

Groggan Primary School PTA

Annual Report

23rd October 2023

2022/2023 school returned to a new normal with many events and activities returned to school, thankfully.

In December 2022 we held a Christmas raffle which was widely supported by our parents and the local community. The prizes were displayed on the school website and updated daily, thanks was sent to each businesses who supported the venture. A total of £573 was raised for PTA funds.

The PTA kindly paid for Numicon resources for each class in light of whole school training in August, this amounted to £1160.27 and will be such an asset to our Numeracy lessons.

The PTA funded Christmas presents for all the children to the sum of £83.50.

We are as always indebted to our parents and families for supporting any of our fundraising ventures so generously and which to thank everyone who has supported the school in this academic year.

C.Humphrey M.B.E.
