Section B

Structure, governance and management

Description of the charity's trusts

Type of governing document (e.g. trust deed, constitution)	The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.
How the charity is constituted (e.g. trust, association, company)	The Group is a trust established under its rules which are common to all Scouts.
Trustee selection methods (e.g. appointed by, elected by)	The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.
Additional governance issues (optional information but encouraged as best practice)	
You may choose to include additional information, where relevant, about:	The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.
Policies and procedures adopted for: a) the induction and training of trustees; b) trustee consideration of major risks and the systems and procedures to manage them	<p>The Committee consists of representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual section leaders</p> <p>Members of the Executive Committee complete '<i>Essential Information for Executive Committee</i>' training within the first 5 months of joining the committee.</p> <p>This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:</p> <ul style="list-style-type: none"> The maintenance of Group property; The raising of funds and the administration of Group finance; The insurance of persons, property and equipment; Group public occasions; Assisting in the recruitment of leaders and other adult support; Appointing any sub committees that may be required; Appointing Group Administrators and Advisors other than those who are elected.

Section B	Structure, governance and management (continued)
	<p>Risk and Internal Control (Specimen 1)</p> <p>The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:</p> <p>Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.</p> <p>Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.</p> <p>Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>Reduction or loss of members. The Group provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>Risk and Internal Control (Specimen 2)</p> <p>The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.</p>

<ul style="list-style-type: none"> the charity's principal sources of funds (including any fundraising); 	<p>The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.</p>
<ul style="list-style-type: none"> how expenditure has supported the key objectives of the charity; 	<p>The Group Executive regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Executive considers the cash flow requirements.</p>
<ul style="list-style-type: none"> investment policy and objectives;
