

Groggan Primary School PTA Annual Report 2023/2024

2023/2024 saw our fundraising efforts return to pre-covid times. The opening balance as of 31/8/2023 was £3068.78.

Our Christmas event this year saw the return of our Christmas Tree Festival and Raffle, with some truly amazing prizes on offer, the star prize was a child's bike, the envy of all of our pupils! This event raised £1253.75 after expenses.

Our Marathon in May 2024 raised an impressive £2100, with a profit of £1569.40 after expenses, namely the entrance fees and t-shirts for the runners.

Our annual Sports Day saw the worst weather in many years, our PTA refreshment stand had to be abandoned due to torrential rain, instead the P7 children sold the buns in school and made a total of £159.14.

Our total profit for PTA funds from events was £2982.29.

Mrs Humphrey applied for a number of Grants this academic year and was successful in securing a Halifax Grant of £2000 which was used to purchase much needed updated iPads for the children.

We were able to update Sports kits for the children, namely a new Football, Rugby and Hockey kit. We received sponsorship from businesses to cover the cost, the children were so excited when it came time to wear their new kits in the local tournaments.

The PTA kindly covered the cost of much needed class resources this year to the sum of £794.96, the teaching staff were very grateful.

The final amount at the close of the PTA year 2023/24 saw the balance of £2982.29 which is a great start for the 2024/2025 year.

C. Humphrey M.B.E

Secretary PTA
