## Trustees' Annual Report (continued)

Year ended 31 December 2024

---

### Objectives and activities

The principal objective of the charity is to help alleviate the suffering of children in Northern Ireland with, or affected by, long term or terminal illness, physical or mental disability, and bereaved children and their families by providing trips to Lapland and other locations and other social, therapeutic, leisure and entertainment facilities.

All the children who go on the fantasy flights are selected by local hospitals throughout the province. The charity achieves this by fundraising all year round as there is no government, lottery or other funding. Northern Ireland's Children to Lapland and Days to Remember Trust are able to arrange travel and medical insurance to make these trips happen, backed up by full medical care for the duration of the trips.

The trustees have reviewed the Charity Commission for Northern Ireland requirements relating to public benefit and confirm that the charity meets the criteria set down therein. Northern Ireland's Children to Lapland and Days to Remember Trust became registered with the Charity Commission for Northern Ireland on 9 September 2015.

### Achievements and performance

In 2023, we made our annual trip to Lapland on a 189-seat aircraft with 85 deserving children on board. We also continued our popular '3 Steps to Christmas' campaign for 35 children and were delighted to have sufficient funds to allow us to take 20 chronically ill children and their parents on a 2-day trip to EuroDisney in Paris.

We were delighted, once again, to take a 189-seat aircraft to Lapland, with 85 children aboard, each nominated by the various Hospital Trusts and the Children's Hospice and accompanied by at least 1 parent or carer, as well the requisite number of medical professionals.

We also took 20 deserving children, again accompanied by a parent or caregiver, to Disneyland, Paris, for a 2-day trip. This trip has been so popular in recent years that it is hoped that it will become an annual event. Following on from the success of an earlier initiative, we also donated £1500 worth of sensory toys to each of the 8 Special Children's Units across the Province, as well as to the Children's Hospice. These hospitals have absolutely no budget for this type of purchase, and yet they report how much their children appreciate and enjoy the facility.

### Financial review

The detailed results for the year and the charity's financial position at the year end are set out in the attached financial statements.

The total unrestricted incoming resources for the accounting period amounted to £246,793 (2023: £206,373), with expenditure of £205,958. (2023: £187,121). This has resulted in net incoming resources for the year of £40,835 (2023: £19,252). Unrestricted funds remaining at the year end amounted to £241,049. (2023: £200,214).

The main incoming resources of the charity are from donations.

Trust**

**Independent Examiner's Report to the Trustees of Northern Ireland's  
Children to Lapland and Days to Remember Trust**

**Year ended 31 December 2024**

---

I report to the trustees on my examination of the financial statements of Northern Ireland's Children to Lapland and Days to Remember Trust ('the charity') for the year ended 31 December 2024.

**Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the '2008 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. Accounting records were not kept as required by with section 63 of the 2008 Act; or
2. The financial statements do not accord with those records; or
3. The financial statements do not comply with the accounting requirements of the 2008 Act; or
4. The financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**

**Notes to the Financial Statements  
Year ended 31 December 2024**

---

**1. General information**

The charity is a public benefit entity and a registered charity in Northern Ireland and is unincorporated. The address of the principal office is 33A Prospect Road, Portstewart, BT55 7NF.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

**3. Accounting policies**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

There are no material uncertainties about the charity's ability to continue.

**Disclosure exemptions**

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

**Judgements and key sources of estimation uncertainty**

The Trustees have estimated the useful life and expected residual value of fixed assets in arriving at the amount charged each year for depreciation.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**  
**Notes to the Financial Statements (continued)**  
**Year ended 31 December 2024**

---

**3. Accounting policies** *(continued)*

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

**Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**  
**Notes to the Financial Statements (continued)**  
**Year ended 31 December 2024**

---

**3. Accounting policies** *(continued)*

**Resources expended**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of statement of financial activities to which it relates:

Expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities. Other expenditure includes all expenditure that is neither relating to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

**Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to the extent it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**  
**Notes to the Financial Statements (continued)**  
**Year ended 31 December 2024**

---

**3. Accounting policies (continued)**

**Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of the asset as follows;

Equipment - 15% reducing balance

**Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

**Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured as cost less impairment.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**  
**Notes to the Financial Statements (continued)**  
**Year ended 31 December 2024**

---

**3. Accounting policies (continued)**

**Financial instruments (continued)**

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Trustees' Annual Report (continued)

Year ended 31 December 2023

---

### Objectives and activities

The principal objective of the charity is to help alleviate the suffering of children in Northern Ireland with, or affected by, long term or terminal illness, physical or mental disability, and bereaved children and their families by providing trips to Lapland and other locations and other social, therapeutic, leisure and entertainment facilities.

