A summary of the charity :	
The Charitable purposes of charity are to provide a local educational resource, promote and preserve the culture and heritage of local people, promote cultural confidence and civic pride, bolster morale of the community and harness the abilities of local people; (d) to facilitate the examination, exploration and appreciation by all of Ulster-Scots language, history, music, tradition heritage and culture in an open and positive manner to encourage mutual understanding.	
To further these purposes for the public benefit we carried out the following activities:	
Ulster-Scots music lessons recommenced with a good number attending the weekly classes. The Community Association also bought the local telephone box and plans to make it a feature in the village so the residents who relied on it for so long can retain it.	
There are no private benefits incurred from the group's activities.	
Main achievements in the year	
The main activity of the group this year was the dance classes and the work at the hall.  The voluntary maintenance scheme where we sponsored and managed the bi-weekly cutting of grass verges throughout Spring, Summer and early Autumn to enhance the look of our village and prevent accidents on the roads by hazardous long grass blocking views for drivers..
