

LISBURN CONGREGATIONAL CHURCH

TRUSTEE REPORT 2024

The above Church exists to proclaim and advance the Christian faith as set out in the Bible which we believe to be the inerrant Word of God to all who attend or live in the surrounding area. No-one is excluded. A prayer time is held before each service. The fellowship has approximately 70 families connected to and experiences regular attendance at morning and evening Sunday services.

Our primary focus is to meet for worship both morning and evening each Sunday when the Gospel is faithfully proclaimed. We also run a program of varied activities throughout the week.

- Our Ladies Fellowship meet on Monday evenings from September through to June with an attendance of 20-23. During the session they engaged in a variety of activity from hearing about Missionary endeavors to learning about practical matters such as flower arranging to keeping fit and healthy. Highlights of the year were their Christmas Dinner and Spring outing.
- Tuesday Prayer group continue to meet for prayer and usually ends with visiting a local café for tea or coffee and some chat
- Boys Brigade meet between 6:30 and 9:45 each Tuesday where, on average, 32 boys between 4 and 19 years of age benefit from a wide range of activities from a balanced age-related program.
- Wednesday morning was Mums and Tots group meet from 10.30 to 12.00 a.m. with around 20 tots enjoying fun-based activities. At the same time Mums and sometimes Grandmom's enjoy sharing with each other over a tea or coffee.
- The Girl's Brigade also meet on Wednesday evening with the older girls and the younger girls meeting on Friday afternoon. On average, 50 girls participate in a varied programme including life skills, games, P.E. craft etc., and each group has a Bible Class.
- Thursday our Mid-Week Bible Study and Prayer meeting continued where again we heard and learnt from God's word. Usually, once a month, we would have had a Missionary speaker to share about their work, whether at home and abroad.
- Our weekly CD ministry continues through the distribution of Sunday Service recordings to those folk who, because of age, infirmities or illness can no longer attend in person.

To help our Missions focus, each year in February we have a Missionary week-end with a variety of Missionaries giving reports of their work and commencing with a Safari supper with tasting food from different countries and a Missionary representative bringing a Gospel message.

During the first week in July, we also held our annual Holiday Bible Club which was attended by around 60 children from the surrounding area.

Following our successful Hardship & warmth programme in 2023 we continued this year to provide a soup lunch and friendship time each Thursday from January to April. On average 40 people attended each week. This was appreciated by attendees as an opportunity to make new and develop existing friendships.

The financial need of the fellowship is funded largely through freewill contributions from members and adherents. A full finance report was presented to members at the Annual General Meeting and was approved by those present.