All the children who go on the fantasy flights are selected by local hospitals throughout the province. The charity achieves this by fundraising all year round as there is no government, lottery or other funding. Northern Ireland's Children to Lapland and Days to Remember Trust are able to arrange travel and medical insurance to make these trips happen, backed up by full medical care for the duration of the trips.

The trustees have reviewed the Charity Commission for Northern Ireland requirements relating to public benefit and confirm that the charity meets the criteria set down therein. Northern Ireland's Children to Lapland and Days to Remember Trust became registered with the Charity Commission for Northern Ireland on 9 September 2015.

### Achievements and performance

We are pleased to report that normality has been resumed!

In 2022, we made our annual trip to Lapland, on a 189 seat aircraft, with 85 deserving children on board. We also continued our popular '3 Steps to Christmas' campaign, with 35 children receiving £250 worth of presents.

2023 saw us once again take a 189 seat aircraft to Lapland and continue the 3 Steps campaign for 35 Children. We were also delighted to have sufficient funds to allow us to take 12 chronically ill children and their parents on a 3 day trip to EuroDisney in Paris.

### Financial review

The detailed results for the year and the charity's financial position at the year end are set out in the attached financial statements.

The total unrestricted incoming resources for the accounting period amounted to £206,373 (2022: £132,771), with expenditure of £187,121. (2022: £113,603). This has resulted in net incoming resources for the year of £19,252 (2022: £19,168). Unrestricted funds remaining at the year end amounted to £200,214. (2022: £161,794).

The main incoming resources of the charity are from donations.

**Trustees' Annual Report (continued)**

**Year ended 31 December 2023**

---

The trustees, annual report was approved on 3/10/2024 and signed on behalf of the board of trustees by:

  
Mr C J Barkley  
Trustee

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**

**Independent Examiner's Report to the Trustees of Northern Ireland's  
Children to Lapland and Days to Remember Trust**

**Year ended 31 December 2023**

---

I report to the trustees on my examination of the financial statements of Northern Ireland's Children to Lapland and Days to Remember Trust ('the charity') for the year ended 31 December 2023.

**Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the '2008 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. Accounting records were not kept as required by section 63 of the 2008 Act; or
2. The financial statements do not accord with those records; or
3. The financial statements do not comply with the accounting requirements of the 2008 Act; or
4. The financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

 Trustee

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**

**Notes to the Financial Statements  
Year ended 31 December 2023**

---

**1. General information**

The charity is a public benefit entity and a registered charity in Northern Ireland and is unincorporated. The address of the principal office is 33A Prospect Road, Portstewart, BT55 7NF.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

**3. Accounting policies**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

There are no material uncertainties about the charity's ability to continue.

**Disclosure exemptions**

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

**Judgements and key sources of estimation uncertainty**

The Trustees have estimated the useful life and expected residual value of fixed assets in arriving at the amount charged each year for depreciation.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**  
**Notes to the Financial Statements (continued)**  
**Year ended 31 December 2023**

---

**3. Accounting policies** *(continued)*

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

**Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**  
**Notes to the Financial Statements (continued)**  
**Year ended 31 December 2023**

---

**3. Accounting policies** *(continued)*

**Resources expended**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of statement of financial activities to which it relates:

Expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities. Other expenditure includes all expenditure that is neither relating to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

**Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**

**Notes to the Financial Statements (continued)**

**Year ended 31 December 2023**

---

**3. Accounting policies (continued)**

**Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of the asset as follows;

Equipment - 15% reducing balance

**Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

**Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured as cost less impairment.

**Northern Ireland's Children to Lapland and Days to Remember  
Trust**  
**Notes to the Financial Statements (continued)**  
**Year ended 31 December 2023**

