M G Bowling Club had a very successful 2021/2022 season in that we were able to recommence our bowling again after a very stressful period of time caused by the pandemic.

We reopened towards the middle of 2021, our members meeting in the community centre and observing the guidelines as set down by the health authority and Mid Antrim Bowling Zone.

We met once a week on our normal practice night and as the league did not restart until November 2022 with a restricted league programme.

During the year some of our members participated in a number of bowling competitions which had been organised by other clubs.

During the year we received funding for hall insurance and hall rental from Antrim and Newtownabbey Council. Prior to Christmas we also received funding to go towards the cost of a Christmas dinner. Again this funding was provided by Antrim and Newtownabbey Council and we thank them for their financial support.

During the course of the pandemic a number of our members passed away.

We were also fortunate in that we recruited a number of new members.

We are very appreciative that the indoor bowling league is up and running again and thank the individuals who give of their time to keep the league running.

Because of the pandemic we have not ran our open singles bowling tournament this year.
