Trustees Annual Report

01/04/2023 – 31/03/2024

2023/2024 We continue to open our doors on a Sunday morning and a Tuesday evening to celebrate the good news of the gospel. We now break bread at every meeting following the scripture – Acts 2 v42 - And they continued steadfastly in the apostles doctrine and fellowship and in breaking of bread and in prayer. In these days of constant turmoil, we seek to bring the peace of God which passes all understanding as we preach the truth of Gods word, Gods truth sets us free. In these days when people think no one cares, God cares. This is the message we continue to share as God gives us hope for the future.

We continue to support Good News Ministry in India. Unfortunately, Rev Chanti Raju Karini lost his battle with cancer and has gone to be with the Lord which is far better. His son Heli Karini continues this wonderful ministry. Chanti has left a widow and a young daughter who need support financially, we do what we can as the Lord leads.

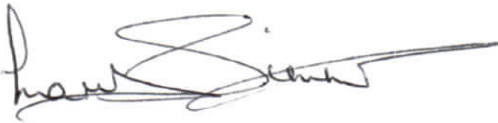

We continue to visit the sick who cannot get out to the church services, these visits are essential to their wellbeing.

We believe we the trustees have had a regard to the Commissions Public Benefit requirement.

We are so thankful to God for every blessing and we are looking forward to another year.

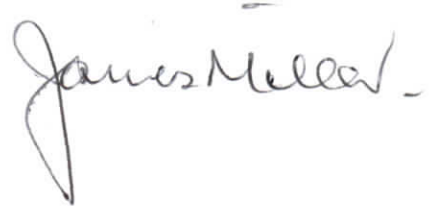

On reviewing our accounts, we give thanks for every offering. They have dropped significantly this year however we thank God for our finances and continue to trust Him for the future.
