Independent Examiner's Report to The Board of Trustees
of The Armagh Rhymers Educational & Cultural Organisation

We have examined the financial statements of the company for the financial year ended 31 March 2025, which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet and the related notes.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the Board of Trustees that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our work, or for this report.

Respective responsibilities of trustees and examiner

The company's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006. The company's trustees consider that an audit is not required for this financial year under Chapter 3 of Part 16 of the Companies Act 2006 and that an independent examination is required.

It is our responsibility to:

- examine the financial statements under section 65 of the Charities Act.
- Follow the procedures laid down by the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- State whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your company financial statements as required under section 65 of the Charities Act and our examination was carried out in accordance with the general Directions given by the Charities Commission for Northern Ireland under section 65(9)(b) of the Charities Act. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with our examination, no matter has come to our attention which gives us cause to believe that in, any material respect:

- Accounting records were not kept in accordance with section 386 of the Companies Act 2006.
- The financial statements do not accord with those accounting records.

The Armagh Rhymers

continued...

- The financial statements have not been prepared in accordance with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102).
- There is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Accounting Policies

Basis of Accounting

The Financial Statements have been prepared in Accordance with Accounting and Reporting by Charities: Statement of recommended practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006.

Going Concern

The financial statements have been prepared on a going concern basis, the directors are continuing to seek additional grant funding and increase in performance bookings over the incoming year and on this basis the assessment of the directors is that the charity is a going concern.

Cash Flow Statement

The directors have taken the advantage of the exemption in the Financial Reporting Standard No. 1 (revised) from including a cash flow statement in the financial statements on the grounds that the company is small.

Fixed Assets

All fixed assets are recorded at cost, less capital grants received in respect of the fixed assets. Depreciation is charged at the rates detailed in the depreciation note below.

Fixed assets are then stated at net book value.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Musical Equipment	15 % Reducing Balance
Office Equipment	15 % Reducing Balance
Website	15% Reducing Balance

Stock

Stock is measured at the lower of cost and net realisable value.

Income

Income is recognized and included in the accounts when the following criteria is met:

- The charity has entitlement to the income;
- Any performance conditions attached to the income have been met or are fully within the control of the charity;
- There is sufficient certainty that receipt of the income is considered probable and the amount can be measured reliably.

Capital Grants

Grants in respect of revenue are credited to the profit and loss account over the period to which they relate. Capital grants are deducted from the cost or purchase price of the asset. Therefore, the net cost of the asset is included in the balance sheet and net depreciation is included in the profit and loss account.

Legal status of the company

The company is limited by guarantee and has no share capital.

Independent Examiner's Report to The Board of Trustees
of The Armagh Rhymers Educational & Cultural Organisation

We have examined the financial statements of the company for the financial year ended 31 March 2023, which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet and the related notes.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the Board of Trustees that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our work, or for this report.

Respective responsibilities of trustees and examiner

The company's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006. The company's trustees consider that an audit is not required for this financial year under Chapter 3 of Part 16 of the Companies Act 2006 and that an independent examination is required.

It is our responsibility to:

- examine the financial statements under section 65 of the Charities Act.
- Follow the procedures laid down by the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- State whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your company financial statements as required under section 65 of the Charities Act and our examination was carried out in accordance with the general Directions given by the Charities Commission for Northern Ireland under section 65(9)(b) of the Charities Act. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with our examination, no matter has come to our attention which gives us cause to believe that in, any material respect:

- Accounting records were not kept in accordance with section 386 of the Companies Act 2006.
- The financial statements do not accord with those accounting records.

Accounting Policies

Basis of Accounting

The Financial Statements have been prepared in Accordance with Accounting and Reporting by Charities: Statement of recommended practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006.

Going Concern

The financial statements have been prepared on a going concern basis, the directors are continuing to seek additional grant funding and increase in performance bookings over the incoming year and on this basis the assessment of the directors is that the charity is a going concern.

Cash Flow Statement

The directors have taken the advantage of the exemption in the Financial Reporting Standard No. 1 (revised) from including a cash flow statement in the financial statements on the grounds that the company is small.

Fixed Assets

All fixed assets are recorded at cost, less capital grants received in respect of the fixed assets. Depreciation is charged at the rates detailed in the depreciation note below.

Fixed assets are then stated at net book value.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Musical Equipment	15 % Reducing Balance
Office Equipment	15 % Reducing Balance
Website	15% Reducing Balance

Stock

Stock is measured at the lower of cost and net realisable value.

Income

Income is recognized and included in the accounts when the following criteria is met:

- The charity has entitlement to the income;
- Any performance conditions attached to the income have been met or are fully within the control of the charity;
- There is sufficient certainty that receipt of the income is considered probable and the amount can be measured reliably.

Capital Grants

Grants in respect of revenue are credited to the profit and loss account over the period to which they relate. Capital grants are deducted from the cost or purchase price of the asset. Therefore, the net cost of the asset is included in the balance sheet and net depreciation is included in the profit and loss account.

Legal status of the company

The company is limited by guarantee and has no share capital.

Notes to abridged financial statements
for the year ended 31 March 2023

1. Accounting Policies**Basis of Accounting**

The Financial Statements have been prepared in Accordance with Accounting and Reporting by Charities: Statement of recommended practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006.

Cash Flow Statement

The directors have taken the advantage of the exemption in the Financial Reporting Standard No. 1 (revised) from including a cash flow statement in the financial statements on the grounds that the company is small.

Fixed Assets

All fixed assets are recorded at cost, less capital grants received in respect of the fixed assets. Depreciation is charged at the rates detailed in the depreciation note below.

Fixed assets are then stated at net book value.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Musical Equipment	15 % Reducing Balance
Office Equipment	15 % Reducing Balance
Website	15 % Reducing Balance

Stock

Stock is recorded at the lower of cost and net realisable value.

Income

Income is recognized and included in the accounts when the following criteria is met:

- The charity has entitlement to the income;
- Any performance conditions attached to the income have been met or are fully within the control of the charity;
- There is sufficient certainty that receipt of the income is considered probable and the amount can be measured reliably.

Capital Grants

Grants in respect of revenue are credited to the profit and loss account over the period to which they relate. Capital grants are recorded against the cost of the asset at the time of purchase. Therefore, the net cost of the asset is included in the balance sheet and net depreciation is included in the profit and loss account.

Legal Status of Company

The company is limited by guarantee and has no share capital.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:
