### Notes to the financial statements for the year ended 31<sup>st</sup> December 2024

#### 1. Accounting Policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

##### (a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

##### (b) Statement of Assets and Liabilities

###### (i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Church Hall
- Rectory
- Fixtures and Fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church Hall is in the Church Grounds and as such is not separable as an asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The Rectory is recognised at deemed cost being the value placed on it for insurance purposes. No Depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These fixtures and fittings are artefacts contained within the Church Building and their preservation and contribution to culture are ancillary to faith and other purposes.

Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

###### (ii) Investments

Fixed asset investments comprise 6 acres of agricultural land, a commercial shop in Woodhouse Street, Portadown and investment in RCB/CIT Unit Trusts. The 6 acres of agricultural land has been valued using a market value of £12,500/acre. The commercial shop has been recognised at deemed cost, being the value placed on it for insurance purposes. ### Notes to the financial statements for the year ended 31<sup>st</sup> December 2023

#### 1. Accounting Policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

##### (a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

##### (b) Statement of Assets and Liabilities

###### (i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Church Hall
- Rectory
- Fixtures and Fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church Hall is in the Church Grounds and as such is not separable as an asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The Rectory is recognised at deemed cost being the value placed on it for insurance purposes. No Depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These fixtures and fittings are artefacts contained within the Church Building and their preservation and contribution to culture are ancillary to faith and other purposes.

## St. Saviour's Parish Church

### Notes to the financial statements for the year ended 31<sup>st</sup> December 2023

#### 1. Accounting Policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

##### (a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

##### (b) Statement of Assets and Liabilities

###### (i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Church Hall
- Rectory
- Fixtures and Fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church Hall is in the Church Grounds and as such is not separable as an asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The Rectory is recognised at deemed cost being the value placed on it for insurance purposes. No Depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These fixtures and fittings are artefacts contained within the Church Building and their preservation and contribution to culture are ancillary to faith and other purposes.

Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

###### (ii) Investments

Fixed asset investments comprise 6 acres of agricultural land, a commercial shop in Woodhouse Street, Portadown and investment in RCB/CIT Unit Trusts. The 6 acres of agricultural land has been valued using a market value of £12,500/acre. The commercial shop has been recognised at deemed cost, being the value placed on it for insurance purposes. Representative Church Body (RCB) investments are initially recorded at cost and are then subsequently stated at fair value at each year end date.

## St. Saviour's Parish Church

### Notes to the financial statements for the year ended 31<sup>st</sup> December 2023

#### 1. Accounting Policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

##### (a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

##### (b) Statement of Assets and Liabilities

###### (i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Church Hall
- Rectory
- Fixtures and Fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church Hall is in the Church Grounds and as such is not separable as an asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The Rectory is recognised at deemed cost being the value placed on it for insurance purposes. No Depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These fixtures and fittings are artefacts contained within the Church Building and their preservation and contribution to culture are ancillary to faith and other purposes.

Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

###### (ii) Investments

Fixed asset investments comprise 6 acres of agricultural land, a commercial shop in Woodhouse Street, Portadown and investment in RCB/CIT Unit Trusts. The 6 acres of agricultural land has been valued using a market value of £12,500/acre. The commercial shop has been recognised at deemed cost, being the value placed on it for insurance purposes. The Charitable purpose of the Church of Ireland is in the advancement of religion.

The principal function of St. Saviour's Parish is to support the advancement of the Christian religion by promoting, through the work of St. Saviour's Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, St. Saviour's Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage. Maintenance of which is undertaken by the Select Vestry of St. Saviour's Parish.

#### **Achievements, Performance & Public Benefit**

The Parish has weekly services on Sunday mornings and evenings comprising of a mix of Holy Communion, Family Service/Baptism and Sunday School together with various other special services during the year e.g. Lent Services, Harvest and Christmas Services. Bible Fellowship Meetings are held on the 1<sup>st</sup> & 3<sup>rd</sup> Friday of each month. Pastoral Care is also provided.

A range of other activities are also provided by St. Saviour's Parish either by the Church direct or through various Church organisations e.g. Church Lads Brigade, Church Girls Brigade, Ignite Youth Group, Mothers Union, Senior Citizens Thursday Friendship Group and Craft Class.

St. Saviour's Parish has mitigated any potential harm from the above activities through the implementation of the Church of Ireland Policy on Safeguarding Trust.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve both the Parish's objectives and the implementation of public benefit.

