

Killygullib Rural Development Accounts

Independent Examiner's Report

1. The accounts were produced in a timely manner and set out demonstrating income and outgoings.
2. Only 2 groups of incomes were identified and these tallied with the lodgements.
3. Only 1 outgoing was identified throughout the year which was bank fees.
4. All bank statements were checked.
5. The accounts were produced by the treasurer and passed at the AGM.

I have found the accounts to be true and accurate and all queries asked by myself were answered to my satisfaction.
