

The financial year the report relates to —

1st January 2018 – 31st December 2018

A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year ended 31st December 2018

Beavers, aged 6-8, Cubs aged 8-10 1/2 and Scouts aged 10 ½ to 15 meet on Tuesday nights, and there is a total membership of 50.

The benefit which flows from our purpose is that young people are empowered to make a positive contribution to society through being engaged and supported in their personal development, including physically, intellectually, socially and spiritually. The children registered with our group come from the local community. All are treated equally, regardless of national background or religion.

We had another successful year with all Sections achieving our aims as listed in Scout HQ Instructions. Badgework/outings/camps etc were participated in by all members and greatly enjoyed by them. We have a full programme each week and take part in District events also, which give the members the opportunity to mix with others in our District.

We have found the Members all very interested in all activities arranged for them, and Parents very supportive of all we are planning and completing for Members.

There was no harm flowing from the Charity's purposes and there was no private benefit.

All Trustees have had regard to the Charity Commission's Public Benefit Guidance

We are attached to Sydenham Methodist Church, and as we use the Church Halls, our Assets consist of our Bank Account which at 31st December 2018 was in Credit to the amount of £3517.23 with no outstanding debts.

Report agreed by all Trustees and signed on their behalf by the Chairperson
