

Trustees Report for

Moneyslane Cultural & Rural Development Association No. 103362

During the Year 1st April 2018 to 31st March 2019 our Audited Accounts show as follows

Total Income	£858
Total Expenses	£688
Bank Balance	£498

Poor car parking facilities and a lack of suitable storage space inside continue to have an impact on any plans to increase the use of the premises by the community, and so far, suitable funding has not been available.

Purposes

The purposes of the Charity, while being met to a degree, with use of our facilities by a Keep Fit class, Local Football Club, Scout Group and a Church, we could do more with improvements as listed above. We also organized a Breakfast event and were able to donate £ 300 to a local child who was suffering from a very serious and terminal illness.

Public Benefit

The public have benefited through use of our facilities by the above mentioned groups but not to the extent we had hoped for and the Trustees will have to consider the future of our Charity.

The Charity Trustees for the year 2018-2019 have not changed and are as per the Annual Monitoring Return.

All Trustees have agreed to this Report.

Signed on behalf of the Trustees

Norman David Fairley (Chair of Trustees)

James Campbell Gibson

Trustee
