We wish to sincerely thank all those who attend the services or are involved in the running of the church, for their time, hard work and generous giving.

During the year ended February 2025, to continue to fulfil this purpose and have regard to the Commission's public benefit requirement, we have continued to provide weekly church services for fellowship, prayer, praise and Bible teaching as well as continuing to provide services for specific community sectors. Our online presence has increased significantly with regular services being shown on Facebook. We had an increase in visiting preachers and singers to our services.

The Lifeboat Mission

Trustee' Report

The purpose of the Lifeboat Mission continue to be met although the method of delivery has evolved depending on the particular restrictions in place. During the year Sunday services and prayer meetings have continued at our church premises and we have seen a growth in the fellowship. Our messages are being posted online through our Facebook page where they can reach a much wider audience. As the numbers attending services increases steadily our message is strong.

As we enter into another year our desire is to spread the gospel of saving grace to the wider community and to see a growth in our fellowship, seeking God's guidance at every point.

During the year many activites took place including Carol Service in December 2005 as well as the regular Ladies meetings and Youth meetings.

In January 2025 we received a visit from Rev and Mrs John Treese from Virginia, USA who spoke at our Holiness Convention.

In September 2024 we enrolled our first students to Lifeboat Christian School. The school is staffed by volunteers who have a wealth of knowledge in teaching. The school follows the Accelerated Christian Education (A.C.E) curriculum which provides parents with a quality programme they can trust. Currently there are 4 pupils enrolled with the view that this number will increase.

Our income level for the financial year ending 28th February 2025 was almost £137K with expenditure of £100k leaving a surplus for the year of approximately £37K. As Trustees we would like to offer our sincere thanks for the generous giving of our congregation and supporters.

Independent Examiner's Report to the trustees of The Lifeboat Mission ('the Company')

I report to the charity trustee on my examination of the accounts of the Company for the year ended 28 February 2025.

Respective responsibilities of trustees and examiner

As the charity's trustee of The Lifeboat Mission (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act (Northern Ireland) 2008.

Having satisfied myself that the accounts of The Lifeboat Mission are not required to be audited under section 65 of Charities Act (Northern) Ireland 2008 and that an independent examination is needed. It is my responsibility to:-

- examine the accounts under section 65 of the Charities Act
- to follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65 (9)(b) of the Charities Act
- to state whether particular matters have come to my attention

Basis of Independent Examiners' Report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

An examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters.. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. That accounting records were not kept in respect of The Lifeboat Mission as required by section 63 of the Charities Act; or
2. That the accounts do not accord with those records; or
3. That the accounts do not comply with the accounting requirements of the Charities Act.
4. That there is further information needed for a proper understanding of the accounts to be reached.

The Lifeboat Mission

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 28 February 2025

1 Charity status

The charity is limited by guarantee, incorporated in Northern Ireland, and consequently does not have share capital. Each of the trustee is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

69 Drumaspil Road

Dungannon

Co. Tyrone

BT71 6HZ

These financial statements were authorised for issue by the trustee on 24 November 2025.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

The Lifeboat Mission meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustee consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 28 February 2025

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustee meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £250.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and Buildings	1.5% reducing balance
Fictures and Fittings	20% straight line

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 28 February 2025

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustee discretion in furtherance of the objectives of the charity.

Trustee' Report

The purpose of the Lifeboat Mission continue to be met although the method of delivery has evolved depending on the particular restrictions in place. During the year Sunday services and prayer meetings have continued at our church premises and we have seen a growth in the fellowship. Our messages are being posted online through our Facebook page where they can reach a much wider audience. As the numbers attending services increases steadily our message is strong.

As we enter into another year our desire is to spread the gospel of saving grace to the wider community and to see a growth in our fellowship, seeking God's guidance at every point.

In June 2023 the 34th Anniversary Tent Mission brought together the community with special testimonies, singing and preaching of the gospel.

Our income level for the financial year ending 29 February 2024 was almost 139K with expenditure of £90k leaving a surplus for the year of approximately £49K. As Trustees we would like to offer our sincere thanks for the generous giving of our congregation and supporters.

Bertie Johnston, Adrian Kelso and Roy McFarland served as Trustees during this year.

