Chairperson's Report:

This past year has shown a continuing decline in available staff which is impacting our ability to provide the cadet experience. This is also limiting our ability to recruit for cadets when there are no adults available to instruct them. I will be meeting with the GDW Team in January to start a recruitment campaign; initially for staff, and then for cadets. We also need to speak to our Avs currently on the books to establish their plans. If they will not be returning then we have no need to have them on WM and paying insurance for them.

CO's Report:

There are currently attending:

3 staff; James, Reece and Sarah

7 cadets

Heather Millar is interested in returning as a CI only.

An ex-cadet may return as an AV.

Ex-cadet / ex-RN; Lyndsay Rodgers – very interested in coming back as uniformed staff. Possibly in New Year.

Ex-marine & magistrate – interested; possibly for UMT.

Pico's need added to Asset Schedule.
