TRUSTEE BOARD at 31st March 2024

Neil McDowell (Chair), James Davis (Treasurer)

Anita McCann, Sarah McBurney, Philip Hall

Ian Berryman – Group Lead Volunteer (Ex Officio)

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Group's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association. The Group is a trust established under its rules which are common to all Scouts. The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association. The Group is managed by the Group Trustee Board, members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate. The Trustee Board consists of the Chair, Treasurer and four Trustees including one Ex Officio and meets at regular intervals. Members of the Trustee Board complete Being a Scouts Trustee learning within the first six months of joining the Board.

This Group Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.

The Group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

The Group Trustee Board has identified major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to equipment. The Group has sufficient contents insurance to mitigate against permanent loss.

Injury to Leaders, helpers, supporters and members. The Group, through the capitation fees, contributes to The Scout Association's national accident insurance policy. The Group also has additional insurance for non-members. Risk Assessments are undertaken before all activities.

Reduced income from fundraising. The Group is primarily reliant upon income from subscriptions and fundraising. The Group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Board could raise the value of subscriptions to increase the income to the Group on an ongoing basis either temporarily or permanently.

Reduction or loss of leaders. The Group is totally reliant upon volunteers to run and administer the activities of the Group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the Group as a whole then the Group would undertake a recruitment project before considering contraction or closure of the section or, in the worst-case scenario, the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 4 – 14 and supports an Explorer Unit for 14 - 18. If there was a reduction in membership in a particular Section or the Group as a whole, a similar undertaking would be put in place as outlined above.
