Annual Report

Another busy year for us dealing with several social issues from A.S.B. to welfare rights.

A successful July festival saw hundreds of people from all over the borough participating.

We were pleased to be part of the Mens tea talk and walk programme, bringing men together over several months.

Our Health and Wellbeing breakfast in October again bringing the community together with health checks and advice at hand. A large turnout of all ages attended giving the community a chance to socialise and meet up. Our kids Christmas party saw over 100 attended with fun and games in place for them with activities for all ages.

Our Burns night in January got the year off to a start with music, drama and dance. We continue to work in partnership with various local groups and all statutory bodies dealing with day-to-day issues as they arise.

We would like to thank the community as a whole for their support and commitment.
