

Ballyoran Community Arts Group

Trustee Report

This year was another very busy year for the group.

We had 10 new members joining the group which shows the demand is there.

We completed lots of different skills, sewing, painting, diamond art, cookery, flower arranging and Christmas crafts.

We received two grants, community support grant from LCCC and VE day grant LCCC.

We run a celebration for VE day and VJ day. Great family days with grandparents, parents, and children. Invited local councillors along.

The group had 2 trips. A trip to the Somme museum and Christmas shopping.

Financially the grants we receive help pay rent, transport, materials and our weekly dues make up the cost.