---

**3. Accounting policies (continued)**

**Financial instruments (continued)**

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Trustees' Annual Report (continued)

Year ended 31 December 2023

---

### Objectives and activities

The principal objective of the charity is to help alleviate the suffering of children in Northern Ireland with, or affected by, long term or terminal illness, physical or mental disability, and bereaved children and their families by providing trips to Lapland and other locations and other social, therapeutic, leisure and entertainment facilities.

All the children who go on the fantasy flights are selected by local hospitals throughout the province. The charity achieves this by fundraising all year round as there is no government, lottery or other funding. Northern Ireland's Children to Lapland and Days to Remember Trust are able to arrange travel and medical insurance to make these trips happen, backed up by full medical care for the duration of the trips.

The trustees have reviewed the Charity Commission for Northern Ireland requirements relating to public benefit and confirm that the charity meets the criteria set down therein. Northern Ireland's Children to Lapland and Days to Remember Trust became registered with the Charity Commission for Northern Ireland on 9 September 2015.

### Achievements and performance

We are pleased to report that normality has been resumed!

In 2022, we made our annual trip to Lapland, on a 189 seat aircraft, with 85 deserving children on board. We also continued our popular '3 Steps to Christmas' campaign, with 35 children receiving £250 worth of presents.

2023 saw us once again take a 189 seat aircraft to Lapland and continue the 3 Steps campaign for 35 Children. We were also delighted to have sufficient funds to allow us to take 12 chronically ill children and their parents on a 3 day trip to EuroDisney in Paris.

### Financial review

The detailed results for the year and the charity's financial position at the year end are set out in the attached financial statements.

The total unrestricted incoming resources for the accounting period amounted to £206,373 (2022: £132,771), with expenditure of £187,121. (2022: £113,603). This has resulted in net incoming resources for the year of £19,252 (2022: £19,168). Unrestricted funds remaining at the year end amounted to £200,214. (2022: £161,794).

The main incoming resources of the charity are from donations.

**Independent Examiner's Report to the Trustees of Northern Ireland's  
Children to Lapland and Days to Remember Trust**

**Year ended 31 December 2023**

---

I report to the trustees on my examination of the financial statements of Northern Ireland's Children to Lapland and Days to Remember Trust ('the charity') for the year ended 31 December 2023.

**Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the '2008 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. Accounting records were not kept as required by section 63 of the 2008 Act; or
2. The financial statements do not accord with those records; or
3. The financial statements do not comply with the accounting requirements of the 2008 Act; or
4. The financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

The trustees have reviewed the Charity Commission for Northern Ireland requirements relating to public benefit and confirm that the charity meets the criteria set down therein. Northern Ireland's Children to Lapland and Days to Remember Trust became registered with The Charity Commission for Northern Ireland on 9 September 2015.

### Achievements and performance

Due to the Covid pandemic, we were unable to make our annual trip to Lapland, either in 2020 or 2021.

Determined, however, to ensure that the deserving children from Northern Ireland were not forgotten, we devised an alternative campaign, which was titled '3 Steps to Christmas'.

As before, the Hospital Trusts were asked to nominate 35 children, in total. Each of these children then received a detailed personal letter from Santa, mentioning their siblings, pets, best friends and favourite teacher and/or doctor or nurse. This was followed by a video, filmed in Lapland, from Santa and his 'head elf', Juju. The main element of the campaign was that around £250 worth of presents, chosen by the parents, were delivered directly to the child's front door, mainly by a team of volunteer 'elves'.

We can confirm that the Lapland trip has been confirmed for 2023, (Due to take place on 19th December 2023). We would also hope to retain some elements of our '3 Steps' campaign, perhaps for around 30 children whose illnesses would preclude travelling to Lapland's sub zero temperatures .

### Financial review

The detailed results for the year and the charity's financial position at the year end are set out in the attached financial statements.

