

## **Killygullib Rural Development Association**

**The AGM of KRDA was held on Tuesday 1<sup>st</sup> April 2025 at 8pm in Killygullib Orange Hall.  
The following were re-elected**

<b>Chairperson</b>	<b>David Matthews</b>
<b>Treasurer</b>	<b>Moira Alexander</b>
<b>Secretary</b>	<b>Gail Linton</b>
<b>Committee</b>	<b>Ross Bloomfield, Kyle McKinley, Aaron Linton, Alan Linton</b>

The meeting started with treasurer's report. It was noted that income throughout the year came from two sources only as no events had taken place. Also outgoings were limited to bank fees. Bank balance at 31<sup>st</sup> December was £10,886.65.

The chairperson spoke about the upcoming trip to The Somme on 12<sup>th</sup> April 2025 and as the bank balance was so healthy it was decided that the association would pay for an evening meal for everyone on the first night of the trip.

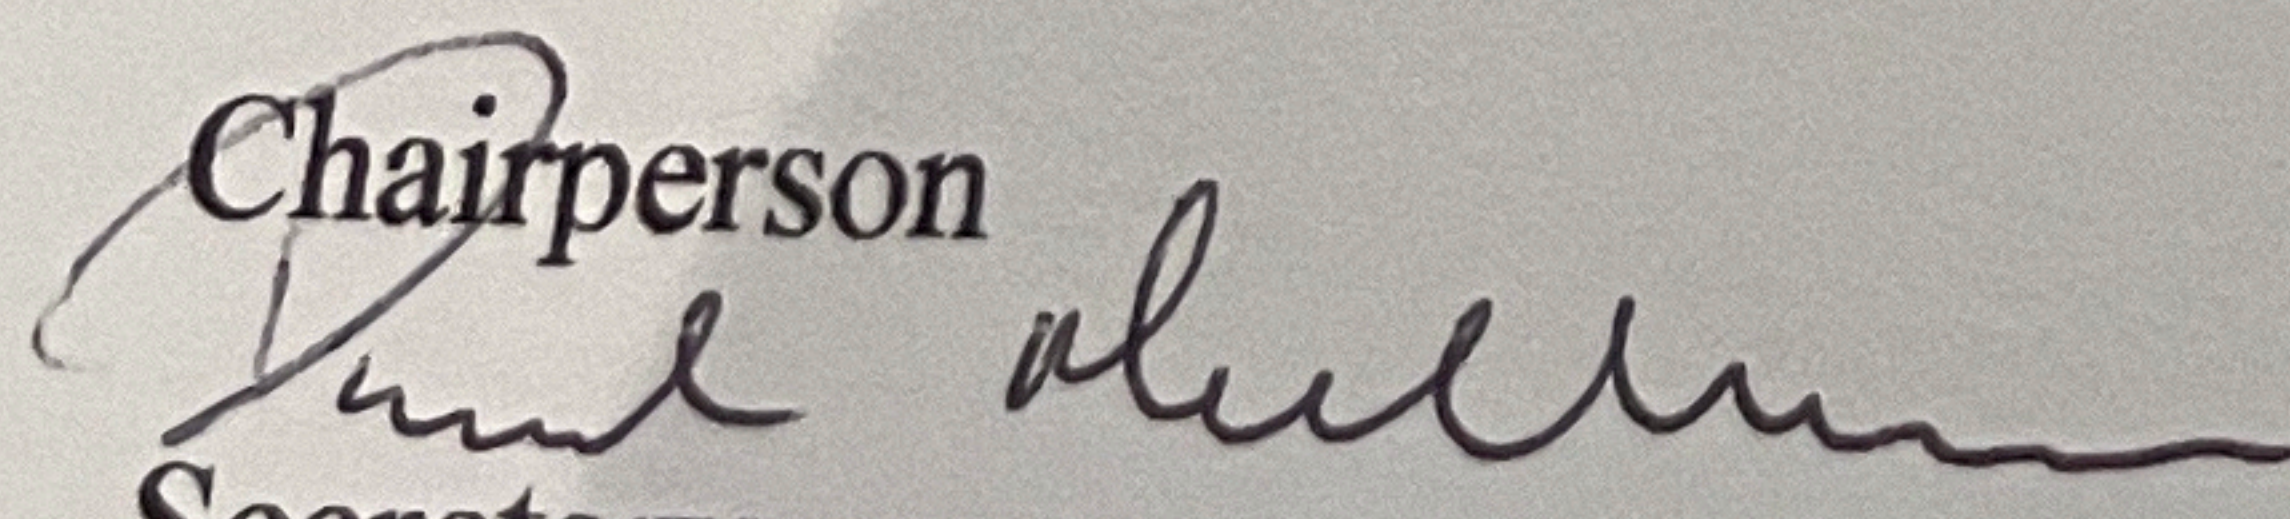

The chairperson raised the possibility of applying for a defibrillator to be installed on the outer wall at the hall for use by the community if required. Moira Alexander agreed to follow up on this with the British Heart Foundation and report back on the outcome. If successful cpr training could be carried out in the hall for the local community.

Everyone was of the opinion that we should be carrying out more events in the future e.g table quiz , car wash and treasure hunt.

All existing officers were proposed en bloc for the coming year – proposed by Jonathan Turner, seconded by Norma McKinley.

It was agreed that the next meeting of the KRDA would be held on Tuesday 6<sup>th</sup> May 2025.

No further business , meeting closed at 9pm.
