## **Company Limited by Guarantee**

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

**Year ended 31 March 2025**

---

#### **Structure, governance and management**

Disability Action (NI) Employment & Training is a company limited by guarantee and a wholly owned subsidiary of Disability Action (NI).

#### ***Charitable Status***

Disability Action (NI) Employment & Training has registered its charitable status with the Charity Commission for Northern Ireland. Its Charity Number is NIC102992.

#### ***Recruiting and Appointing Trustees***

The charity is governed by up to three trustees selected by its parent company Disability Action (NI) and they are appointed by the board of Disability Action (NI) to confirm to the Memorandum and Articles of Association.

Newly appointed trustees undergo an induction process and receive an induction pack. When necessary, trustees are appointed to sub-committees which best match their skills and are supported by the relevant senior staff member.

The board meets quarterly with sub-committees meeting on an ad hoc basis. The work of all sub-committees is presented to the board for its approval and the board refers issues to specific sub-committees. Each sub-committee contains at least one board member.

#### ***Risk Management Statement***

The Board of Trustees conducts an ongoing review of the charity's operational risk management processes. This has been established in order to mitigate the major risks to which the charity is exposed.

Significant internal risks to funding have led to the development of a strategic plan which allows for the diversification of charitable activities. In addition, corporate risk is managed by ensuring that appropriate insurance cover is in place and adhering to rigorous internal financial controls.

## **Company Limited by Guarantee**

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

#### **Year ended 31 March 2025**

---

##### **Objectives and activities**

Disability Action's Strategic plan for 2022 - 26 sets out a vision of a truly inclusive society where our mission is to support Human Rights for All. Our 5 key strategic principles are to

- Advocate for human rights for all
- Change attitudes to enhance social inclusion and independence
- Support through skills and employment
- Educate to empower through training
- Be a sustainable organisation

The charity manages the Employment Support Programme under contract with the Department for Communities (DfC). This programme supports individuals with significant disabilities in employment.

The charity represents people regardless of their disability; whether that is a physical, mental health, sensory, hidden or learning disability.

Disability Action (NI), our parent company, is a member of a number of network organisations e.g NICVA and Children NI and has strong relationships with the private sector e.g Northern Ireland Chamber of Commerce and Industry and public sector groupings e.g Equality Commission Benefit from all these networks is shared with the charity.

##### **Strategic report**

The following sections for achievements and performance and financial review form the strategic report of the charity.

##### **Achievements and performance**

The Employment Support Scheme (ESS) is a legacy programme funded by DfC. This programme will end when all participants are moved on. Disability Action continue to support 31 people in various organisation across NI.

##### **Financial review**

The charity's only source of funding is from the Department of Communities in relation to its core services of Support in Employment and Support in Training. The main categories of expenditure are direct staff costs, representing 68% of revenues (2024-29%) and retention employees, representing 32% revenues (2024-71%).

The Northern Ireland Charities Pension Scheme (NICPS) is a multi-employer final salary scheme which was closed in 2009. There are currently 444 scheme members and 11 actively participating scheme employers. The overall scheme deficit identified by the September 2022 actuarial valuation was £3.2mil.

The charity's share of the final salary deficit liability is reflected on the Statement of Financial Position under the FRS102 accounting standard. The charity's liability as at 31 March 2025 was £288,409 based on the 2022 actuarial valuation results and a deficit recovery period of 8 years from 1 August 2020 to 29 February 2028.

# **Disability Action (NI) Employment & Training**

## **Company Limited by Guarantee**

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

**Year ended 31 March 2025**

---

#### **Plans for future periods**

The Department of Communities have undertaken a consultation on ending the ESS. 'Disability Action and many disabled peoples' representatives are vehemently opposed to closing the scheme, risking the jobs of those supported through ESS. There has been no feedback from the consultation process or indication of their intention.

#### **Trustees' responsibilities statement**

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Auditor**

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

# **Disability Action (NI) Employment & Training**

## **Company Limited by Guarantee**

### **Independent Auditor's Report to the Members of Disability Action (NI) Employment & Training**

**Year ended 31 March 2025**

---

#### **Opinion**

We have audited the financial statements of Disability Action (NI) Employment & Training (the 'charity') for the year ended 31 March 2025 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

# **Disability Action (NI) Employment & Training**

## **Company Limited by Guarantee**

### **Independent Auditor's Report to the Members of Disability Action (NI) Employment & Training** *(continued)*

**Year ended 31 March 2025**

---

#### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

# **Disability Action (NI) Employment & Training**

**Company Limited by Guarantee**

## **Independent Auditor's Report to the Members of Disability Action (NI) Employment & Training *(continued)***

**Year ended 31 March 2025**

---

### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

# Disability Action (NI) Employment & Training

## Company Limited by Guarantee

### Independent Auditor's Report to the Members of Disability Action (NI) Employment & Training *(continued)*

Year ended 31 March 2025

---

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the industry and sector, control environment and business performance including the design of the remuneration policies, key drivers for directors' remuneration, bonus levels and performance targets;
- results of our enquiries of management about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed documentation of their policies and procedures relating to:
  - identifying, evaluating and complying with laws and regulations and whether management were aware of any instances of non-compliance;
  - detecting and responding to the risks of fraud and whether management have knowledge of any actual, suspected or alleged fraud;
  - the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations.
- the matters discussed among the audit engagement team including significant component audit teams and relevant internal specialists, including tax and valuations specialists regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks in operation, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included ongoing compliance with the UK Companies Act and tax legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental for their ability to operate or to avoid a material penalty.

