## **Trustees' Annual Report for the year ended 31 December 2024**

The trustees present the annual report and accounts for the Parish of Drumglass for the year ended 31 December 2024.

### **Objectives and Activities**

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Parish of Drumglass is to support the advancement of the Christian religion by promoting, through the work of the Parish of Drumglass the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Parish of Drumglass has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of the Parish of Drumglass.

### **Achievements, Performance & Public Benefit**

Drumglass Parish has weekly services on Sunday mornings and evenings comprising of a mix of Holy Communion, Family Service, Holy Baptism, Service of the Word, and Morning Prayer together with various other special services during the year e.g. Lenten, Harvest thanksgiving, Advent and Christmas. There is also a weekly Shoppers' Service held on a Thursday morning. Pastoral care is provided for parishioners and those in the wider community.

A range of other activities are provided by Drumglass Parish either by the church directly or through various church organisations e.g. Choir, Sunday School, Crèche, Youth Group, Prayer & Bible Study, Mothers' Union, Ladies' Guild, Senior Citizens' Clubs, Badminton, Bowls, Table Tennis, TT4U women's group, Stepping Stones Carer and Toddlers Group, Brownies, Rainbows, and Guides. The Holiday Bible Club is held annually over a 5 day period culminating in a Family Fun Night.

Drumglass Parish maintains an ongoing partnership with Belfast Central Mission (BCM). This organization, in conjunction with Housing Support for Young People provides food and household goods for vulnerable young people in the local community who are homeless, leaving care or struggling to live independently. A partnership with Barnabas Aid also exists for the distribution of food for those in need.

There is an effective inter-church co-operation within the local community. Drumglass Parish plays an active role in Dungannon Churches Forum, and Dungannon Churches Together, as a part of which joint services are held on a regular basis.

A number of members of the Parish serve on the Boards of Governors of local schools and support and encourage the work of the schools helping to maintain good standards and practices. In addition, the staff of the Parish lead assemblies on a regular basis in six of our local schools.

The Parish supports the work of other charities and missionary work by either making donations or holding special collections in respect of same. We support various charities and mission groups through ongoing deputation work, along with the giving of financial and prayerful support from the Parish.

The activities outlined above demonstrate how Drumglass Parish continues to implement its charitable purposes (i.e. the advancement of religion) and meets the public Benefit requirement. Benefits to members of the public include contributing to spiritual well-being of participants and the reinforcement of Christian values.

Drumglass Parish has mitigated any potential harm from the activities it carries out through the implementation of the Church of Ireland Safeguarding Trust Policy.

### **Structure, Governance and Management**

#### ***Governing Document and Constitution of the Charity***

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

#### ***Recruitment and Appointment of Select Vestry***

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

#### ***Organisational Structure***

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry.

The select vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

## Trustees' Annual Report for the year ended 31 December 2024 (continued)

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2024 the Select Vestry met 14 times during the year and the average attendance was 84%.

### Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in the Northern Ireland requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with Generally Accepted Accounting Practice in the United Kingdom (accounting standards issued by the Financial Reporting Council in the UK, including Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) "and promulgated by the Institute of Chartered Accountants in the United Kingdom and United Kingdom Law) Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the statement of financial activities of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable Accounting Standards and identify the standards in question, subject to any material departures being disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Parish will continue as a going concern.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the financial position of the Parish and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charity (Accounts and Reports) Regulations (Northern Ireland) 2008 and the provision of the Constitution of the Church of Ireland. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Statement as to disclosure to our examiners

In so far as the trustees are aware at the timing of approving our trustees' annual report:

- there is no relevant audit information of which the charitable examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant examination information and to establish that the charity's examiner is aware of that information.

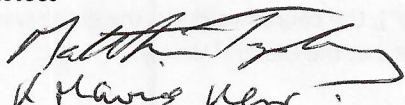

### Independent Examiners

The examiners, Ruddell & Company, have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at the Annual Easter Vestry Meeting.

## Notes to the financial statements for the year ended 31 December 2024

### 1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### a) Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Parish meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note.

#### b) Preparation of accounts on a going concern basis

The Parish generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parish has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

#### c) Income

Plate Collections and Weekly Envelopes income are accounted for on a cash receipts basis as the amount is collected.

Income arising from the rental of Parish Centre facilities to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Legacies are included within income under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty. Donations and gifts in kind are brought into the accounts at their fair value to the Parish.

#### d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

**1. Accounting policies (continued)**

**e) Tangible assets**

The assets of the Parish comprise:-

- Church Buildings
- Parish Centre
- Glebe House
- Fixtures and fittings

The Church Buildings are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Parish Centre is physically attached to the church and is not separable as an individual asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Glebe House is recognised at deemed cost, being the estimated fair value of the property at 31 December 2024. No depreciation has been provided on the glebe house as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures and Fittings are recognised at cost and are depreciated on a straight line basis over a period of 5 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

The parish has set a minimum threshold of cost for an item to be considered to be capitalised as a fixed asset of not less than £1,000.

Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the new disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in 'Other operating (losses)/gains'.

**f) Investments**

Fixed asset investments comprising investment properties, investments in equities and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each balance sheet date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and fair value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the fair value at the start of the year or cost if purchased in the year. Both realised and unrealised gains and losses in investments are reported within "Net Gains / (Losses) on Investments" within the Statement of Financial Activities.

## **Notes to the financial statements for the year ended 31 December 2024 (continued)**

### **1. Accounting policies (continued)**

#### **g) Cash and cash equivalents**

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within Creditors Amounts falling due within 1 year.

#### **h) Financial instruments**

The Parish only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

#### **i) Funds**

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

## Notes to the financial statements for the year ended 31 December 2024 (continued)

### 2. Critical accounting judgements and estimation uncertainty

Estimates and judgments made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgments made in applying the Parish's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.