Statement of trustee' responsibilities

The trustee (who are also the directors of The Lifeboat Mission for the purposes of company law) are responsible for preparing the trustee' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustee to prepare financial statements for each financial year. Under company law the trustee must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustee are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustee are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustee are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the trustees of The Lifeboat Mission ('the Company')

I report to the charity trustee on my examination of the accounts of the Company for the year ended 29 February 2024.

Respective responsibilities of trustees and examiner

As the charity's trustee of The Lifeboat Mission (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act (Northern Ireland) 2008.

Having satisfied myself that the accounts of The Lifeboat Mission are not required to be audited under section 65 of Charities Act (Northern) Ireland 2008 and that an independent examination is needed. It is my responsibility to:-

- examine the accounts under section 65 of the Charities Act
- to follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65 (9)(b) of the Charities Act
- to state whether particular matters have come to my attention

Basis of Independent Examiners' Report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

An examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters.. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. That accounting records were not kept in respect of The Lifeboat Mission as required by section 63 of the Charities Act; or
2. That the accounts do not accord with those records; or
3. That the accounts do not comply with the accounting requirements of the Charities Act.
4. That there is further information needed for a proper understanding of the accounts to be reached.

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 29 February 2024

1 Charity status

The charity is limited by guarantee, incorporated in Northern Ireland, and consequently does not have share capital. Each of the trustee is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

69 Drumaspil Road
Dungannon
Co. Tyrone
BT71 6HZ

These financial statements were authorised for issue by the trustee on 18 November 2024.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

The Lifeboat Mission meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustee consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 29 February 2024

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustee meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £250.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and Buildings	1.5% reducing balance
Pictures and Fittings	20% straight line

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 29 February 2024

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustee discretion in furtherance of the objectives of the charity.

Trustee' Report

The purpose of the Lifeboat Mission continue to be met although the method of delivery has evolved depending on the particular restrictions in place. During the year Sunday services and prayer meetings have continued at our church premises and we have seen a growth in the fellowship. Our messages are being posted online through our Facebook page where they can reach a much wider audience. As the numbers attending services increases steadily our message is strong.

As we enter into another year our desire is to spread the gospel of saving grace to the wider community and to see a growth in our fellowship, seeking God's guidance at every point.

In June 2023 the 34th Anniversary Tent Mission brought together the community with special testimonies, singing and preaching of the gospel.

Our income level for the financial year ending 29 February 2024 was almost 139K with expenditure of £90k leaving a surplus for the year of approximately £49K. As Trustees we would like to offer our sincere thanks for the generous giving of our congregation and supporters.

Bertie Johnston, Adrian Kelso and Roy McFarland served as Trustees during this year.

Statement of trustee' responsibilities

The trustee (who are also the directors of The Lifeboat Mission for the purposes of company law) are responsible for preparing the trustee' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustee to prepare financial statements for each financial year. Under company law the trustee must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustee are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustee are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustee are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 28 February 2023

1 Charity status

The charity is limited by guarantee, incorporated in Northern Ireland, and consequently does not have share capital. Each of the trustee is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

69 Drumaspil Road

Dungannon

Co.Tyrone

BT71 6HZ

These financial statements were authorised for issue by the trustee on 13 November 2023.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

The Lifeboat Mission meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustee consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 28 February 2023

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustee meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £250.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and Buildings	1.5% reducing balance
Pictures and Fittings	20% straight line

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

The Lifeboat Mission

Notes to the Financial Statements for the Year Ended 28 February 2023

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustee discretion in furtherance of the objectives of the charity.

The Lifeboat Mission

Trustee' Report

As we enter into another year our desire is to spread the gospel of saving grace to the wider community and to see a growth in our fellowship, seeking God's guidance at every point.

Our income level for the financial year ending 28 February 2023 was almost 124K with expenditure of £88k leaving a surplus for the year of approximately £36K. As Trustees we would like to offer our sincere thanks for the generous giving of our congregation and supporters.

Bertie Johnston, Adrian Kelso and Roy McFarland served as Trustees during this year.

Statement of trustee' responsibilities

The trustee (who are also the directors of The Lifeboat Mission for the purposes of company law) are responsible for preparing the trustee' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustee to prepare financial statements for each financial year. Under company law the trustee must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustee are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustee are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.