## **Disability Action (NI) Employment & Training**

### **Company Limited by Guarantee**

#### **Independent Auditor's Report to the Members of Disability Action (NI) Employment & Training** *(continued)*

**Year ended 31 March 2025**

---

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Independent Auditor's Report to the Members of Disability Action (NI) Employment & Training *(continued)***

**Year ended 31 March 2025**

---

As explained more fully in the Trustees' Responsibilities Statement (set out on page 4 ), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Financial Reporting Council's (FRC's) Ethical Standard for Auditors', in the circumstances set out in note 26 to the financial statements.

#### **Use of our report**

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

# **Disability Action (NI) Employment & Training**

## **Company Limited by Guarantee**

### **Notes to the Financial Statements**

**Year ended 31 March 2025**

---

#### **1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is Portside Business Park, 189 Airport Road West, Belfast, BT3 9ED.

#### **2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### **3. Accounting policies**

##### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### **Going concern**

Disability Action (NI) Employment & Training has significant contractual commitments to the costs of paying for its share of the Northern Ireland Charities Pension Scheme's (NICPS) final salary pension scheme deficit. Note 19 to the financial statements provides detailed information on this pension scheme which was closed to new members in 2009. Disability Action (NI) Employment & Training is currently making a fixed annual payment to meet its share of the deficit based on the latest (30th September 2022) scheme actuarial valuation. The liability for future payments measured at their present value is recognised as a liability in the financial statements and the Statement of Financial Position shows significant net liabilities as a result. The Trustees are confident that annual fixed targets are set to ensure that the organisation is able to make these annual deficit payments and remain financially sustainable.

Net liabilities on the Statement of Financial Position are £421,932. Liabilities include amounts owed to group undertakings of £114,418. The trustees are also trustees of Disability Action (NI) and they verify the ongoing financial support of the controlling charity to Disability Action (NI) Employment and Training.

The Trustees consider that there is no material uncertainty related to these events or conditions and they therefore deem it appropriate to prepare financial statements on a going concern basis.

# **Disability Action (NI) Employment & Training**

## **Company Limited by Guarantee**

### **Notes to the Financial Statements** *(continued)*

**Year ended 31 March 2025**

---

#### **3. Accounting policies** *(continued)*

##### **Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### **Significant Judgements**

The judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements are as follows:

Management must choose an appropriate percentage rate for discounting future payments in order to value the pension liability disclosed in note 19.

##### **Key Sources of estimation uncertainty**

Accounting estimates and assumptions are made concerning the future and by their nature will rarely equal the related actual outcome. The key assumptions and other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are as follows:

The valuation of the pension liability is based on discounting future contributions to fund the fund shortfall. Those contributions are based on current arrangements, but may be subject to change in the future.

##### **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

# Disability Action (NI) Employment & Training

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# Disability Action (NI) Employment & Training

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### **Tangible assets *(continued)***

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment - 15% straight line

##### **Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

##### **Government grants**

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

#### 3. Accounting policies *(continued)*

##### Provisions

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event, it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense.

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in income or expenditure unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised as a finance cost in the statement of financial activities in the period it arises, and is allocated to the appropriate expenditure heading.

##### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

### Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

Every member of the charitable company undertakes to contribute to the assets of the charitable company, in the event of the same being wound up while it is a member, or within one year after it ceases to be a member, for payment of the debts and liabilities of the charitable company contracted before it ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, such amount as may be required not exceeding £1.

### Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

#### 19. Pensions and other post retirement benefits

The company participates in the scheme, a multi-employer scheme which provides benefits to some 11 non-associated employers. The scheme is a defined benefit scheme in the UK.

It is not possible for the company to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme. Therefore it accounts for the scheme as a defined contribution scheme.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The scheme is classified as a 'last-man standing arrangement'. Therefore the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the scheme deficit on an annuity purchase basis on withdrawal from the scheme.

A full actuarial valuation for the scheme was carried out at 30 September 2022. This valuation showed assets of £22.8m, liabilities of £26.0m and a deficit of £3.2m. To eliminate this funding shortfall, the Trustee has asked the participating employers to pay additional contributions to the scheme as follows:

From August 2020 to 29 February 2028: £1,280,605 in total (payable monthly)

The recovery plan contributions are allocated to each participating employer in line with their estimates share of the scheme liabilities.

Where the scheme is in deficit and where the company has agreed to a deficit funding arrangement the company recognises a liability for this obligation. The amount recognised is the net present value of the deficit reduction contributions payable under the agreement that relates to the deficit. The present value is calculated using the discount rate detailed in these disclosures. The unwinding of the discount rate is recognised as a finance cost.

#### **PRESENT VALUE OF PROVISION**

	2025 £	2024 £	2023 £	2025	2025
Present value of provision	288,409	312,323	137,194		

#### **RECONCILIATION OF OPENING AND CLOSING PROVISIONS**

	2025 £	2024 £
Provision at start of period	312,323	137,194
Unwinding of the discount factor (interest expense)	13,915	6,266