The total unrestricted incoming resources for the accounting period amounted to £132,771 (2021: £82,168), with expenditure of £113,603. (2021: £65,475). This has resulted in net incoming resources for the year of £19,168 (2021: £16,693). Unrestricted funds remaining at the year end amounted to £180,962. (2021: £161,794).

The main incoming resources of the charity are from donations.

## Independent Examiner's Report to the Trustees of Northern Ireland's Children to Lapland and Days to Remember Trust

Year ended 31 December 2022

---

I report to the trustees on my examination of the financial statements of Northern Ireland's Children to Lapland and Days to Remember Trust ('the charity') for the year ended 31 December 2022.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the '2008 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by with section 63 of the 2008 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of the 2008 Act; or
4. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 December 2022

---

### 1. General information

The charity is a public benefit entity and a registered charity in Northern Ireland and is unincorporated. The address of the principal office is 33A Prospect Road, Portstewart, BT55 7NF.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Disclosure exemptions

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

#### Judgements and key sources of estimation uncertainty

The Trustees have estimated the useful life and expected residual value of fixed assets in arriving at the amount charged each year for depreciation.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	-	15% reducing balance
-----------	---	----------------------

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

### 3. Accounting policies *(continued)*

#### Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

### Structure, governance and management

The charity is governed by a Trust Deed.

The charity is constituted by a board of trustees who manage and direct the charity. The board of trustees meet four times a year to facilitate effective operations and ensure the charity delivers the services specified.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Trustees' Annual Report *(continued)*

Year ended 31 December 2022

---

### Objectives and activities

The principal objective of the charity is to help alleviate the suffering of children in Northern Ireland with, or affected by, long term or terminal illness, physical or mental disability, and bereaved children and their families by providing trips to Lapland and other locations and other social, therapeutic, leisure and entertainment facilities.

All the children who go on the fantasy flights are selected by local hospitals throughout the province. The charity achieves this by fundraising all year round as there is no government, lottery or other funding. Northern Ireland's Children to Lapland and Days to Remember Trust are able to arrange travel and medical insurance to make these trips happen, backed up by full medical care for the duration of the trips.

The trustees have reviewed the Charity Commission for Northern Ireland requirements relating to public benefit and confirm that the charity meets the criteria set down therein. Northern Ireland's Children to Lapland and Days to Remember Trust became registered with The Charity Commission for Northern Ireland on 9 September 2015.

### Achievements and performance

Due to the Covid pandemic, we were unable to make our annual trip to Lapland, either in 2020 or 2021.

Determined, however, to ensure that the deserving children from Northern Ireland were not forgotten, we devised an alternative campaign, which was titled '3 Steps to Christmas'.

As before, the Hospital Trusts were asked to nominate 35 children, in total. Each of these children then received a detailed personal letter from Santa, mentioning their siblings, pets, best friends and favourite teacher and/or doctor or nurse. This was followed by a video, filmed in Lapland, from Santa and his 'head elf', Juju. The main element of the campaign was that around £250 worth of presents, chosen by the parents, were delivered directly to the child's front door, mainly by a team of volunteer 'elves'.

We can confirm that the Lapland trip has been confirmed for 2023, (Due to take place on 19th December 2023). We would also hope to retain some elements of our '3 Steps' campaign, perhaps for around 30 children whose illnesses would preclude travelling to Lapland's sub zero temperatures .

### Financial review

The detailed results for the year and the charity's financial position at the year end are set out in the attached financial statements.

The total unrestricted incoming resources for the accounting period amounted to £132,771 (2021: £82,168), with expenditure of £113,603. (2021: £65,475). This has resulted in net incoming resources for the year of £19,168 (2021: £16,693). Unrestricted funds remaining at the year end amounted to £180,962. (2021: £161,794).

The main incoming resources of the charity are from donations.

