

## Charity Commission Annual Report 2020/2021

Gortin Afternoon Club remained closed over this financial year due to Covid. Chairperson Ady and volunteers made regular contact with all the members during this period. The members all received an Afternoon tea box and a Christmas lunch delivered to their homes.

Unfortunately the club lost their esteemed member June Cochrane in October and at Junes request a donation to Age UK was made. June was a valuable member of the club who undertook many tasks including armchair exercises for the club. She will always be remembered and missed.

The Club will hope to meet in late 2021.