#### **Financial Review**

The Income into the Parish from various sources was £75,764 (£67,561-2021) with outgoings of £89,618 (£68,406-2021) giving a deficit of £13,854 (deficit £845 2021). The Bank and Cash in Hand Balance at 31<sup>st</sup> December 2022 was £86,003 (£101,857-2021). Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

##### (a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

##### (b) Statement of Assets and Liabilities

###### (i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Church Hall
- Rectory
- Fixtures and Fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church Hall is in the Church Grounds and as such is not separable as an asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The Rectory is recognised at deemed cost being the value placed on it for insurance purposes. No Depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These fixtures and fittings are artefacts contained within the Church Building and their preservation and contribution to culture are ancillary to faith and other purposes.

Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

###### (ii) Investments

The Charitable purpose of the Church of Ireland is in the advancement of religion.

The principal function of St. Saviour's Parish is to support the advancement of the Christian religion by promoting, through the work of St. Saviour's Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, St. Saviour's Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage. Maintenance of which is undertaken by the Select Vestry of St. Saviour's Parish.

#### **Achievements, Performance & Public Benefit**

The Parish has weekly services on Sunday mornings and evenings comprising of a mix of Holy Communion, Family Service/Baptism and Sunday School together with various other special services during the year e.g. Lent Services, Harvest and Christmas Services. Bible Fellowship Meetings are held on the 1<sup>st</sup> & 3<sup>rd</sup> Friday of each month. Pastoral Care is also provided.

A range of other activities are also provided by St. Saviour's Parish either by the Church direct or through various Church organisations e.g. Church Lads Brigade, Church Girls Brigade, Ignite Youth Group, Mothers Union, Senior Citizens Thursday Friendship Group and Craft Class.

St. Saviour's Parish has mitigated any potential harm from the above activities through the implementation of the Church of Ireland Policy on Safeguarding Trust.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve both the Parish's objectives and the implementation of public benefit.

#### **Financial Review**

The Income into the Parish from various sources was £75,764 (£67,561-2021) with outgoings of £89,618 (£68,406-2021) giving a deficit of £13,854 (deficit £845 2021). The Bank and Cash in Hand Balance at 31<sup>st</sup> December 2022 was £86,003 (£101,857-2021). The Charitable purpose of the Church of Ireland is in the advancement of religion.

The principal function of St. Saviour's Parish is to support the advancement of the Christian religion by promoting, through the work of St. Saviour's Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, St. Saviour's Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage. Maintenance of which is undertaken by the Select Vestry of St. Saviour's Parish.

#### **Achievements, Performance & Public Benefit**

The Parish has weekly services on Sunday mornings and evenings comprising of a mix of Holy Communion, Family Service/Baptism and Sunday School together with various other special services during the year e.g. Lent Services, Harvest and Christmas Services. Bible Fellowship Meetings are held on the 1<sup>st</sup> & 3<sup>rd</sup> Friday of each month. Pastoral Care is also provided.

A range of other activities are also provided by St. Saviour's Parish either by the Church direct or through various Church organisations e.g. Church Lads Brigade, Church Girls Brigade, Ignite Youth Group, Mothers Union, Senior Citizens Thursday Friendship Group and Craft Class.

St. Saviour's Parish has mitigated any potential harm from the above activities through the implementation of the Church of Ireland Policy on Safeguarding Trust.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve both the Parish's objectives and the implementation of public benefit.

#### **Financial Review**

The Income into the Parish from various sources was £75,764 (£67,561-2021) with outgoings of £89,618 (£68,406-2021) giving a deficit of £13,854 (deficit £845 2021). The Bank and Cash in Hand Balance at 31<sup>st</sup> December 2022 was £86,003 (£101,857-2021). It is the Trustee's Policy to hold sufficient reserves to cover unexpected emergencies, to enhance funds to pay for future maintenance to the Church and grounds and to further the Objectives and Activities of the Church of Ireland.

### Notes to the financial statements for the year ended 31<sup>st</sup> December 2022

#### 1. Accounting Policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

##### (a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

##### (b) Statement of Assets and Liabilities

###### (i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Church Hall
- Rectory
- Fixtures and Fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102)

These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church Hall is in the Church Grounds and as such is not separable as an asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the statement of assets and liabilities.

The Rectory is recognised at deemed cost being the value placed on it for insurance purposes. No Depreciation has been provided on the rectory as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These fixtures and fittings are artefacts contained within the Church Building and their preservation and contribution to culture are ancillary to faith and other purposes.

Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.