## Independent Examiner's Report to the Trustees of Northern Ireland's Children to Lapland and Days to Remember Trust

Year ended 31 December 2022

---

I report to the trustees on my examination of the financial statements of Northern Ireland's Children to Lapland and Days to Remember Trust ('the charity') for the year ended 31 December 2022.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the '2008 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by with section 63 of the 2008 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of the 2008 Act; or
4. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 December 2022

---

### 1. General information

The charity is a public benefit entity and a registered charity in Northern Ireland and is unincorporated. The address of the principal office is 33A Prospect Road, Portstewart, BT55 7NF.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Disclosure exemptions

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

#### Judgements and key sources of estimation uncertainty

The Trustees have estimated the useful life and expected residual value of fixed assets in arriving at the amount charged each year for depreciation.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	-	15% reducing balance
-----------	---	----------------------

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

### 3. Accounting policies *(continued)*

#### Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

### Structure, governance and management

The charity is governed by a Trust Deed.

The charity is constituted by a board of trustees who manage and direct the charity. The board of trustees meet four times a year to facilitate effective operations and ensure the charity delivers the services specified.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Trustees' Annual Report *(continued)*

Year ended 31 December 2022

---

### Objectives and activities

The principal objective of the charity is to help alleviate the suffering of children in Northern Ireland with, or affected by, long term or terminal illness, physical or mental disability, and bereaved children and their families by providing trips to Lapland and other locations and other social, therapeutic, leisure and entertainment facilities.

All the children who go on the fantasy flights are selected by local hospitals throughout the province. The charity achieves this by fundraising all year round as there is no government, lottery or other funding. Northern Ireland's Children to Lapland and Days to Remember Trust are able to arrange travel and medical insurance to make these trips happen, backed up by full medical care for the duration of the trips.

The trustees have reviewed the Charity Commission for Northern Ireland requirements relating to public benefit and confirm that the charity meets the criteria set down therein. Northern Ireland's Children to Lapland and Days to Remember Trust became registered with The Charity Commission for Northern Ireland on 9 September 2015.

### Achievements and performance

Due to the Covid pandemic, we were unable to make our annual trip to Lapland, either in 2020 or 2021.

Determined, however, to ensure that the deserving children from Northern Ireland were not forgotten, we devised an alternative campaign, which was titled '3 Steps to Christmas'.

As before, the Hospital Trusts were asked to nominate 35 children, in total. Each of these children then received a detailed personal letter from Santa, mentioning their siblings, pets, best friends and favourite teacher and/or doctor or nurse. This was followed by a video, filmed in Lapland, from Santa and his 'head elf', Juju. The main element of the campaign was that around £250 worth of presents, chosen by the parents, were delivered directly to the child's front door, mainly by a team of volunteer 'elves'.

We can confirm that the Lapland trip has been confirmed for 2023, (Due to take place on 19th December 2023). We would also hope to retain some elements of our '3 Steps' campaign, perhaps for around 30 children whose illnesses would preclude travelling to Lapland's sub zero temperatures .

### Financial review

The detailed results for the year and the charity's financial position at the year end are set out in the attached financial statements.

The total unrestricted incoming resources for the accounting period amounted to £132,771 (2021: £82,168), with expenditure of £113,603. (2021: £65,475). This has resulted in net incoming resources for the year of £19,168 (2021: £16,693). Unrestricted funds remaining at the year end amounted to £180,962. (2021: £161,794).

The main incoming resources of the charity are from donations.

## Independent Examiner's Report to the Trustees of Northern Ireland's Children to Lapland and Days to Remember Trust

Year ended 31 December 2022

---

I report to the trustees on my examination of the financial statements of Northern Ireland's Children to Lapland and Days to Remember Trust ('the charity') for the year ended 31 December 2022.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the '2008 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by with section 63 of the 2008 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of the 2008 Act; or
4. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 December 2022

---

### 1. General information

The charity is a public benefit entity and a registered charity in Northern Ireland and is unincorporated. The address of the principal office is 33A Prospect Road, Portstewart, BT55 7NF.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Disclosure exemptions

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

#### Judgements and key sources of estimation uncertainty

The Trustees have estimated the useful life and expected residual value of fixed assets in arriving at the amount charged each year for depreciation.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# Northern Ireland's Children to Lapland and Days to Remember Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	-	15% reducing balance
-----------	---	----------------------

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

### 3. Accounting policies *(continued)*

#### Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
