

Trustees Annual Report			Friends Forever Europe
Financial Year			01 Jan 2022 to 31 December 2022
Summary of activities			<p>Friends Forever Europe's principle purpose is to promote cross-community work through youth focused programming. Through volunteer service projects and intensive communication and collaboration activities, Friends Forever inspires a new generation of youth leaders to be confident and empowered ambassadors for peace in their own families, schools and communities.</p> <p>Youth participants and adult educators from all over Northern Ireland are the direct beneficiaries of Friends Forever's work. Secondary benefits are afforded to the families of the youth participants, the NGOs that Friends Forever partners with, and the communities that they serve, both because of our work to cut down on sectarian behavior but also because of our programmatic emphasis on service-based learning and professional development to make our participants more prepared to enter the workforce (public speaking, confidence, professional decorum etc.)</p> <p>Friends Forever/Europe has been offering programs to Northern Ireland since 1986 from our USA based charity and has worked with numerous youth organizations in that time.</p> <p>The public will benefit from this organization in there will be a more peaceful society. There are no private benefits accrued in this mission or potential harm from the purposes stated.</p>
