### **Funding**

We are seeking new funding at the minute and plan to release a community survey in the coming weeks to get a better insight of what the community want to see happening here. We can only guess or go off what has worked in the past so it would be refreshing to get new ideas from the community itself. We have just had a flipchart session on Monday past, gathering information on how to move forward and what our future looks like here at TCP. And we have our first draft of our strategic plan, which needs to be tweaked here and there but it's a start of something positive.

Presentation to Darren Guy as former Chair of TCP. Darren thanked the committee and congratulated the centre in relation to all the hard work and programmes running.

### **Financial Report**

Still currently with accountant.

Chelsea did draw up a small report of her own for anyone that may have had any queries.

## **PIP Presentation**

Chris Kerr from the Peace Impact Programme gave a deputation in relation to programmes that have been and will be running in Tullyally centre.

### **PIP – What It's About**

Peace Impact Programme (PIP) supports local communities to rebuild trust, strengthen leadership, and create opportunities for positive change.

Focus on peacebuilding, capacity building, and community development.

Tullyally has already benefited through funded projects and training opportunities.

### **Progress & Challenges**

Progress has been limited over the past 7 months.

Main issues: staffing gaps

This slowed down momentum and delayed delivery of planned activities.

### **Restarting in the Area**

PIP will restart afresh in Tullyally.

Area asked to nominate one or two local representatives to link in with PIP.

Nominated: Annie Mitchell      Proposed: John Wray & Seconded: Craig Mooney

These reps will help:

1. Timetable activity and events.
2. Share updates.
3. Keep communication open between the area and the programme.

Aim is to make sure Tullyally benefits fully from all opportunities available.

### **Recent Work / Highlights**

Flip chart planning session was a success – strong turnout, good ideas.

Strategic draft plan developed by PIP.

PIP funding supported:

1. Summer programmes.
2. Drafted Strategic Plan.
3. Young Women's Group.
4. Safety Forum meetings.

5. Echoes of Us.
  6. ELEVATE.
  7. Resilient Minds.
  8. EXCEL.
  9. Benefits & Health Day – 2026
  10. Newsletter for December 2025
  11. TOWN – Proposed by Tullyally agreed by Currynierin
- Proposed project: bike safety initiative – fits well with youth and safety themes.

### **Training Opportunities**

Board, governance, and chairperson training available.

Important for strengthening local leadership and sustainability.

### **Next Steps**

Suggest weekly meetings to plan, track progress, and timetable events.

Keep communication consistent and open.

PIP project runs until summer 2026 – plenty of time to rebuild and deliver.

### **Thanks & Acknowledgements**

Big thank you to Annie, John, and Nadine – genuine commitment over the summer.

Their efforts kept community activity going during a challenging time.

Appreciation for all volunteers and residents who stayed engaged.

### **AOB**

Agreed that future committee meetings would be the last Monday of every month at 6pm. Date for next meeting: 24<sup>TH</sup> November 2025 at 6pm.

Noted from the floor that no representative from YMCA. Maybe be useful for representation from every group that uses the centre to be on committee.
