The financial year the report relates to —

1st January 2018 – 31st December 2018

A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year ended 31st December 2018

Beavers, aged 6-8, Cubs aged 8-10 1/2 and Scouts aged 10 ½ to 15 meet on Tuesday nights, and there is a total membership of 50.

The benefit which flows from our purpose is that young people are empowered to make a positive contribution to society through being engaged and supported in their personal development, including physically, intellectually, socially and spiritually. The children registered with our group come from the local community. All are treated equally, regardless of national background or religion.

We had another successful year with all Sections achieving our aims as listed in Scout HQ Instructions. Badgework/outings/camps etc were participated in by all members and greatly enjoyed by them. We have a full programme each week and take part in District events also, which give the members the opportunity to mix with others in our District.

We have found the Members all very interested in all activities arranged for them, and Parents very supportive of all we are planning and completing for Members.

There was no harm flowing from the Charity's purposes and there was no private benefit.

All Trustees have had regard to the Charity Commission's Public Benefit Guidance

We are attached to Sydenham Methodist Church, and as we use the Church Halls, our Assets consist of our Bank Account which at 31st December 2018 was in Credit to the amount of £3517.23 with no outstanding debts.

Report agreed by all Trustees and signed on their behalf by the Chairperson

Annual report

9th Belfast Scout Group – Trustee's Report – May 2017

The benefit which flows from our purpose is that young people are empowered to make a positive contribution to society through being engaged and supported in their personal development, including physically, intellectually, socially and spiritually. This benefit is demonstrated through Scouting making a positive impact in our communities; preparing young people to be active citizens; embracing and contributing to social change; being as diverse as the communities in which we operates. These are evidenced by feedback from our beneficiaries and the wider community. There is no harm arising from our purposes. Scouting operates within a framework of safety to enable young people to take part in adventurous activities safely. Scouting's beneficiaries are children and young people. The only private benefit from this purpose is that Adult Volunteers are trained to deliver the programme, but this is incidental and necessary because it is needed to operate in today's society working with young people.

We had a very successful year, and as we started celebrating our 70th Anniversary in September we had many special events. Our Beavers aged 6-8 had really exciting times and earned many badges, with outings to District events, District sleepover and visit with boys from across NI to the Armagh Planetarium. The Cubs aged 8-11, also had a great year with many interesting badges done and special activities. They took part in the Belfast County Flag competition doing very well and 4 boys with Leaders attending a special County Camp to celebrate the centenary of that Section. The Scout Troop for boys aged 11-14 have increased their Scouting Skills and welcomed new Leaders. They learned very practical skills such as plumbing, wiring plugs, as well as Scouting skills.

The Cubs and Scouts had a joint camp at Crawfordsburn Scout Campsite doing Instructor-lead activities such as Archery, Grass-sledging, go-carting, climbing etc. It was a great weekend with Beavers joining for the day on the Saturday for more fun and activities.

We have almost full attendances each week and are very satisfied with the fun and fellowship between all Members and Leaders.

We look forward to more success in the future and plans are already in place for the next year, with full attendance of Leaders at our planning meeting.

All Trustees agree with the above.
