## **HAPPITOTS PRE-SCHOOL PLAYGROUP**

The children are welcomed into the setting on a phased introduction from the Start of September until all children are started and receive a healthy break every day.

On a day to day children learn how to play with their new friends, role playing within the home corner, physical play, learning to build with different buildings products – Lego, stickle bricks, building jigsaw puzzles, arts and crafts.

The children learn about the seasons and different celebrated events throughout the year and the staff learn about the children's family's.

In the first term they have pumpkin soup for Halloween, have a pyjama day for Children IN Need. December is a busy month with practising for their Christmas performance, have a Christmas lunch and then a Christmas party day – where each child meets Santa and receives a gift.

In the second term they attend W5 as part of the learning, they also make Valentine's crafts, Mother's Day and Easter craft's.

In the third term they have a train trip to a local memorial park with a trip to McDonalds, their Sports fun day, makes Father's Day crafts, a fun day out at the Wacky Workshop soft play, an end of year party and also their Graduation day.

Whenever the weather permits the children have lots of outdoor with our very own play park, bicycles, scooters and pedal tractors.

Through-out the year, they are invited to join with a local mother and toddler group when they are running activities like "Fun with Drums".
