## Trustees' report for the year ended 31st March 2025

The trustees, who are also directors for the purposes of company law, present their annual report and the financial statements of the charitable company for the year ended 31st March 2025.

The information with respect to trustees and advisors set out on page 1 forms part of this report. The trustees have prepared the financial statements in accordance with applicable Accounting Standards in the United Kingdom (FRS 102), the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2015, and in accordance with the Charities Act (Northern Ireland) 2008.

### Objectives and activities / Public benefit

The charity's objects and principal objectives are:

1. To relieve the sickness and promote, protect and preserve the health and wellbeing of people aged 16 and over with chronic mental health illness in Antrim and its environs of Northern Ireland without distinction of age, gender, disability, sexual orientation, nationality, ethnic identity, political or religious opinion, by associating the statutory authorities, community and voluntary organizations in a common effort to advance education and to provide facilities in the interests of social welfare for recreational leisure time occupation with the objective of improving the conditions of life for the beneficiaries.
2. To establish or secure the establishment of a community centre and to maintain or manage or co-operate with any statutory authority in the maintenance and management of such a centre for activities promoted by the charity in furtherance of the above.

The trustees confirm that the charity has complied with the public interest statutory guidance issued under section 4 of the Charities (Northern Ireland) Act 2008

### Review of activities and performance

#### Activities

We provide facilities, equipment and services including complementary health care which are ancillary to those provided by the medical profession as may be deemed desirable for continuing rehabilitative benefit.

We provide training, support and advice to sufferers not normally provided by the statutory authorities and to those responsible for their care.

We provide outings and social trips, and training in the use of information technology to enable them to access the internet in an effort to develop, maintain and gain new skills.

We assist in such ways as the charity trustees think fit to advance the education of the sufferers by developing their mental, physical and moral capabilities through the provision of day care services, cooked meals, social activity, mental stimulation, day trips and outings, leisure time activities, adult education and health improvement activities.

We identify and involve other interested individuals and groups in the furtherance of the general objectives of the organization.

#### Performance

In this year from 1 April 2024 to 31 March 2025 the charity has continued to work within the objectives and activities as detailed. The charity has been able to meet its objectives but only as far as its limited funding during the year has allowed.

#### Financial review

Total income increased from £186,533 to £209,833 in the year to 31st March 2025. The core funding of £123,396 received from the Northern Health and Social Care Trust remains the charity's main source of income. Lottery funding has also been committed for three years totalling £199,955 of which £58,128 was received this year. The trustees are of the opinion that the results for the year are satisfactory, however increases in the cost of living will have a continuing impact on the contributions from members and funding from grants from outside of the Northern Health and Social Care.

**Trustees' report for the year ended 31st March 2025 (continued)****Reserves policy**

The reserves policy of the charity is to hold reserves that represent a minimum of three months expenditure of the organisation.

**Reference and administrative details**

Details of the registered office, trustees, advisors and other relevant information are given on page 1.

**Structure, governance and management**

Rehability is a company limited by guarantee and is governed by its articles of association which were adopted in 2010. It is recognised as a charity by the HMRC, number XN88875 and by the Charity Commission (NI), number NIC 103182.

The company's articles of association require that the number of trustees be not less than three but no more than twelve. At each annual general meeting one third of the trustees or, if their number is not a multiple of three, the number nearest to one-third, must retire from office. A retiring trustee, providing they are still qualified, shall be eligible for re-nomination and election

All trustees are given guidelines on their responsibilities and on how meetings are to be conducted. These guidelines are in written form and each of the trustees have a copy. Training is by active work and is all overseen by the Chairperson.

**Selection of new trustees**

The company may advertise for new trustees who will be interviewed by the current trustees before being invited to stand for election at the next annual general meeting. Additional trustees may be co-opted by the current trustees, either to fill a casual vacancy or if they have particular skills, but they only hold office until the next annual general meeting at which point they shall be eligible for election.

A trustee must be a person aged 18 years or older and must be a member of the company.

**Pay and remuneration of trustees**

No pay or remuneration is given to trustees. All are voluntary.

**Organisational structure**

The trustees are responsible for the day to day management of the charity.

Trustees are responsible for making decisions on matters of day to day running of the charity, future projects and all matters of concern to the charity. The trustees also make decisions on how funds are allocated and on bills to be paid.

**Decision making policy**

The day to day financial management is conducted by the chairperson and treasurer who report bi-monthly to the full board of trustees.

**Risk management**

The Trustees review the major risks which the charity faces and believe that the policy on reserves, as stated above, provides sufficient resources in the event of adverse conditions. The Trustees examine business and other operational risks faced by the charity and confirm that systems to monitor and mitigate significant risks are in place. Risks are considered on an annual basis.

**Plans for future periods**

The charity intends to continue to meet its objectives in the future, maintaining the services to the members that it currently supplies and expanding these services to meet demand where possible.

### Trustees' report for the year ended 31st March 2025 (continued)

#### Statement of Trustees' responsibilities

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Northern Ireland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In accordance with company law, as the charity's trustees, we certify that:

- so far as we are aware, there is no relevant audit information of which the company's auditors are unaware; and
- as the trustees of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

#### Independent auditors

The auditors, D C Corr & Company, have indicated their willingness to continue in office and a resolution concerning their reappointment will be proposed at the Annual General Meeting.

On behalf of the trustees

---

N Maguire

Chairperson

Date: 01-Oct-25

## Independent Auditor's Report to the Trustees of Rehability

### Opinion

We have audited the financial statements of Rehability (the 'charitable company') for the year ended 31 March 2025 which comprise of Statement of financial activities (including income and expenditure account) and Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2025, and of its total incoming resources and expenditure of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## Rehability

6

### Independent Auditor's Report to the Trustees of Rehability

*cont*

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

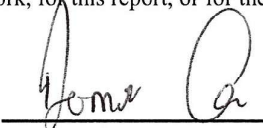

We have been appointed as auditor under section 65(2)[1] of the Charities Act (Northern Ireland) 2008 and report in accordance with regulations made under section 66 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Approved by the trustees on 1 October 2025

  
N Maguire  
Chairperson

**Notes to the financial statements for the year ended 31st March 2025****1 Accounting policies**

These financial statements are prepared on the going concern basis under the historical cost convention, as modified by the revaluation of certain investments, and in accordance with applicable accounting standards including the Statement of Recommended Practice on "Accounting and Reporting by Charities" issued in 2015. The principal accounting policies are set out below.

**Income**

All income is included in the Statement of Financial Activities on an accruals basis.

**Expenditure**

Resources expended relate directly to the charity's objectives. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

**Charitable activities**

Charitable activity costs include expenditure on administration and governance of the charity and compliance with constitutional and statutory requirements. All expenditure is accounted for on an accruals basis.

**Governance costs**

Governance costs represent accountancy and professional fees and are accounted for on an accruals basis.

**Fixed assets**

Fixed assets are recorded at purchase cost together with any incidental costs of acquisition. Depreciation is calculated so as to write off the cost less their estimated residual values, on a straight-line basis over the expected useful economic lives of the assets concerned.

The principal annual rates of depreciation are as follows:

Buildings	2% Straight line
Fixtures & fittings	15% Straight line
Computer equipment	20% Straight line
Motor car	25% Reducing Balance

**Debtors**

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

## Notes to the financial statements for the year ended 31st March 2025

### 1 Accounting policies (continued)

#### Creditors

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

#### Funding accounting

The charity has various types of funds for which it is responsible and which require separate disclosure. A definition of the various types of funds is as follows;

##### Unrestricted funds

Unrestricted funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

##### Restricted funds

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund.
