Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2024

Structure, governance and management

The Board is made up of public representatives from Belfast City Council (BCC), and Lisburn and Castlereagh City Council (LCCC), and individuals with a particular interest in the environment and conservation.

Under the guidance of a Chairman and Vice Chairman, each Director is charged with governance over the operation of the Regional Park, maintenance of its assets and welfare of its staff. There are four Board Subcommittees: Audit and Risk; Finance and Strategy; Selection and Planning and a Biodiversity working group. A Company Secretary is responsible administering company matters. The Board meet regularly throughout the year. An effective structure runs the Park on a day to day basis. The Management Committee (including related stakeholder representatives) and Park Manager are supported by the relevant functional heads in LCCC and BCC. The Park Manager in turn manages the operational and administrative staff.

Objectives and activities

All of the Park's objectives and activities are underpinned by the Board and staff's desire to promote the Park to visitors, thus ensuring its long term future. Their strategy document and management plan outline the long term sustainability of the Regional Park and AONB. The key long term strategic focus areas are Biodiversity, Heritage, Visitors, Community, Landscape, and Health and Recreation. These themes are reflected in the five year management plan, covering 2023 to 2028.

The plan focuses on tasks such as biodiversity monitoring, enhancement and protection through practical conservation of woodland, wetland, wildflower meadow and hedgerow, to extensive survey work of key fauna including bees, butterflies, wildfowl and small mammals. The Park actively promotes and protects the built and cultural heritage of the area and is exploring the potential to uncovering the archaeological aspects of the area with a proposed audit of archaeological features in the park from which a larger project may develop. The team also cover aspects of recreational planning and support for a range of diverse park users and visitors. In built planning, the regional park ensures that planning policy plays its part in preserving the Park's character, landscapes and biodiversity and this year responded to 13 planning consultations, as well as contributing to several strategic consultations affecting the Park and the wider countryside.

The Park continues to maintain over 47km of paths to make the Park accessible to the general public, to investigate the possibility of physical links to other conservation areas, and to further enhance the existing towpath. Park management are also working on ongoing practical works, aimed at the conservation of rare species and habitats, whilst sympathetically improving the aesthetics of the Park. This includes developing biodiversity by way of promoting and protecting priority species, through tackling invasive species via a separate initiative, and by protecting and creating existing and new habitats.

Achievements and performance

The Regional Park continues to welcome large numbers of visitor with 1.8 million visitors recorded 3 years running. This makes it the most visited outdoor visitor attraction in Northern Ireland and continues to present challenges both in terms of pressure on resources and user needs.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2024

Financial review

Core costs are tightly controlled with the majority of the budget associated with staff and volunteers. Core funding for the Regional Park comes from Lisburn and Castlereagh City Council and Belfast City Council with a small additional amount from BCC and Department for Communities (HED) for services provided. Funding from Department for Infrastructure was cut and that coupled with fixed funding not being index linked, has meant serious challenges for the Regional Park this year.

In relation to the 2023-24 financial year, core funding for the Regional Park was provided by Belfast City Council and Lisburn and Castlereagh City Council, with additional amounts from the Department for Communities, the Heritage Lottery Fund and Keep NI Beautiful. Regrettably, funding received in previous years from the Department for Infrastructure and the Northern Ireland Environmental Agency was not available. This, in conjunction with a substantial increase in the cost of direct charitable activities and support costs, led to the return of significant losses. The Trustees and management are cognisant of the effect that the outcome of the 2023-24 financial year has had on reserves held by the Regional Park, and they are actively seeking alternative and additional sources of funding. Accordingly, they await updates regarding a number of applications, following the successful award of £21,000 of additional funding from Belfast City Council for the 2024-25 financial year.

The welfare of park staff remains the primary concern of the Trustees who are aware of the financial challenges that the 2025 financial year brings. Their pledge is to continue to monitor the financial situation and relentlessly seek additional funding, whilst liaising with Lisburn and Castlereagh City Council who have provided verbal assurances regarding their support for the Park and its staff. Despite this, the Trustees feel that it is appropriate to record their concern that a material uncertainty exists with regard to the ongoing viability of the Park in its current guise.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of Lagan Valley Regional Park Limited

Year ended 31 March 2024

I report to the trustees on my examination of the financial statements of Lagan Valley Regional Park Limited ('the charity') for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of Charities Act (Northern Ireland) 2008 (the '2008 Act') and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

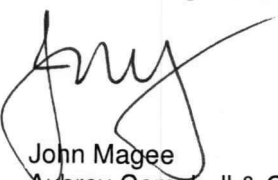

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

For the year ending 31 March 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

Lagan Valley Regional Park Limited

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 March 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is 3 Lock Keeper's Lane, Milltown Road, Belfast, BT8 7XT.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The Trustees acknowledge the impact that the excess of expenditure over income has had on reserves held by the Regional Park as at 31 March 2024, specifically its short to medium term viability. They are of one accord, that it is imperative that additional funding is secured to cover rising costs in all areas of the park's operation.

The welfare of park staff remains the primary concern of the Trustees. They acknowledge in particular that April 2025 will bring with it further significant increases in staff costs, as a result of the impact of changes to the National Living Wage and the National Insurance regime. Accordingly, they will continue to monitor the situation and liaise with Lisburn and Castlereagh City Council who have overall responsibility for employment matters.

Based solely on verbal assurances provided by LCCC prior to approval of these financial statements, the Trustees consider that the preparation of financial statements on a going concern basis is currently appropriate. However, the Trustees wish to make clear, given the current and near-term economic climate as described above, along with a lack of certainty regarding funding, that there remains a material uncertainty with regard to the long term viability of the Park in its current legal and operational form.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. It is understood that management were not required to make any significant judgements or estimations when applying the entity's accounting policies during the year.

Lagan Valley Regional Park Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Lagan Valley Regional Park Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Motor vehicles	- Fully depreciated
Equipment	- 20% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Lagan Valley Regional Park Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Lagan Valley Regional Park Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

4. Limited by guarantee

The company is limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £5 per member of the charity.

5. Income

'Income' includes donations and grant income from various entities as listed below, and is non-trading in nature unless otherwise stated.
