing our usual face to face events, but this year there was no March International Women's Day. We only have regular Saturday "meet & Greet" catch up meetings at 57 Market Street.

The Shop is more accessible for all, especially with the increasing numbers of the Filipinos and their families. Our volunteers are indeed getting busier at their individual work, as well as attending various personal commitments & social activities.

Due to Rosa's hectic schedules from moving house plus other private health commitments, Rosa decided to lessen the funding applications, and she is now focused on working on the daily activities of the charity shop and its responsibilities.

Without any further ado, I will now hand you over to Rosa to hear more about events and activities reports from last year's activities.

Once again thank you for your help and support this past year and for your continued support this coming year ahead.

Gerald Dan Santiago
